**MEMBERS SUGGESTIONS FOR SCRUTINY TOPICS**

| <b>Suggested by:</b> | <b>Suggestion for Scrutiny Topic:</b>   |
|----------------------|---|
| Cllr Cairns          | Following the success of the Olympic Games, should the committee consider sports development & community recreation within the Borough? What is NBC doing to support local groups? How can NBC get involved or how is NBC involved with the community and what are funding options? Yorkshire had phenomenal success at the Olympics, how does Staffordshire compare with this? |
