

# Public Document Pack

**Date of meeting** Tuesday, 11th June, 2024

**Time** 7.00 pm

**Venue** Astley Room - Castle

**Contact** Geoff Durham 742222

**NEWCASTLE  
UNDER LYME**

**BOROUGH COUNCIL**

Castle House  
Barracks Road  
Newcastle-under-Lyme  
Staffordshire  
ST5 1BL

## **Licensing & Public Protection Committee**

### **AGENDA**

#### **PART 1 – OPEN AGENDA**

##### **LICENSING COMMITTEE**

**1 APOLOGIES**

**2 DECLARATIONS OF INTEREST IN RELATION TO LICENSING  
MATTERS**

To receive declarations of interest from Members on items contained within the agenda

**3 MINUTES OF A PREVIOUS MEETING (Pages 3 - 6)**

**4 CUMULATIVE IMPACT ASSESSMENT REVIEW (Pages 7 - 84)**

##### **PUBLIC PROTECTION COMMITTEE**

**5 DECLARATIONS OF INTEREST IN RELATION TO PUBLIC  
PROTECTION MATTERS**

To receive declarations of interest from Members on items contained within the agenda

**6 PROPOSED CONSULTATION ON PUBLIC SPACE  
PROTECTION ORDER - CAR CRUISING (Pages 85 - 94)**

**7 MINUTES OF PUBLIC PROTECTION SUB-COMMITTEE  
MEETINGS (Pages 95 - 96)**

To consider the minutes of the Public Protection Sub-Committees which have met since the previous Licensing and Public Protection Committee

## **PART 2 - CLOSED AGENDA**

### **8 DISCLOSURE OF EXEMPT INFORMATION**

To resolve that the public be excluded from the meeting during consideration of the attached report, because it is likely that there will be disclosure of exempt information as defined in paragraphs 1, 2 and 7 in Part 1 of Schedule 12A of the Local Government Act 1972

### **9 URGENT BUSINESS**

**(Pages 97 - 100)**

To consider any business which is urgent within the meaning of Section 100B (4) of the Local Government Act 1972

**Members:** Councillors Whieldon (Chair), Johnson (Vice-Chair), Barker MBE, Heesom, Sweeney, Wilkes, Skelding, Adcock, Dymond, Wright, Allport, J Williams, G Williams, Brown and Beeston

**Members of the Council:** If you identify any personal training/development requirements from any of the items included in this agenda or through issues raised during the meeting, please bring them to the attention of the Democratic Services Officer at the close of the meeting.

**Meeting Quorums :-** Where the total membership of a committee is 12 Members or less, the quorum will be 3 members....Where the total membership is more than 12 Members, the quorum will be one quarter of the total membership.

### **SUBSTITUTE MEMBER SCHEME (Section B5 – Rule 2 of Constitution)**

The Constitution provides for the appointment of Substitute members to attend Committees. The named Substitutes for this meeting are listed below:-

Substitute Members:	Hutchison	Brockie
	Panter	Fox-Hewitt
	Parker	D Jones
	J Tagg	Richards
	J Waring	Stubbs
	Burnett-Faulkner	Lewis

***If you are unable to attend this meeting and wish to appoint a Substitute to attend on your place you need to identify a Substitute member from the list above who is able to attend on your behalf***

Officers will be in attendance prior to the meeting for informal discussions on agenda items.

**NOTE:** IF THE FIRE ALARM SOUNDS, PLEASE LEAVE THE BUILDING IMMEDIATELY THROUGH THE FIRE EXIT DOORS.

ON EXITING THE BUILDING, PLEASE ASSEMBLE AT THE FRONT OF THE BUILDING BY THE STATUE OF QUEEN VICTORIA. DO NOT RE-ENTER THE BUILDING UNTIL ADVISED TO DO SO.

