

ADVANCE SUPPLEMENTARY REPORT
TO THE PLANNING COMMITTEE
26th April 2016

Agenda item 7 NulBC ref 348/234 and Cheshire East ref 16/1352C

Land at Cedar Avenue, Alsager

Members will have noted the suggestion in the report that Cheshire East be informed that insofar as applications in and adjoining Alsager are concerned the Borough Council has no wish at present to be consulted on applications for less than 200 dwellings unless such developments form part of a larger area or are within the North Staffordshire/ South Cheshire Green Belt.

For the avoidance of any doubt it is recommended that the Committee formally so resolve, in addition to resolving that Cheshire East be advised that that the Borough Council has no objections to this specific application
