

Comments Received from Community Safety in relation to the Licensing Policy Consultation.

- On the contents on pg 1 and at pg 9 – 10 and in Appendix A it refers to the ‘protection of children from harm’ whereas we’d say safeguarding – this may be the term used in the legislation though?
- At the bottom of Pg 12 it mentions the Newcastle Safer Communities Partnership – which technically doesn’t exist anymore – it should just be the Newcastle Partnership.
- On pg 24 it refers to CRB disclosure forms but they are now called DBS certificates.
- On pg 27, 48 and 68 it says the Challenge 21 scheme but I think this is now the Challenge 25 scheme – Trevor am I right?
- On pg 28 it refers to the Director of Children and Lifelong Learning, this has definitely changed to Director for People