## LICENSING & PUBLIC PROTECTION COMMITTEE

Monday, 29th April, 2024  
Time of Commencement: 7.00 pm

[View the agenda here](#)

[Watch the meeting here](#)

<b>Present:</b>	Councillor Joan Whieldon (Chair)		
Councillors:	Barker MBE Sweeney Dymond	Wright Allport J Williams	G Williams Brown
Apologies:	Councillor(s) Parker, S White, Heesom, Wilkes and Skelding		
Substitutes:	Councillor David Hutchison (In place of Councillor Gill Heesom) Councillor John Tagg (In place of Councillor Andrew Parker)		
Officers:	Matthew Burton  Geoff Durham Andrew Cotton	Licensing Administration Team Manager Civic & Member Support Officer Assistant Transport Manager	

### 1. **APOLOGIES**

Apologies were received as listed above.

### 2. **DECLARATIONS OF INTEREST IN RELATION TO LICENSING MATTERS**

There were no declarations of interest stated.

### 3. **MINUTES OF A PREVIOUS MEETING**

**Resolved:** That the minutes of the meeting held on 12<sup>th</sup> March 2024 be agreed as accurate record.

### 4. **PAVEMENT LICENSING - LEVELLING UP AND REGENERATION ACT 2023**

The Licensing Administration Team Manager presented the report on the Pavement Licensing regime originally introduced during the Covid pandemic. This had been made permanent with a number of amendments.

The Deputy Leader expressed his support to the proposal.

Members commented and responses were provided as follows.

Cllr J. Williams enquired about the costs involved in terms of licensing. – It was suggested that the new fee be £216, the legislation allowing it to be anywhere between £0 and £500.

Cllr Hutchison asked for clarification about the period the license would cover. – The application fee of £216 would be for a two year period. This could be extended for a renewal fee of £158 which would cover another two years.

**Resolved:**

1. That the contents of the report be noted;
2. That the proposed amended standard conditions for all licences be agreed;
3. That the proposed fees for new and renewal applications be agreed; and
4. That the proposed standard licence period be agreed.

[Watch the debate here](#)

**5. DECLARATIONS OF INTEREST IN RELATION TO PUBLIC PROTECTION MATTERS**

There were no declarations of interest stated.

**6. TAXI TARIFFS - PROPOSED INCREASE**

The Licensing Administration Team Manager went through the report on the proposed increase to the Taxi Tariffs as requested by the Hackney Carriage Trade Association.

Members commented and responses were provided as follows.

Cllr G. Williams enquired about shift workers and whether it was possible to take into account that some of them would start early morning. – Tariff 2 was in place between midnight and 6.00am and the proposal was for it to be between 10pm and 6am.

Cllr Brown wished to support the proposal being mindful that finding the right balance was a difficult task. – Most authorities would amend the tariffs every year or two and back and forth discussions had been taking place to ensure the proposals submitted to members were reasonable.

Cllr Adcock asked for more background on the changes in night times. – There was more of a night time economy around 2015-19 and the new times suggested were in alignment with other authorities' policies.

Cllr Hutchison asked for clarification about where the tariffs would apply. – As per the law the maximum that may be charged in a Hackney carriage was what on the meter unless the fare was out of town in which case the driver and passenger were to agree a set charge beforehand.

Cllr Hutchison wondered about cases where customers were sick in the car as a result of too much drinking. – There was a set fee but would indeed often involve difficult conversations between the customer and taxi driver. The Chair added that a sign was usually displayed in the vehicle indicating that any excessive fouling would need to be paid for.

The Deputy Leader proposed that the start time for tariff 2 be changed to 11pm instead of 10pm as originally suggested in the report. – The Licensing Administration Team Manager confirmed that this would be viable and could be amended accordingly. Members discussed the proposal which was seconded by Cllr G. Williams and approved unanimously.

Cllr J. Williams asked if a point could be made that some areas were more prosperous than others. – Consistency with tariffs applied by other authorities was sought. The table shared in paragraph 2.4 of the report showed how the tariffs compared to those of Stoke-on-Trent.

**Resolved:**

1. That the proposed variation of the Table of metered fares charged by Hackney Carriages be Members approved;
2. That the proposed Table of metered fares to be advertised and implemented in line with statutory provisions be approved; and
3. That following the consultation period the Table of metered fares be sent to Cabinet for ratification, be approved;
4. That the proposed start time for tariff 2 be amended from midnight to 23:00 hours.

