Dear Mr Williams

Parking Restriction – Stubbs Gate

Following requests received the above was placed on the Joint Parking Committee request log and has subsequently been prioritised to be looked at this financial year.

The junction of Stubbs Gate and Brook Lane regularly has vehicles parked too close to the junction therefore creating problems with visibility and congestion when vehicles are trying to leave Stubbs Gate.

There is also a problem with vehicles obstructing accesses on both sides of the road in between Brook Lane and Refinery Street.

Your consideration of these proposals is requested and I should be grateful if you would sign and return the attached slip to demonstrate your support at your earliest convenience.

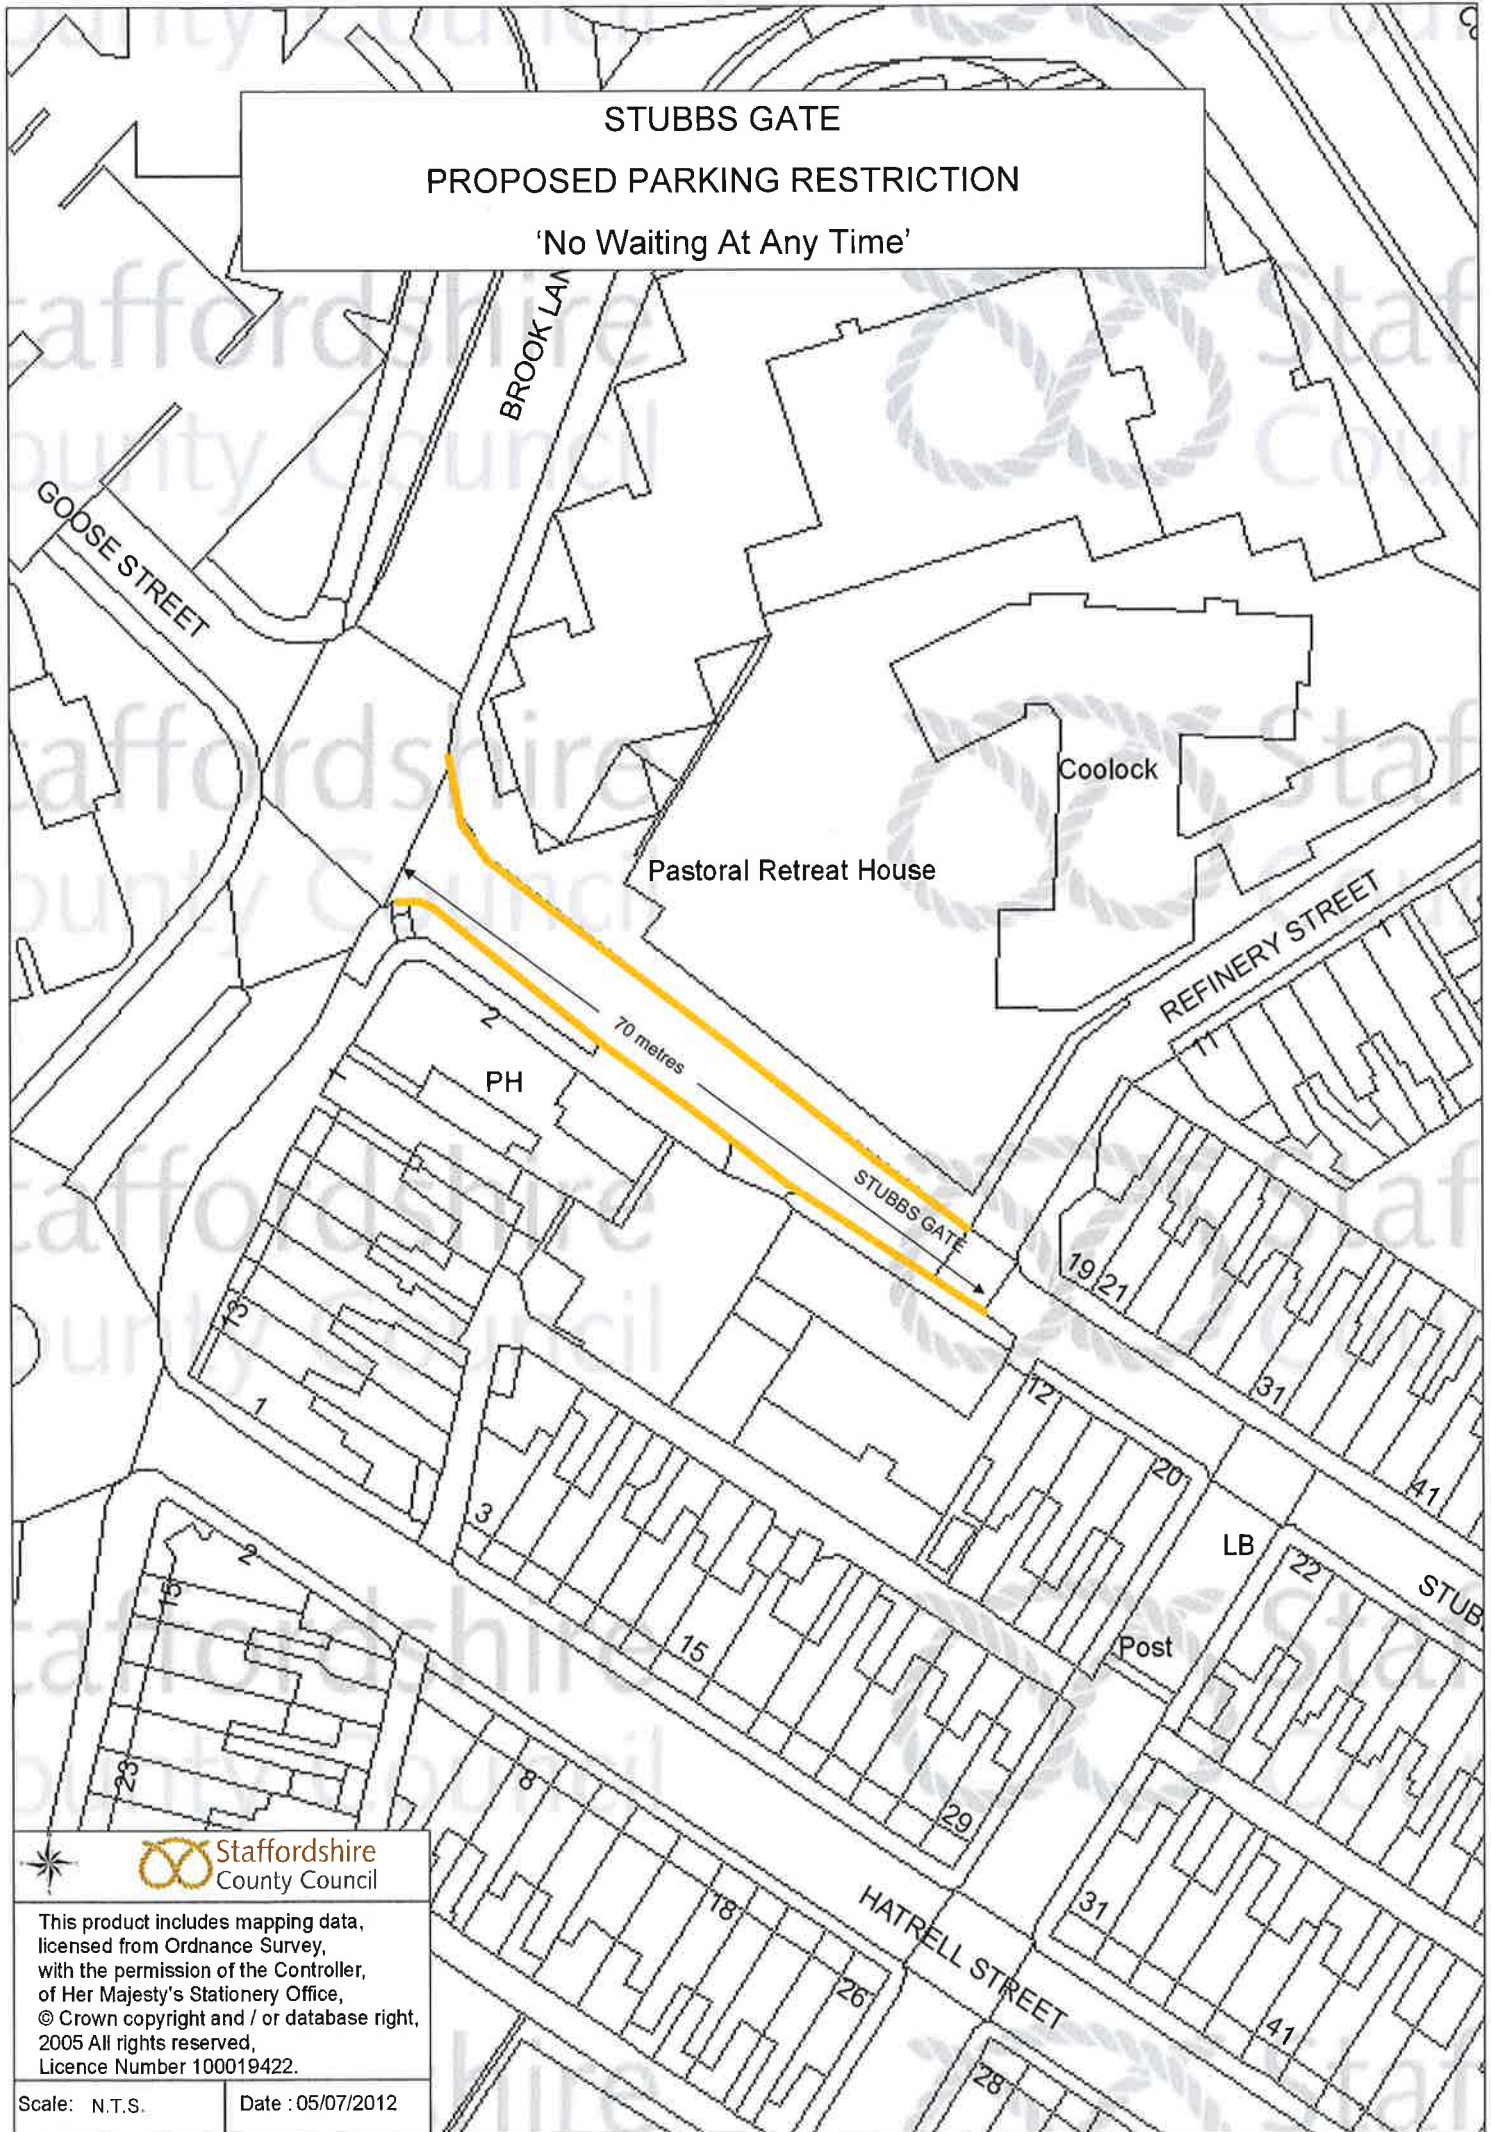

I thank you in anticipation of your co-operation in this matter.

Yours sincerely

Angela Nutter
Community Traffic Management Officer
