FIELD_TITLE

Officers will be in attendance prior to the meeting for informal discussions on agenda items.

CLEANER GREENER AND SAFER COMMUNITIES SCRUTINY COMMITTEE

Thursday, 30th June, 2016
Time of Commencement: MeetingActualStartTime

Present:- Councillor Wenslie Naylon – in the Chair

Councillors Burgess, Dillon, P Hailstones, Holland,

Olszewski and Panter

Officers Jayne Briscoe

1. DECLARATIONS OF INTEREST

There were no declarations of interest stated.

2. MINUTES OF THE PREVIOUS MEETING

Resolved: That the minutes of the meeting held on 23 November, 2015

be agreed as a correct record.

3. REVIEW OF ZERO TOLERANCE ENFORCEMENT

The Senior Partnerships Officer presented this item. The area of responsibility of the role within the Borough was explained and a conversation and feedback concerning the interventions around Newcastle Town Centre was welcomed.

Continuing, The Senior Partnerships Officer gave a comprehensive report of a recent week of action including arrests and fines notices together with support carried out via a pilot multi-agency approach within the Town Centre. The main concerns which were raised in a number of partnership forums were:-

"Chuggers"
Rough Sleepers
Littering
Intimidating behaviour by drinkers

A copy of the full report will be sent to all members of the Committee.

Members of the Scrutiny Committee questioned the Senior Partnerships Officer on the areas coverage of CCTV. They asked if there was a need for coverage in all of the Borough subways.

Members wanted to know how the national policies regarding excessive charity selling could be used to help with this issue and how a bye law might be introduced to help prevent a reoccurrence.

The approach as outlined by the Senior Partnerships Officer with its stress on positive intervention as a priority but with the application of penalties where

appropriate was welcomed by businesses in the Town and would help to build confidence with members of the public.

The Partnership approach had been very successful with people had engaged with the services offered, with for example, no people sleeping rough at the end of the week. In this respect members raised the possibility of pulling an influx into the town.

Recommended:

- (i) That an officer from the body which oversees street charity activity be asked to attend a future meeting of the Scrutiny Committee to advise on policy and possible byelaws to be adopted by this authority
- (ii) That the appropriate agencies be pursued for the provision of a comprehensive CCTV coverage in all subways.
- (iii) That the initiative be continued for the next 3 months at monthly intervals with a further end review and that the Senior Partnerships Officer be afforded the resources to do this.

4. WORK PLAN

With regard to the work plan and the items suggested:-

The Chair reported that the Leader of the Council had asked this Scrutiny Committee to consider the issue of who is responsible for the **maintenance of subways** in the town centre. This was also linked to the previous item on the agenda in terms of antisocial behaviour. The Chair proposed a condition survey from members of the committee. Photographs, voice file and notes collected at each of our town subways to be collected and presented to the relevant officers and portfolio holder for initial response. The starting point for the survey was the cleanliness, appearance and quality of experience of users of them. Specific dates would be identified for a team to meet at the Civic Offices, working in pairs and taking council iPad for photos.

A review of the **Greenspace Strategy** would be held in abeyance until the report which had been commissioned was completed. Following consideration by officers members would be consulted.

The **Green Deal** was no longer available and so members considered that there was little point in assessing the delivery within the Warm Zone project.

Decriminalised Car Parking – although there were a number of questions and answers on the last minutes members still had areas of concern. It was agreed that members would be asked to email any questions to Jayne Briscoe, as the Scrutiny Officer within the next month. Following this the Chair would collate these and meet with the Engineering Manager prior to the next meeting and report back to members.

The issue of flytipping was raised particularly with regard to where the responsibilities of the Borough Council/Staffordshire County Council and the landowner rested. The Chair agreed to begin with investigations with officers in the first instance. The results of these initial inquiries would be emailed to members. If necessary a representative from Staffordshire County Council might be asked to attend a future meeting of the Scrutiny Committee to help clarify the issues.

5. PUBLIC QUESTION TIME

Cleaner Greener and Safer Communities Scrutiny Committee - 30/06/16

There were no members of the public present at the meeting.

6. **UGENT BUSINESS**

There was no Urgent Business.

COUNCILLOR WENSLIE NAYLON Chair

Meeting concluded at Time Not Specified
