

# Health, Wellbeing & Partnerships Scrutiny Committee

**Date** Monday, 4th March, 2019  
**Time** 6.30 pm  
**Venue** Astley Room - Castle House  
**Contact** Jayne Briscoe 742250

Civic Offices  
Merrial Street  
Newcastle-under-Lyme  
Staffordshire  
ST5 2AG

*Please note start time of meeting*

## AGENDA

### PART 1- OPEN AGENDA

- 1 APOLOGIES
- 2 DECLARATIONS OF INTEREST
- 3 MINUTES OF LAST MEETING - 3 DECEMBER 2018  
To consider the minutes of the last meeting of the Committee held on
- 4 HEALTHY STAFFORDSHIRE SELECT COMMITTEE - 4 FEBRUARY (FOR INFORMATION) (Pages 3 - 4)  
To receive feedback from members of this committee who attended the meetings of the Healthy Staffordshire Select Committee
- 5 PRESENTATION - MONKEY DUST
- 6 CONSULTATION ON FUTURE OF LOCAL HEALTH SERVICES
- 7 FEEDBACK FROM THE ACTIVE LIVES SURVEY (Pages 5 - 6)
- 8 WORK PROGRAMME (Pages 7 - 10)
- 9 PUBLIC QUESTION TIME  
Any member of the public wishing to submit a question must serve two clear days' notice, in writing, of any such question to the Borough Council.
- 10 URGENT BUSINESS
- 11 DATE OF NEXT MEETING - 19 June 2019

### SUBSTITUTE MEMBER SCHEME (Appendix 9, Section 4 of Constitution)

The Constitution provides for the appointment of Substitute members to attend Committees. The named Substitutes for this meeting are listed below:-

- J Cooper
- Mrs J Cooper
- D Harrison
- A Lawley
- S. Moffatt
- Mrs A Rout

- **Miss J Walklate**

*If you are unable to attend this meeting and wish to appoint a Substitute to attend in your place you need go:*

- Identify a Substitute member from the list above who is able to attend on your behalf
- Notify the Chairman of the Committee (at least 24 hours before the meeting is due to take place) NB Only 2 Substitutes per political group are allowed for each meeting and your Chairman will advise you on whether that number has been reached

**Healthy Staffordshire Select Committee – 4 February 2019  
District/Borough Digest**

Under the Health Scrutiny Code of Joint Working with District and Borough Councils, Authorities have undertaken to keep relevant Partners informed of their consideration of health matters having regard to the general working principle of co-operation and the need to ensure a co-ordinated Staffordshire approach. Therefore, the following is a summary of the business transacted at the meeting of the Healthy Staffordshire Select Committee held on 4 February 2019 - link to Agenda and reports pack:

<http://moderngov.staffordshire.gov.uk/ieListDocuments.aspx?CId=871&MId=8818>

<b>Agenda Item</b>	<b>District(s)/Borough(s)</b>
<p><b>Discharge to Assess</b></p> <p>‘Discharge to Assess’ was one of the models of care designed to get people out of hospital and cared for in their own homes or in their local communities. The following was explained:</p> <ul style="list-style-type: none"> <li>• The model had been working in the North of the County for approximately 12 months and had seen reductions of delayed discharges of 50 %. This model of care now needed to be rolled out to the rest of the County. Critical to the rolling out was the development of the track and triage service and the CCG’s have to commission an additional 4200 hours per week of reablement Home First services.</li> <li>• The targets for the South of the County and how they were monitored was raised - there were targets set through the commissioning process e.g. a specific number of beds available in the South. It was then for the providers to supply these and have the support services such as staff to run them. Assurance was given that targets and contracts were closely monitored.</li> <li>• The Disabled Facilities Grants and how these were being coordinated was discussed – this was a priority for the partnerships.</li> <li>• The cost implications for the Discharge to Assess model were requested.</li> <li>• Several questions were asked on the recruitment and retention of care workers.</li> <li>• The quality of care homes was questioned - the procurement and letting of contracts would involve long term monitoring and quality assurance.</li> </ul> <p>The following information was requested:</p> <ol style="list-style-type: none"> <li>a) The cost implications for the Discharge to Assess.</li> <li>b) The numbers and ratios of delayed discharges in the South of the County for both planned and emergency operations.</li> </ol>	<p>All Districts and Boroughs</p>
<p><b>University Hospitals of Derby and Burton - update</b></p> <p>The Director of Governance and Communications and the Divisional Manager of University Hospitals of Derby and Burton (UHDB) gave a presentation to the Committee on the recent merger of the two hospitals and the progress</p>	<p>All Districts and Boroughs</p>

being made towards integrating services to benefit patients. The presentation also covered information on the cancer performance targets which the Committee had requested at the Accountability session in July 2019.

