# Understanding your business

In planning our audit we need to understand the challenges and opportunities the Council is facing. We set out a summary of our understanding below.

# Developments relevant to your business and the audit

In planning our audit we also consider the impact of key developments in the sector and take account of national audit requirements as set out in the Code of Audit Practice ('the code') and associated guidance.

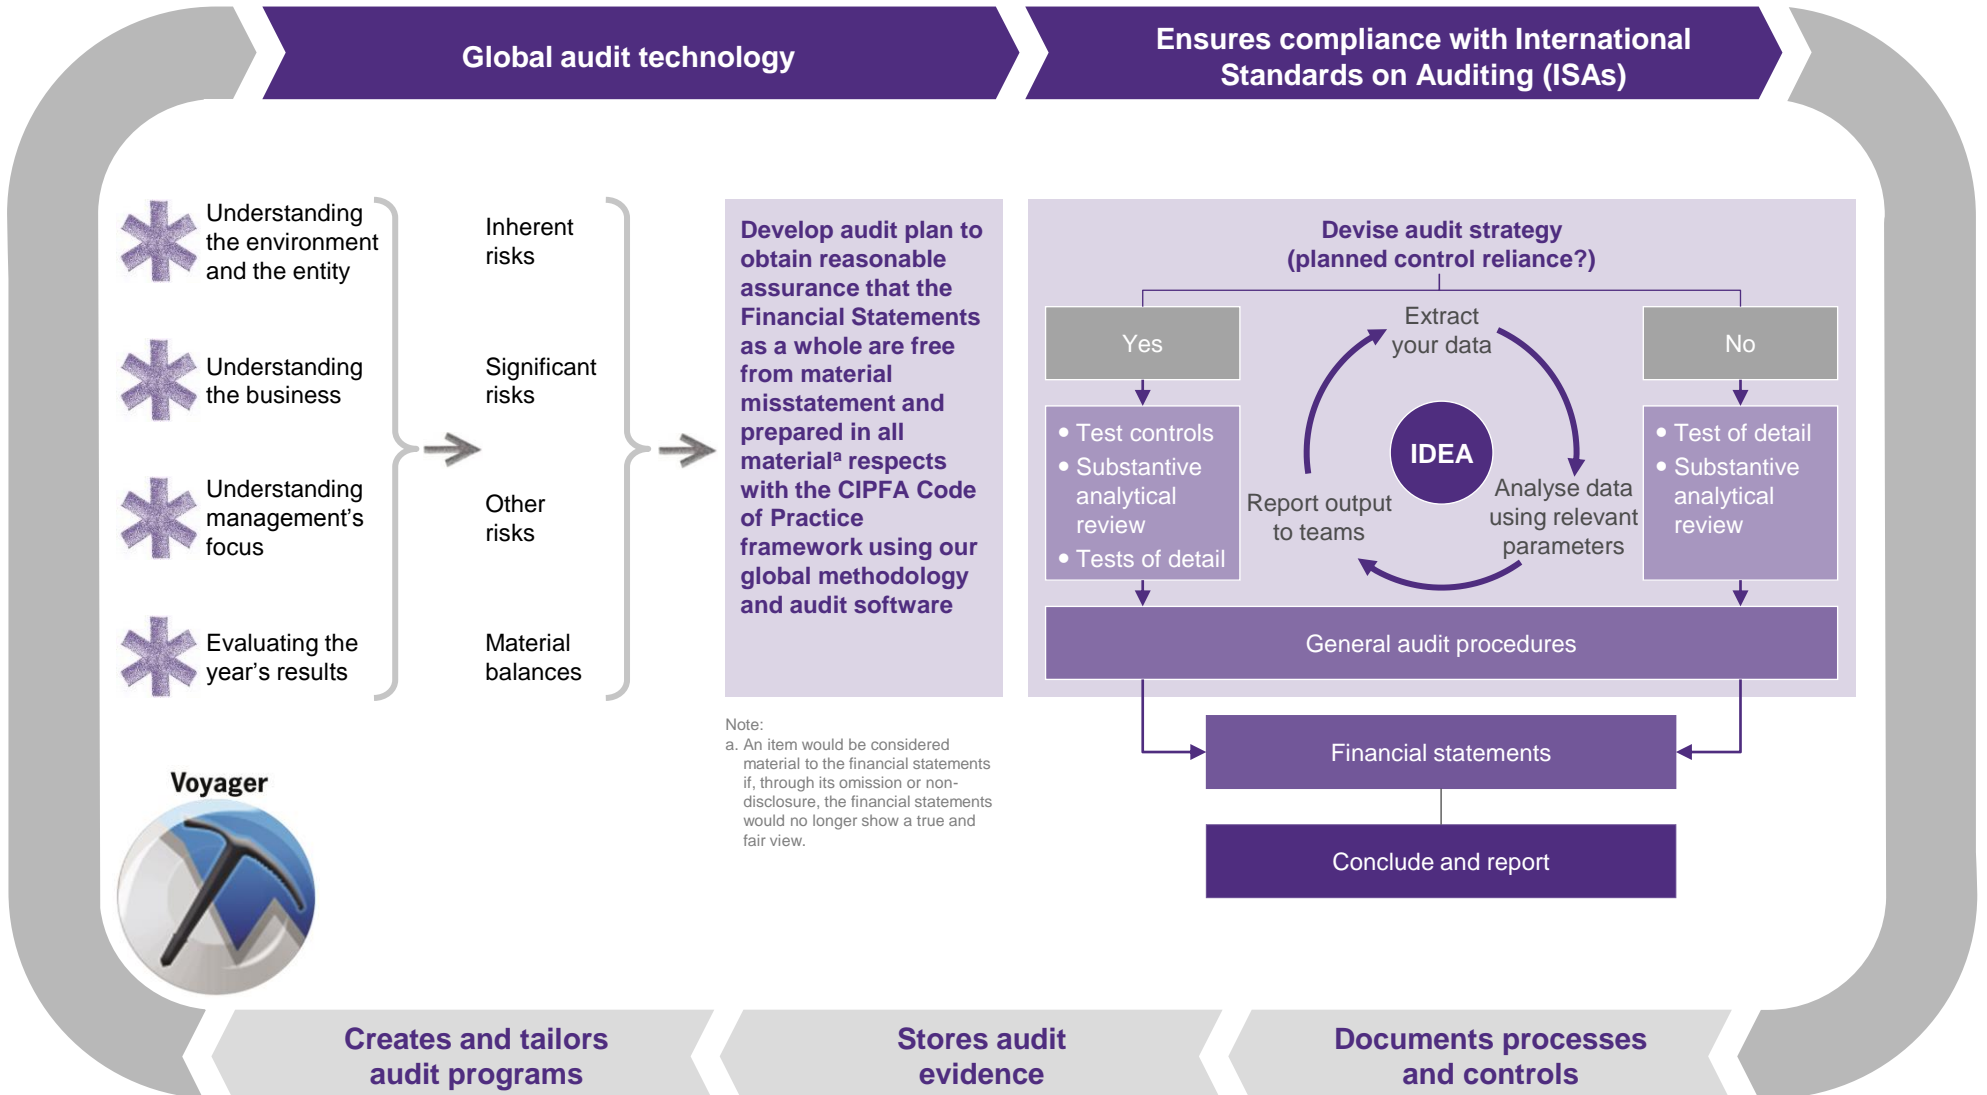

## Developments and other requirements

<p><b>1. Financial reporting</b></p> <ul style="list-style-type: none"> <li>• Changes to the CIPFA Code of Practice</li> <li>• Clarification of Code requirements around Property, Plant &amp; Equipment (PPE) valuations</li> <li>• Changes to NDR accounting and provisions for business rate appeals</li> </ul>	<p><b>2. # Our audit approach

# Significant risks identified

'Significant risks often relate to significant non-routine transactions and judgmental matters. Non-routine transactions are transactions that are unusual, either due to size or nature, and that therefore occur infrequently. Judgmental matters may include the development of accounting estimates for which there is significant measurement uncertainty' (ISA 315).

In this section we outline the significant risks of material misstatement which we have identified. There are two presumed significant risks which are applicable to all audits under auditing standards (International Standards on Auditing – ISAs) which are listed below:

Significant risk	Description	Substantive audit procedures
The revenue cycle includes fraudulent transactions	Under ISA 240 there is a presumed risk that revenue may be misstated due to the improper recognition of revenue.	<b>Work planned:</b> <ul style="list-style-type: none"><li>• Review and testing of revenue recognition policies and the controls in place around revenue recognition</li><li>• Testing of material revenue streams</li></ul>
Management over-ride of controls	Under ISA 240 there is a presumed risk that the risk of management over-ride of controls is present in all entities.	<b>Work planned:</b> <ul style="list-style-type: none"><li>• Review of accounting estimates, judgments and decisions made by management</li><li>• Testing of journal entries</li><li>• Review of unusual significant transactions</li></ul>

# Other risks identified

The auditor should evaluate the design and determine the implementation of the entity's controls, including relevant control activities, over those risks for which, in the auditor's judgment, it is not possible or practicable to reduce the risks of material misstatement at the assertion level to an acceptably low level with audit evidence obtained only from substantive procedures (ISA 315).

