safe and reassured

Cumulative Impact Review

To support a special policy within Local Authority licensing policy known as Saturation Zone

Effect is that the Policy creates a rebuttable presumption that applications for new premises licenses or variations will be refused unless:

(DCMS Guidance for sec 182 licensing June 2007, 13.29)

UNCLASSIFIED

Aims of tonight's presentation –

- Seek ongoing support of the inclusion of a Special Area of Policy within the Licensing Statement (Cumulative Impact)
- Provide evidence and support to enable a decision to be made around this matter
