Planning Committee site visit dates

It has been the practice of the Committee to annually agree a programme of dates upon which Planning Committee site visits will be held, should such visits be agreed to be necessary at a meeting of the Committee. When the change to a four weekly cycle of meetings was implemented at the beginning of 2015 some new Planning Committee dates were scheduled (and others cancelled). This means that there are currently no approved site visit dates for the 28th April, 13th May and 26th May meetings that are now planned.

Although Council is yet to formally agree the calendar of meetings for 2015/16 the likely dates of the Development Management Planning Committee meetings are known. It is recommended that members should agree at the same time, as they did in April last year, to a programme of dates upon which the Planning Committee visits will be held during 2015-2016.
