## Appreciation regarding Consultation

I have full consent pertaining to two tests offer eight years old ecc. However I disagree with regards to service record as it is only provided by the main dealers, as it is obvious, costs awful lot of money. This is not affordable as it being too expensive.

With regards to vehicle's replacement the allotted 28 days do not seem to be enough. The reason of this could be elaborated as Finance companies minimum duration for the completion of such task is 8 weeks. Time limit should be granted serious consideration in this regard. I humbly request that my suggestions should be taken on board as these are quite logical. Thanks

مشورہ کیلئے آج کا شکریہ

آپ کی نئی پالیسی سے ہمیں اتفاق ہے۔ کہیں ہمیں ایسی  
دو شرائط پر اصرار ہے۔ ایک تو ایگوارڈ کو سمجھانا ہے کہ  
یہ سروس سے متعلقہ مشعل ہے۔ اور دوسرا جب گاڑی سڑک پر  
نہیں ہوتی تو ہمیں اس مدت میں تو سیر کی ضرورت ہے۔  
ہمیں 28 دن ناکافی ہیں۔ اور اس وجہ یہ ہے کہ اگر گاڑی  
حالیہ طور پر کے تحت ہو تو کہیں تقریباً 5 ہفتے لگا دینی ہے۔  
برائے مہربانی عرصہ مدت میں تو سیر کی جائے۔ سروس ایگوارڈ  
سے ہم اتفاق نہیں کرتے۔ بین ڈیلیٹرز وہ چیز چاہتے ہیں جو

## APPRECIATION REGARDING CONSULTATION

*I have full consent pertaining to 2 tests offer 8 years old etc. However I disagree with regards to service record as it is only provided by the main dealers, as it is obvious, costs awful lot of money. This is not affordable as it being too expensive.*

*With regards to vehicles replacement the allotted 28 days do not seem to be enough. The reason of this could be elaborated as finance companies minimum duration for the completion of such task is 8 weeks. Time limit should be granted serious consideration in this regard. I humbly request that my suggestions should be taken on board as these are quite logical.*

## **APPRECIATION REGARDING CONSULTATION**

*I have full consent pertaining to 2 tests offer 8 years old etc. However I disagree with regards to service record as it is only provided by the main dealers, as it is obvious, costs awful lot of money. This is not affordable as it being too expensive.*

*With regards to vehicles replacement the allotted 28 days do not seem to be enough. The reason of this could be elaborated as finance companies minimum duration for the completion of such task is 8 weeks. Time limit should be granted serious consideration in this regard. I humbly request that my suggestions should be taken on board as these are quite logical.*

## APPRECIATION REGARDING CONSULTATION

*I have full consent pertaining to 2 tests offer 8 years old etc. However I disagree with regards to service record as it is only provided by the main dealers, as it is obvious, costs awful lot of money. This is not affordable as it being too expensive.*

*With regards to vehicles replacement the allotted 28 days do not seem to be enough. The reason of this could be elaborated as finance companies minimum duration for the completion of such task is 8 weeks. Time limit should be granted serious consideration in this regard. I humbly request that my suggestions should be taken on board as these are quite logical.*

# APPRECIATION REGARDING CONSULTATION

I have had several meetings to discuss the project and the progress of the work. I appreciate the time and effort you have put into this project and the support you have provided. It is a pleasure to work with you and your team.

With regards to vehicle equipment, the cost of the equipment seems to be high. The reason of this could be that the equipment is not standard. It would be better if the equipment was standard. This would allow for easier maintenance and repair. I would like to see a list of the equipment and the cost of each item. I would also like to see a list of the standard equipment for the vehicle. ## **APPRECIATION REGARDING CONSULTATION**

*I have full consent pertaining to 2 tests offer 8 years old etc. However I disagree with regards to service record as it is only provided by the main dealers, as it is obvious, costs awful lot of money. This is not affordable as it being too expensive.*

*With regards to vehicles replacement the allotted 28 days do not seem to be enough. The reason of this could be elaborated as finance companies minimum duration for the completion of such task is 8 weeks. Time limit should be granted serious consideration in this regard. I humbly request that my suggestions should be taken on board as these are quite logical.*

I have full confidence regarding the 5 tests after 2 years with wife. However, I do agree with the need to review the test results as they are being reviewed by the medical staff. It is a good idea to have a lot of information. This is not a difficult task to do for the hospital.

With regard to the test placement, the other 28 tests do not seem to be enough. The trend of the test could be observed as follows: companies must maintain the completion of each test is 8 weeks. *I have full consent pertaining to 2 tests offer 8 years old etc. However I disagree with regards to service record as it is only provided by the main dealers, as it is obvious, costs awful lot of money. This is not affordable as it being too expensive.*

*With regards to vehicles replacement the allotted 28 days do not seem to be enough. The reason of this could be elaborated as finance companies minimum duration for the completion of such task is 8 weeks. Time limit should be granted serious consideration in this regard. I humbly request that my suggestions should be taken on board as these are quite logical.*

THANKS