[Watch the debate here](#)

**7. AMENDMENT OF TAXI LICENSING POLICY PROVISIONS IN RELATION TO TINTED WINDOWS**

The Licensing Administration Team Manager presented the report on the proposed amendment to the provisions within the Taxi Licensing Policy in relation to tinted windows. The Assistant Transport Manager gave further insight – tinted windows meant less use of air conditioning to keep cars cool.

Cllrs G. and J. Williams expressed their support for tinted windows as factory features and disapproval of blackout windows as provided by the aftermarket. – This would mean that when the cars were to be tested any aftermarket tint would need to be removed.

Cllr Adcock asked if option B would make it possible to pass the test with an aftermarket tint. – Vehicles would still need to comply with the regulations and aftermarket films would need to be taken off.

Cllr Hutchison wished to support option A so that cars with factory made tint – which the vehicle owner may not have intentionally chosen – would pass the test. The Chair added that the topic had been discussed at the subcommittee and members were in favour of factory fitted tinted windows which gave a defence to the taxi driver when it came to the safety of lone vulnerable persons at the back of the car.

**Resolved:** That the current condition in the taxi policy be amended to allow all vehicles to have tinted and privacy glass in the rear passenger windows, provided these are factory fitted tinted / privacy windows and not aftermarket tinting.

[Watch the debate here](#)

**8. MINUTES OF PUBLIC PROTECTION SUB-COMMITTEE MEETINGS**

**Resolved:** That the minutes of the Public Protection Sub Committee meeting held on 13<sup>th</sup> March 2024 be received.

**9. DISCLOSURE OF EXEMPT INFORMATION**

***Licensing & Public Protection Committee - 29/04/24***

**Resolved:** That the public be excluded from the meeting during consideration of the following matter because it was likely that there would be disclosure of exempt information as defined in paragraphs 1, 2 and 7 contained within Part 1 of Schedule 12A of the Local Government Act, 1972.

**10. URGENT BUSINESS**

There was no urgent business.

**Councillor Joan Whieldon  
Chair**

Meeting concluded at 7.55 pm

## NEWCASTLE-UNDER-LYME BOROUGH COUNCIL

### CORPORATE LEADERSHIP TEAM'S REPORT TO LICENSING AND PUBLIC PROTECTION COMMITTEE

11 June 2024

**Report Title:** Cumulative Impact Assessment review

**Submitted by:** Service Director – Regulatory Services

**Portfolios:** Finance, Town Centres and Growth

**Ward(s) affected:** Town, May Bank and Cross Heath

<p><b><u>Purpose of the Report</u></b></p> <p>To request that Members review whether the Council should publish an updated Cumulative Impact Statement to support the Council's Statement of Licensing Policy, and if so, then determine the scope of it.</p>	<p><b><u>Key Decision</u></b>    Yes <input type="checkbox"/>    No <input checked="" type="checkbox"/></p>
<p><b><u>Recommendation</u></b></p> <p><b>That</b></p> <ol style="list-style-type: none"> <li>1. Members note the information provided by Staffordshire Police in support of retaining and amending the existing Cumulative Impact Assessment;</li> <li>2. Members note the information provided by Environmental Health in support of retaining and amending the existing Cumulative Impact Assessment;</li> <li>3. Members note the information received as part of the recent consultation</li> <li>4. Members determine whether there is currently an evidential basis to publish a Cumulative Impact Assessment to 'replace' the current one, and if so then the scope and extent of it. Including:                         <ol style="list-style-type: none"> <li>a) The area to be included. <b>Officer recommendation</b> is to expand the current area to include all additional areas requested by Environmental Protection (Appendix D);</li> <li>b) The activities to be included. <b>Officer recommendation</b> is to include all licensable activities under the Licensing Act 2003; and</li> <li>c) Whether any business or premises types should be specifically included or excluded from the scope. <b>Officer recommendation</b> is that no business or premises types should be excluded from the scope.</li> </ol> </li> </ol>	
<p><b><u>Reasons</u></b></p> <p>Cumulative Impact Assessments (CIA) were introduced to the Licensing Act 2003 by the Policing and Crime Act 2017. Before adopting a CIA the authority must establish the evidential basis that one is required, and consult upon its scope and extent with the same persons that must be consulted over the Statement of Licensing Policy.</p> <p>In March 2021 the Committee agreed that there was an evidential basis to publish a CIA, which subsequently came into force in July 2021.</p>	

