326. \* **APPLICATION FOR A VARIATION TO A PREMISES LICENCE - CROSS  
HEATH NEWS, 121 LIVERPOOL ROAD, NEWCASTLE**

### Issues

Representations had been received from interested parties.

Having taken into account the Licensing Act 2003 and the guidance issued under Section 182 of the Act, the Council's statement of Licensing Policy and also representations received from interested parties the Committee decided to grant the variation.

It was noted that there was a lack of evidence provided by the petition from interested parties and that in the view of the Committee the remaining representation from an interested party was inadmissible due to the fact that it was subjective and did not specifically relate to the premises, nor was the interested party deemed to reside in the vicinity of the premises.

**Resolved:-** That the variation be granted from 06.00 until 00.00.
