		located on the rear of the property.
15/00075/ADV	75 High Street, Newcastle	The Working Party considers the proposed horizontal strip sign is unsympathetic to the architectural features of the Listed Building and its vertical emphasis. Individual letters as existing would be more acceptable.

15/00079/OUT	Land adj to Ravenshall Farm, Main Road, Betley	The Working Party feels that the proposed building is should be 2 storey (but not too large) as the existing vernacular with a ridge parallel to the road. The curved entrance should be retained and parking ideally located to the rear of the property.
