Parking Restriction – Church Street, Silverdale

Following requests made by a resident and district councillor, Staffordshire County Council wrote to the residents asking if they would be in support of the removal of some of the parking restrictions in Church Street. The attached plan shows the changes.

We sent out 66 letters and had a 48% response, 32% were in favour of the changes and 17% were not.

A lot of the comments we received mentioned removing the lines in their entirety, 'because there are no lines anywhere else along this section of road'. However we do not feel that it is appropriate to remove them all and create a problem with congestion which occurs in many other places along this stretch of road.

Your consideration of these proposals is requested and I would be grateful if you would sign and return the attached slip to demonstrate your support or objection.

I thank you in anticipation of your co-operation in this matter.

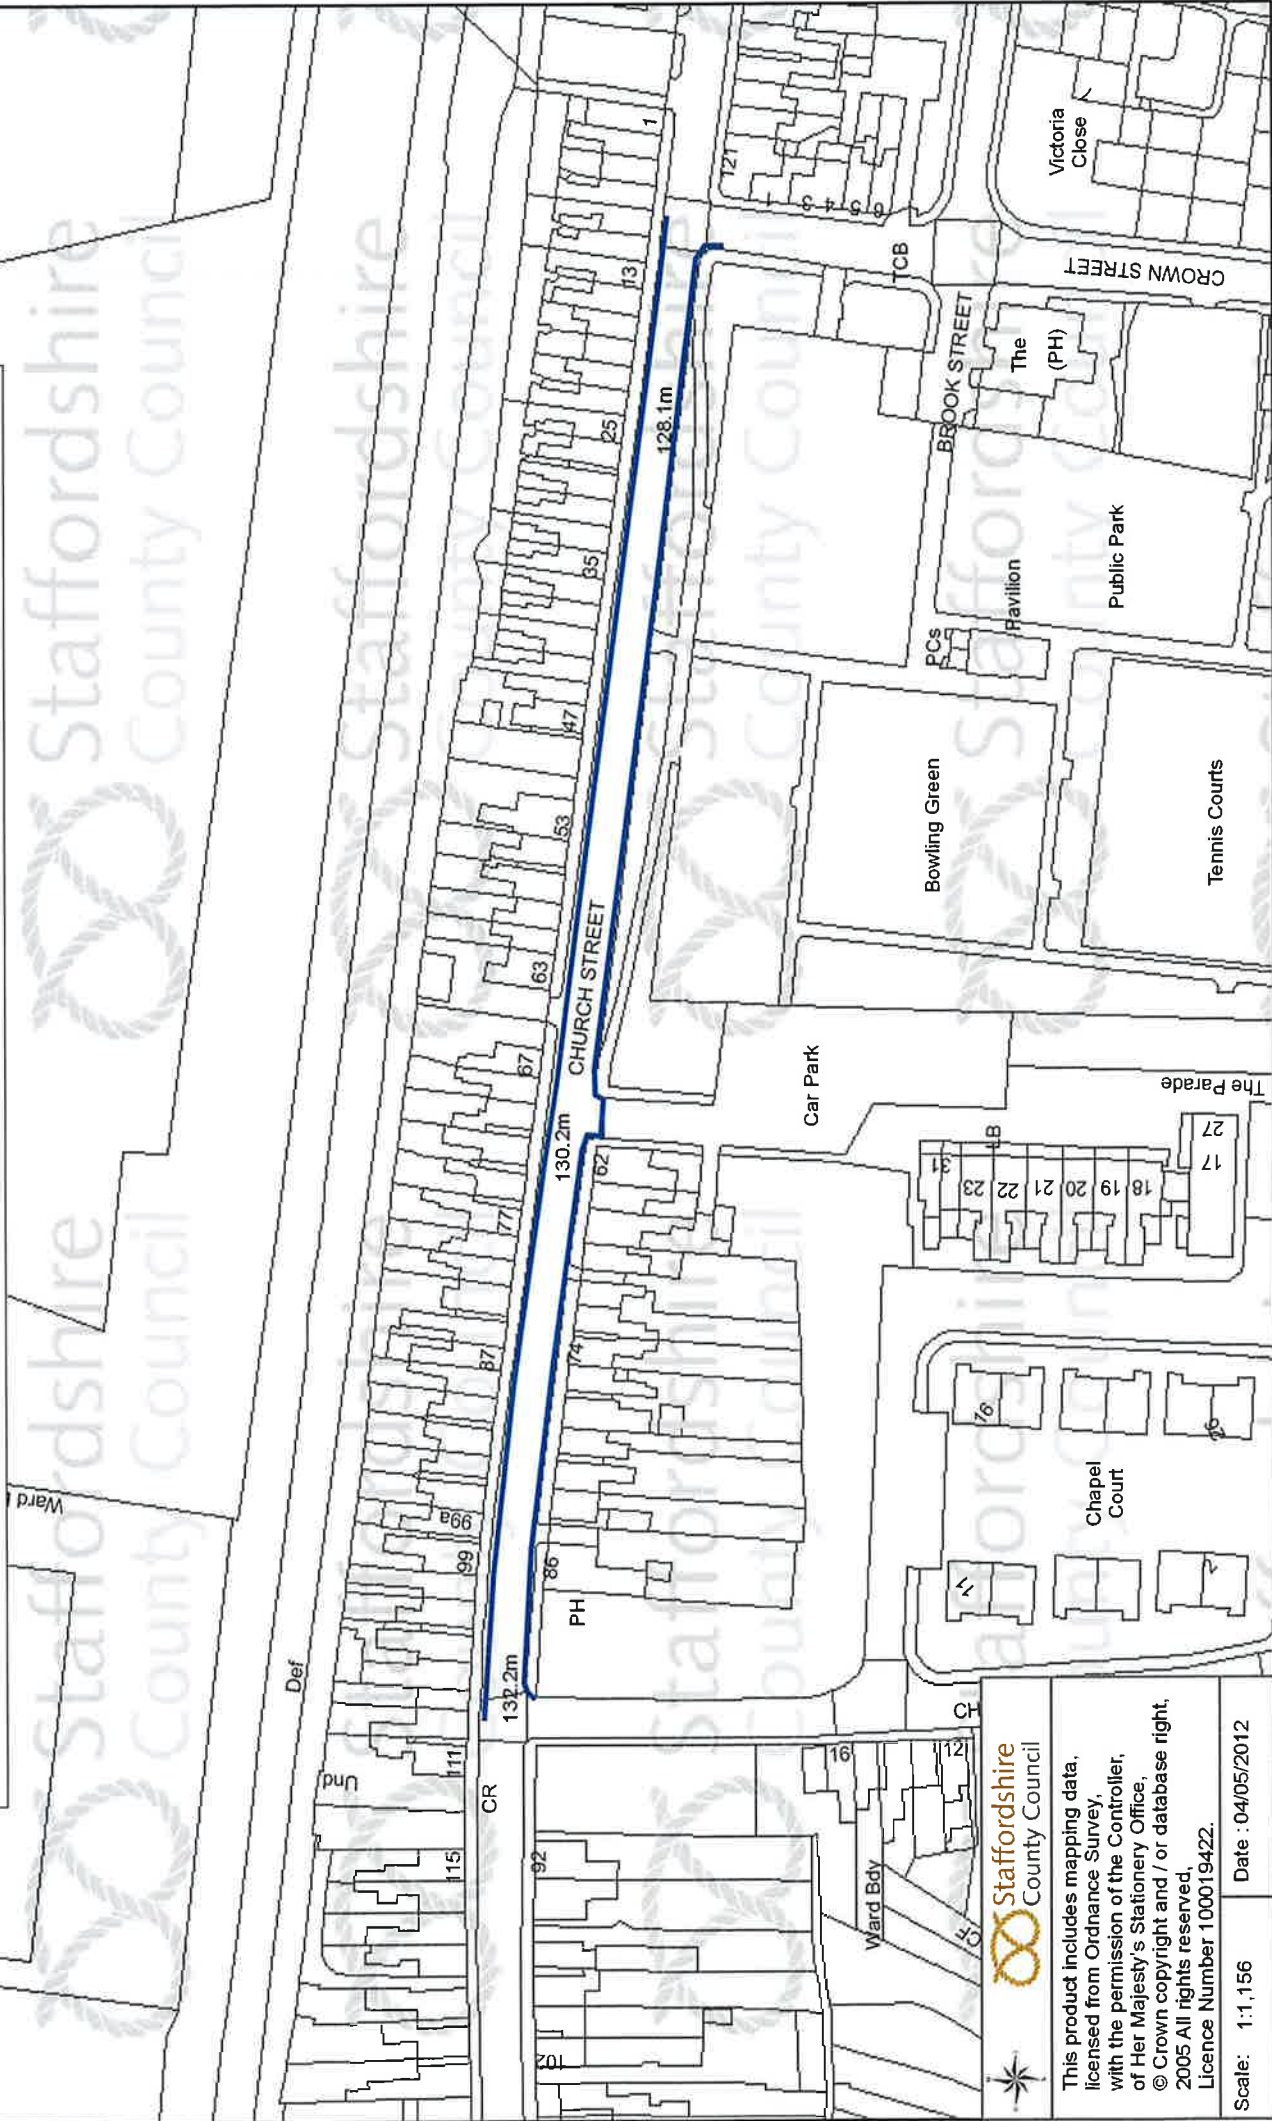

Yours sincerely