The following issues were discussed:

- GP choice when referring patients to hospitals and speed at which information was transferred between Community Hospitals and Acute hospitals.
- Transport between Burton and Derby Hospitals and Car parking.
- Cancer service and screening for cancers such as prostate cancer and how this was a challenge to get people to take up screening. Imaginative ways were being considered to access the community such as attending football matches.
- The hospitals financial deficit - The Committee asked if they could have sight of the Trusts financial plan, for information.
- The development strategies employed by UHDB were very different to that of the Staffordshire Hospitals. In response to questions, the Director of Governance and Communications informed Members that emphasis was on quality care close to home and that activity levels were planned with Commissioners.
- The Committee was informed that one of the main areas of concern for UHDB was the 12 hour breach for mental health patients as one patient that could not be transferred from UHDB to a more appropriate service provider. The Committee requested more information on how this was being managed with the Midlands Partnership Foundation Trust.

That the following was agreed:

- a) It was acknowledged that integrated communication between the community and acute hospitals was a particular issue and was a valid concern which officers would take back to the trust.
- b) The Committee were pleased to hear this and asked if they could have sight of the Trusts financial plan, for information.
- c) It was felt that the move to increase specialisms was a question for the Chief Executive.
- d) The Committee requested more information on how patients with mental health issues were being managed in order to transfer them to the most appropriate service provider.

The next meeting will be held on Tuesday 19 March 2019.

Classification: NULBC **UNCLASSIFIED**

## Active Lives Children’s Survey

At its last meeting this Scrutiny Committee asked that the results of the Active Lives Children’s Survey, which were published the day after your last meeting be reported to your March meeting. The results are summarised in the following table:

<b>Active Lives Sport and Physical Activity Levels for Children years 1 – 11 2017/18 Academic Year</b>					
		Newcastle 340 Respondents	Staffordshire 3,918 Respondents	England	
Active Every Day (60+ minutes)	Population	1,900	22,000		
	Rate	13%	16.4%	17.5%	
Active Across Week (60+ minutes on some days)	Population	3,500	30,400		
	Rate	24.3%	22.6%	29.7%	
Fairly Active (30 – 59 minutes a day)	Population	3,100	34,400		
	Rate	21.5%	25.6%	23.9%	
Less Active (less than 30 mins a day)	Population	5,900	47,600		
	Rate	41.2%	35.4%	32.9%	
		<b>In School</b>		<b>Out of School</b>	
30 mins or more every day	Population	4,500	32,800	2,200	26,600
	Rate	31.3%	24.4%	15.7%	19.8%
30 mins or more but not every day	Population	1,300	13,700	3,800	39,800
	Rate	9.1%	10.2%	26.7%	29.6%
Less than 30 mins average a day	Population	8,500	87,800	8,200	68,000
	Rate	59.6%	65.4%	57.6%	50.6%

Based on the data from the Active Lives Survey, in order to increase the amount of physical activity and sports that young people in the Borough engage in, it proposed to focus attention more on the physical activity and sports that young people utilise outside of school. The rationale being that according to the survey, the amount of physical activity and sports young people do in schools in the Borough is similar and at times better than the national average, while looking at the data the survey presents for physical activity and sports outside of school Newcastle Borough is lower. Also, the amount schools seem to be assisting young people to get more involved with sports and physical activity is very close to the national average, sometimes better for both indoor and outdoor activities. This can be seen by comparing the statistics of percentages of young people involved in these activities in general, and then involved in these activities outside of school.

The Survey also makes a distinction between indoor and outdoor sports. For the Borough engagement in outdoor sports is lower than the national average, but slightly higher than the

national average for indoor sports, meaning the amount young people are getting involved in both indoor and outdoor sports is lower than the national average.

In addition the early year's district profile identifies specific obesity levels across the Borough. It is therefore proposed to gain further insight in to these areas in relation to activities and their take-up, to inform future and current plans. In gleaning valuable insights both for the community and service providers, the challenge will be engaging audiences in a compelling way that can enact behavioural change. Support for this approach is being offered from our County Sports Partnership (SASSOT).

The outcome will build on the excellent work that the Borough Council and its partners deliver for young people, many of which have been reported to previous Scrutiny Committees. These include the SPACE as part of the Holiday Activity Programme, Football Development which is now centred on the new synthetic pitch at Keele University and at Roe Lane with Newcastle Town and Bircham Wood with Kidsgrove Lads and Dads, Orienteering in the Borough's parks, Swimming Development at Jubilee2, Cricket and Badminton Development at Clayton Sports Centre, Netball development at Newcastle-under-Lyme School, Dance at Jubilee2 and Newcastle College. a weekly Park Run on the Whammy with Newcastle Athletic Club, skiing and snowboarding at Bathpool Park with Kidsgrove Ski Club. Most local sports clubs hold Club Mark, the recognised Sport England standard for running a sports club for young people.

**Recommendation:**

It is recommended that the Health, Wellbeing and Partnerships Scrutiny Committee ask Cabinet to co-ordinate the development of a borough wide strategy to improve take up of out of school sport and physical activity opportunities by young people. This will involve various partner organisations, some of whom are listed above, as having a shared responsibility for these results and therefore their buy-in is essential.

**HEALTH, WELLBEING AND PARTNERSHIPS SCRUTINY COMMITTEE**

Work Programme 2018/19

Chair: Councillor Ian Wilkes

Vice-Chair: Councillor Ruth Wright

Members: Gardner, Horsfall, Jones, Kearon, Julie Cooper, Heesom, Maxfield, Panter and Parker

Portfolio Holders covering the Committee's remit:
