## NEWCASTLE-UNDER-LYME BOROUGH COUNCIL

### EXECUTIVE MANAGEMENT TEAM'S REPORT TO

Council  
18 May 2022

**Report Title:** Appointment to Committees

**Submitted by:** Chief Executive

**Portfolios:** One Council, People and Partnerships

**Ward(s) affected:** All

#### Purpose of the Report

To appoint Members to committees, elect chairs and vice-chairs and note appointments to Political Group Leader and Deputy Leadership positions.

#### Recommendation

That:

- (a) Council makes the committee appointments set out in the Appendix to this report and notes the appointed Group Leader/Deputy Leadership positions.
- (b) The Head of Legal and Governance/Monitoring Officer be granted delegated authority to make the arrangements for 2 non-voting co-opted members to be appointed onto the Health, Wellbeing and Environment Scrutiny Committee in accordance with the provisions of the constitution.

#### Reasons

In accordance with the requirements of the Constitution, and to enable council business to be conducted through committees (Sections 101 & 102 of the Local Government Act 1972; Section 6 of the Licensing Act 2003) and to comply with the requirements in respect of Scrutiny (Part 1A of the Local Government Act 2000).

## 1. Background

### *Committee Appointments*

- 1.1 The Local Government and Housing Act 1989 ("the 1989 Act") imposes political proportionality requirements in respect of the appointment of committees (other than the Executive). Specific provision is made in Section 15 of the Act as to how proportionality requirements should be prioritised as between the number of seats available on each committee and the number of available committee seats overall.
- 1.2 To meet these requirements, minor adjustments often need to be made where, for instance, a strict calculation results in an entitlement to less than one whole seat on any given committee.
- 1.3 These calculations were last refreshed in the run up to this Annual Council to reflect changes resulting from the Borough Elections held on 5 May, 2022.

- 1.4 It now falls to Council to appoint members from the relevant political groups to the seats allocated to those groups. Council will then need to elect a chair and vice-chair for each committee. Nominations made by the groups will be set out in an appendix to be tabled at the meeting.
- 1.5 Government advice on Scrutiny Committees suggests that local authorities might consider it appropriate to have all or some of these committees chaired by members outside the majority group.
- 1.6 The constitution states that there shall be 2 non-voting co-opted members on the Health, Wellbeing and Environment Scrutiny Committee as set out below:

“In addition, there shall also be 2 non-voting co-opted members, representing the young people of the Borough drawn from the Student’s Union at Keele University and the Student Representative Body at Newcastle College. Both establishments are to be invited to nominate a co-opted member at each Annual Council.”

It is recommended that the Head of Legal and Governance/Monitoring Officer be granted delegated authority to make these arrangements.

#### *Group Leadership/Deputy Leadership*

- 1.7 For completeness, Political Group Leader and Deputy Leaderships are also reported to Annual Council. These will also be set out the appendix to this report tabled at the meeting.

## 2. **Issues**

- 2.1 Set out above.

## 3. **Proposal**

- 3.1 That Council makes the committee appointments set out in the Appendix to this report and notes the appointed Group Leader/Deputy Leadership positions.

## 4. **Reasons for Proposed Solution**

- 4.1 To comply with the legislative requirements and Council’s Constitution.

## 5. **Options Considered**

- 5.1 Not applicable.

## 6. **Legal and Statutory Implications**

- 6.1 Dealt with in the body of the report

## 7. **Equality Impact Assessment**

- 7.1 Not applicable.

## 8. **Financial and Resource Implications**

- 8.1 There are no significant direct financial or resource implications arising from the proposals. There is no change to the number of chairmanships or vice-chairmanships so no impact on members' allowances.

9. **Major Risks**

- 9.1 It is essential that the council's decision making structures and processes are robust and established in line with the relevant legislation and principles of good governance, to minimise the risk of legal challenge. The proposed approach seeks to ensure those aims are met.
- 9.2 The appointment of scrutiny committees enables the Council to achieve enhanced accountability and transparency of decision making process. Scrutiny is a key element of the Council's executive arrangements and is the main way by which executive decision-makers are held to public account for the discharge of the functions for which they are responsible.
- 9.3 The scrutiny process is a key mechanism for enabling councillors to represent the views of their constituents and other organisations to the cabinet and to the Council and, by examining the operation and impact of the Council's policies, is a useful means of improving the development and delivery of services. Lack of an effective scrutiny function could lead to a lack of democratic accountability for the Council.

10. **UN Sustainable Development Goals (UNSDG)**

- 10.1 Not applicable.

11. **Key Decision Information**

- 11.1 This is not a Key Decision.

12. **Earlier Cabinet/Committee Resolutions**

- 12.1 Not Applicable.

13. **List of Appendices**

- 13.1 Nominations.

14. **Background Papers**

- 14.1 Not Applicable.

## NEWCASTLE-UNDER-LYME BOROUGH COUNCIL

### EXECUTIVE MANAGEMENT TEAM'S REPORT TO

Council  
18 May 2022

**Report Title:** Confirmation of the Constitution

**Submitted by:** Chief Executive

**Portfolios:** One Council, People and Partnerships

**Ward(s) affected:** ALL

#### Purpose of the Report

To ask council to adopt the constitution.

#### Recommendation

**That Council**

- (1) adopts the Constitution; and,
- (2) delegates to the Monitoring Officer, in consultation with the Portfolio Holder, authority to amend the constitution as necessary following annual council to attend to matters of layout, formatting, typographical errors and clarity in advance of publication.

#### Reasons

To ensure the council has an up to date constitution that is fit for purpose.

#### 1. Background

- 1.1 Council, on 5 May 2018, identified a need to undertake a comprehensive review of the constitution. This work commenced but then slowed due to the impact of the Covid 19 pandemic. At Council, on 17 November 2021, a resolution was passed to reconvene the Constitution and Member Support Working Group on a revised basis to oversee the completion of the review.
- 1.2 The new constitution has been designed to be clear, modern, accessible and user friendly. This has been achieved by using a plain English drafting style, but also by grouping provisions that relate to the Council and its Committees, Cabinet, Scrutiny and Officers into discreet parts, each part dedicated to one of those "arms" of the council.
- 1.3 In addition, the Constitution has been designed to be resilient so that any necessary future changes or updates will be minimal and easy to implement. This has been achieved predominantly by moving away from long, detailed lists of functions or responsibilities. Instead, a more descriptive or generic approach is taken. In addition, materials that do not need to be in the constitution have been removed and are signposted to instead.
- 1.4 The Working Group has met on several occasions since 2018 and has undertaken a thorough review of the draft document which is now submitted for approval. Notwithstanding,

it should be recognised that the Constitution is a “living document” and as such will need to change and adapt to reflect changes in the way the council works. The new constitution (like the current one) provides a power to the monitoring officer to make such changes. In addition, a specific delegation is sought in this report to the Monitoring Officer to resolve any editorial issues that are identified following annual council and prior to first publication of the new constitution. For instance, there is still a significant amount of formatting needed to the materials in Part F, which is currently underway but which officers were not able to complete before annual Council.

- 1.5 Any future substantive changes to the constitution will be taken to Council in the usual way, and this likely to include some areas that were identified during the review where improvements can be made, but where further discussion is required.

2. **Issues**

- 2.1 As set out above.

3. **Proposal**

- 3.1 That council adopts the updated constitution with effect from 18 May 2022, with delegated authority for the Monitoring Officer to make editorial amendments as set out above.

4. **Reasons for Proposed Solution**

- 4.1 To ensure the council has an up to date constitution.

5. **Options Considered**

- 5.1 To keep the current constitution, but make incremental changes to improve clarity and update it. This option would mean the council would have a document that was less user friendly and not entirely fit for purpose. The existing constitution is, in parts, unclear and out of date. It would also not realise the benefits of having a constitution in the new format suggested, which adopts a plain English drafting style and which is more resilient to future change.

6. **Legal and Statutory Implications**

- 6.1 Councils are required to have a constitution which sets out things such as its delegations to committees, cabinet functions, council functions and rules of debate. There is no prescribed format.

7. **Equality Impact Assessment**

- 7.1 An updated, accessible and user-friendly constitution would encourage better citizen understanding of and engagement in democratic functions, better serving those less able to navigate its current format and content.

8. **Financial and Resource Implications**

- 8.1 None directly arising, although a clearer, more user-friendly constitution will result in efficiency improvements across council functions.

## 9. **Major Risks**

9.1 One risk is that the constitution does not contain everything required by law. This has been addressed by a careful review of its content. A far greater risk is that a constitution contains too much material and/or is unclear or contradictory. This can lead to a lack of engagement with it or understanding of what it requires, in terms of decision making, which in-turn creates a greater risk of governance failures and inefficiencies.

## 10. **UN Sustainable Development Goals (UNSDG)**

10.1 As an enabling document which facilitates the efficient delivery of all council functions, a resilient, user-friendly and up to date constitution indirectly supports the attainment of all UNSDGs

## 11. **Key Decision Information**

11.1 This is not a key decision.

## 12. **Earlier Cabinet/Committee Resolutions**

12.1 There have been various Council decisions to adopt incremental changes to the constitution all of which are available via modern.gov from the Council's website.
