

ADVANCE SUPPLEMENTARY REPORT
TO THE PLANNING COMMITTEE
26th August 2014

Agenda item 5

Application ref: 14/00566/TDET

The Square, Pilkington Avenue, Westlands

Since the preparation of the agenda report the comments of the **Highways Authority** have been received raising no objections to the application.

The **Environmental Protection Division** note that a declaration of conformity to the 'ICNIRP' guidelines has been submitted and is acceptable.

No comments have been received from **Landscape Development Section** by the due date so it can now be assumed that they have no observations to make upon the application.

The recommendation therefore remains as set out in the agenda report.
