Reference	Location and Applicant	Development	Working Party Comments	Planning Decision
15/00038/FUL	4 Ironmarket, Newcastle	Installation of air-con unit and retention of satellite dish.	The WP finds the location of the are-con unit acceptable with the addition of a condition which specifies that when the equipment is no longer required it is removed as soon as practicable. The WP strongly objects to the retention of the satellite dish as obtrusive and harmful to the character of the Conservation as it could be located on the rear of the property. 15/00102/FUL	Kingsley, Brampton Road, Newcastle	Construction of a new pathway	Some concerns over the entrance and the WP would like to retain a narrower hedge and have the path behind the hedge, which would soften the edge of the site and improve safety further.