## **1. Background**

- a. The Committee has previously resolved to have a CIP that covers an area of Newcastle's town centre and this was incorporated into the authority's Statement of Licensing Policy (SLP), and this had been in place since July 2013.
- b. In March 2021 the Committee resolved that there was an evidential basis to publish a CIA which subsequently came into force on July 2021. A copy of the current CIA is attached as **Appendix A**.
- c. In March 2024 the Committee resolved that a consultation should be undertaken as to whether the CIA should be retained, and if so the scope and extent of it. A copy of the consultation document is attached as **Appendix B**.

## **2. Issues**

- a. An evidential basis is required for a decision to publish a CIA. The statutory guidance states:

*"Local Community Safety Partnerships and responsible authorities, such as the police and the environmental health authority, may hold relevant information which would inform licensing authorities when establishing the evidence base for publishing a CIA. Evidence of cumulative impact on the promotion of the licensing objectives needs to relate to the relevant problems identified in the specific area to be covered by the CIA. Information which licensing authorities may be able to draw on includes:*

- *local crime and disorder statistics, including statistics on specific types of crime and crime hotspots;*
- *statistics on local anti-social behaviour offences;*
- *health-related statistics such as alcohol-related emergency attendances and hospital admissions;*
- *environmental health complaints, particularly in relation to litter and noise;*
- *complaints recorded by the local authority, which may include complaints raised by local residents or residents' associations;*
- *residents' questionnaires;*
- *evidence from local and parish councillors; and*
- *evidence obtained through local consultation. "*

- b. The consultation period ran from 15<sup>th</sup> March 2024 to 11<sup>th</sup> April 2024. During the consultation period the Council received three responses from:
  - The Council's Environmental Protection Team, attached as **Appendices C - F**;
  - Staffordshire Police's Central Licensing Team, attached as **Appendix G**;
  - Neighbourhood Policing Team for the Town Centre, attached as **Appendix H**;

A summary of each is included below.

- c. The Council's Environmental Protection (EP) Team's response is made up of four documents: 1. the written representations (Appendix C); 2. Proposed CIA area Map (Appendix D); 3. A list of approximately 900 properties in the town centre showing the mixture of residential and commercial properties (Appendix E); and 4. A map of properties types (Appendix F).

The EP response provides data on the mixture of residential and commercial properties, and the relationship between the two. It highlights a mix of residential and commercial properties specifically in the town centre, and on King Street, Brunswick Street and George Street moving away from the centre. The EP submission cites the ongoing Town Centre transformation and a relaxation in planning legislation in 2021 that allows for commercial properties to be converted to residential accommodation without permission, which will lead to more residential dwellings in the town centre.

Specifically in relation to licensed premises and late-night economy the EP response details that there has been a recent uplift in late night refreshment offerings within the town centre and wider after 23.00 hours. There have been recent licence reviews that have revealed the detrimental effect licensed premises can have on residents who live in close proximity to them.

EP suggest that the CIA should not only be retained but expanded to include all licensed premises and applications for licensable activities and not just those associated with the sale and supply of alcohol. They also suggest that the area covered by the CIA should be expanded to include:

- a. the north east of the town centre upto the Borough / City Boundary (Borough Road, King Street, Etruria Road, Albert Street, George Street, Brunswick Street, York Place and streets in between;*
- b. east of the town centre to the Borough City Boundary (A34 London Road and Barracks Road, Garden Street, Hassell Street, School Street and streets in between;*
- c. north of the town centre to include the Ryecroft;*
- d. South of the town centre to include the Pooldam area; and*
- e. South west of the town centre to cover the A34 Liverpool Road upto the Milehouse Lane roundabout.*

The Ryecroft area is already covered in the existing CIA. EP also request that activities carried out under a Temporary Events Notice are included but unfortunately that can not occur as CIA can only apply to premises licences and club premises certificates.