In this section we outline the other risks of material misstatement which we have identified as a result of our planning.

Other reasonably possible risks	Description	Work programme
Operating expenses	Creditors understated or not recorded in the correct period	<p>We will document the processes and controls in place around the accounting for operating expenses and carry out walkthrough tests to confirm the operation of controls</p> <p>We will carry out testing including:</p> <ul style="list-style-type: none"> <li>• The completeness of the subsidiary system interfaces and control account reconciliations</li> <li>• Review of monthly trend analysis of payments</li> <li>• Cut off testing of purchase orders and goods received notes (both before and after year end)</li> </ul> <p>Testing will also cover a sample of operating expenses covering the period 1/4/13 to 31/3/14 to ensure they have been accurately accounted for and in the correct period.</p>
Employee remuneration	Employee remuneration accrual understated	<p>We will document the processes and controls in place around the accounting for employee remuneration and carry out walkthrough tests to confirm the operations of controls.</p> <p>We will carry out testing including:</p> <ul style="list-style-type: none"> <li>• The completeness of the payroll reconciliation to ensure that information from the payroll system can be agreed to the ledger and financial statements</li> <li>• Sample of payments made in April and May to ensure payroll expenditure is recorded in the correct year.</li> <li>• Review of monthly trend analysis of total payroll.</li> </ul> <p>Testing will also cover a sample of employee remuneration payments covering the period 1/4/13 to 31/3/14 to ensure they have been accurately accounted for and in the correct period.</p>
Welfare Expenditure	Welfare benefit expenditure improperly computed	<p>We will document the processes and controls in place around the accounting for welfare benefits and carry out walkthrough tests to confirm the operation of controls.</p> <p>We will carry out testing in accordance with the methodology required to certify the housing benefit subsidy claim.</p>

# Value for money

## Value for money

The Code requires us to issue a conclusion on whether the Council has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. This is known as the Value for Money (VfM) conclusion.

Our VfM conclusion is based on the following criteria specified by the Audit Commission:

VfM criteria	Focus of the criteria
The organisation has proper arrangements in place for securing financial resilience	The organisation has robust systems and processes to manage financial risks and opportunities effectively, and to secure a stable financial position that enables it to continue to operate for the foreseeable future
The organisation has proper arrangements for challenging how it secures economy, efficiency and effectiveness	The organisation is prioritising its resources within tighter budgets, for example by achieving cost reductions and by improving efficiency and productivity

We will undertake a risk assessment to identify areas of risk to our VfM conclusion. We will undertake work in the following area to address the risks identified:

- Review the Council's financial resilience, as reflected in the medium term financial strategy and the savings factored into the annual budgets.

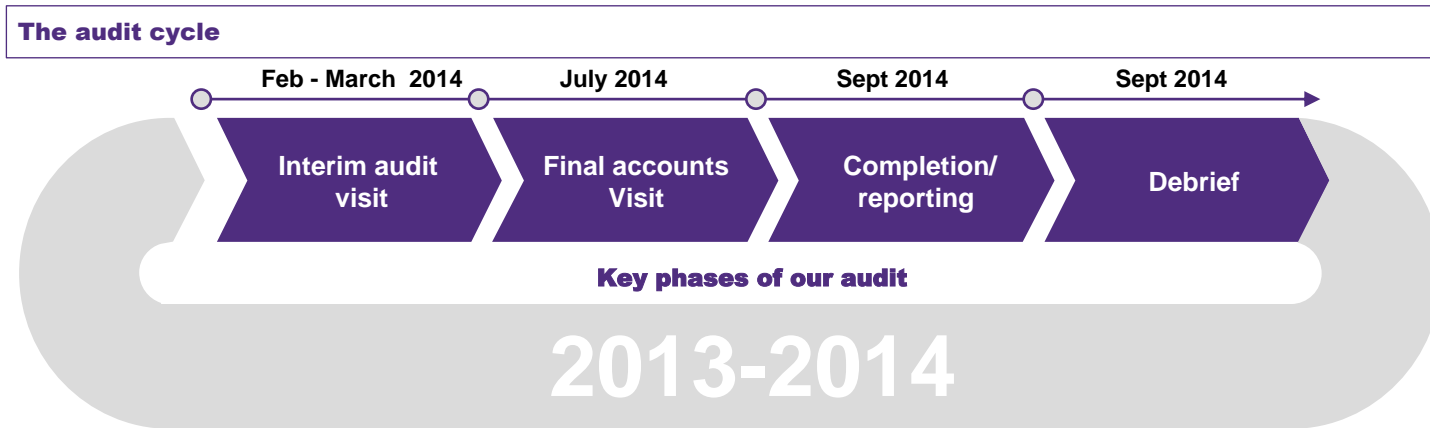

The results of our VfM audit work and the key messages arising will be reported in our Audit Findings report and in the Annual Audit Letter.

# Results of interim audit work

The findings of our interim audit work to date, and the impact of our findings on the accounts audit approach, are summarised in the table below. Where we have yet to complete work at the date of drafting this report, we will update the Audit and Risk Committee on any significant findings arising from completion of this work as soon as practicable.

	Work performed and findings	Conclusion
<b>Internal audit</b>	<p>We have reviewed internal audit's overall arrangements in accordance with auditing standards. Our work has not identified any issues which we wish to bring to your attention</p> <p>We also reviewed internal audit's work on the Council's key financial systems to date. We have not identified any significant weaknesses impacting on our responsibilities.</p>	<p>Overall, we have concluded that the internal audit service continues to provide an independent and satisfactory service to the Council and that internal audit work contributes to an effective internal control environment at the Council</p> <p>Our review of internal audit work has not identified any weaknesses which impact on our audit approach.</p>
<b>Walkthrough testing</b>	<p>We will complete walkthrough tests of controls operating in areas where we consider that there is a risk of material misstatement to the financial statements.</p> <p>Our work determines whether internal controls have been implemented in accordance with our documented understanding.</p>	<p>We will conclude whether our work has identified any weaknesses which impact on our audit approach.</p>
<b>Review of information technology controls</b>	<p>Our information systems specialist performs a high level review of the general IT control environment, as part of the overall review of the internal controls system. We also perform a follow up of the issues that were raised last year.</p>	<p>We will conclude whether our work identifies any material weaknesses which are likely to adversely impact on the Council's financial statements.</p>
<b>Journal entry controls</b>	<p>We will review the Council's journal entry policies and procedures as part of determining our journal entry testing strategy and have not identified any material weaknesses which are likely to adversely impact on the Council's control environment or financial statements.</p>	<p>The work will identify whether there are any material weaknesses which are likely to adversely impact on the Council's control environment or financial statements.</p>

## Independence and ethics

We confirm that there are no significant facts or matters that impact on our independence as auditors that we are required or wish to draw to your attention. We have complied with the Auditing Practices Board's Ethical Standards and therefore we confirm that we are independent and are able to express an objective opinion on the financial statements.

Full details of all fees charged for audit and non-audit services will be included in our Audit Findings report at the conclusion of the audit.

We confirm that we have implemented policies and procedures to meet the requirement of the Auditing Practices Board's Ethical Standards.

# Communication of audit matters with those charged with governance

International Standards on Auditing (ISA) 260, as well as other ISAs, prescribe matters which we are required to communicate with those charged with governance, and which we set out in the table opposite.

This document, The Audit Plan, outlines our audit strategy and plan to deliver the audit, while The Audit Findings will be issued prior to approval of the financial statements and will present key issues and other matters arising from the audit, together with an explanation as to how these have been resolved.

We will communicate any adverse or unexpected findings affecting the audit on a timely basis, either informally or via a report to the Council.

## Respective responsibilities

This plan has been prepared in the context of the Statement of Responsibilities of Auditors and Audited Bodies issued by the Audit Commission ([www.audit-commission.gov.uk](http://www.audit-commission.gov.uk)).

We have been appointed as the Council's independent external auditors by the Audit Commission, the body responsible for appointing external auditors to local public bodies in England. As external auditors, we have a broad remit covering finance and governance matters.

Our annual work programme is set in accordance with the Code of Audit Practice ('the Code') issued by the Audit Commission and includes nationally prescribed and locally determined work. Our work considers the Council's key risks when reaching our conclusions under the Code.

It is the responsibility of the Council to ensure that proper arrangements are in place for the conduct of its business, and that public money is safeguarded and properly accounted for. We have considered how the Council is fulfilling these responsibilities.
