Dear Sirs,

Re. Proposed opening hours of the Seabridge House,

We wish to object most strongly to the above, living opposite this building, we have people and cars revving up and shouting until 11-30 to 12-00 midnight, to have them start again at 7.00 a.m. is too much to expect people who live opposite this building to accept.

There does not appear to have any consideration for the residents.

Yours faithfully,

Kathlyn Ray Kathlyn Ray