- d. Staffordshire Police's Central Licensing Team's response outlines the benefits of a CIA being in place when in receipt of application from premises that have had a negative impact on the locality. They state that the CIA has not prevented economic growth and many licences and applications have been granted.

They have stated that the CIA is a contributing factor to the level of crime going down and that when used appropriately the CIA helps to keep communities safe from an increase in violence and disorder. They also

highlight paragraph 14.21 of the s182 Statutory Guidance for Licensing Act 2003 that states:

*“In some areas where the number, type or density of licensed premises, such as those selling alcohol or providing late night refreshment, is high or exceptional, serious problems of nuisance and disorder may arise outside or some distance from those premises. Such problems generally occur as a result of large numbers of drinkers being concentrated in an area, for example when leaving premises at peak times or when queuing at fast food outlets or for public transport.”*

In relation to this the Police Licensing team request that the CIA be expanded to include licences and applications for late night refreshment (LNR) as well as those for the sale and/or supply of alcohol.

- e. The Neighbourhood Policing Team’s response provides data over the periods April-March 2021-2022, 2022-2023 and 2023-2024 that relate to levels of violence, robbery, sexual offences, public order, criminal damage and drugs possession in both the Town Centre and Borough as a whole. For the most part this shows that all crime increased from 2021-2022 to 2022-2023, most likely linked to the pandemic, and then decreased from 2022-2023 to 2023-2024 although not to the 2021 levels. Anti-social behaviour appears to have reduced year on year. The decreases are attributed to the change in local policing strategy in 2022. They highlight that the CIA is a key tool in supporting the licensing objectives and in helping keep the area a safe place to live, work and visit.

In their concluding remarks they state that there is clear correlation between the nighttime economy and peak times of offences being committed. In addition, it is their view that without a CIA it may lead to a proliferation of licensed premises which would likely have a detrimental effect on the safety of the town.

They do not make any request for amendments to the CIA in terms of the area it covers, or the activities that it should relate to, however in their submission they include licences for LNR within their definition of licensed premises. This suggests that both LNR and the sale/supply of alcohol are linked in terms of the nighttime economy. They also state that there are licensed premises in ‘outlying areas’ that have an impact upon the Town Centre, but do not specify which areas they are referring to.

### **3. Recommendation**

- a. That Members note the information provided by Staffordshire Police in support of retaining and amending the existing Cumulative Impact Assessment;
- b. That Members note the information provided by Environmental Health in support of retaining and amending the existing Cumulative Impact Assessment;

- c. That Members note the information received as part of the recent consultation;
- d. Members determine whether there is currently an evidential basis to publish a Cumulative Impact Assessment to 'replace' the current one, and if so then the scope and extent of it. Including:
  - a) The area to be included. **Officer recommendation** is to expand the current area to include all additional areas requested by Environmental Protection (Appendix D);
  - b) The activities to be included. **Officer recommendation** is to include all licensable activities under the Licensing Act 2003; and
  - c) Whether any business or premises types should be specifically included or excluded from the scope. **Officer recommendation** is that no business or premises types should be excluded from the scope.

#### **4. Reasons**

- a. The CIP and CIA which have operated since 2013 have served the Borough well in limiting serious problems of nuisance and disorder arising from the number, type and density of licensed premises in the town centre. The Council are required by the Licensing Act 2003 to review the CIA at least every 3 years and failure to do so would lead to it expiring.

#### **5. Options Considered**

- a. To determine that there is an evidential basis to publish a Cumulative Impact Assessment that covers the existing area and includes all applications that relate to the sale and/or supply of alcohol; OR
- b. To determine that there is an evidential basis to publish a Cumulative Impact Assessment but to cover a different area and/or includes all applications that relate only to sale/supply of alcohol or to include other licensable activities, such as regulated entertainment or late night refreshment, or to categorise it by type of premises rather than licensable activity e.g. it would apply to nightclubs and late night hot food establishments but not pubs and off-licences etc; OR
- c. To not publish a Cumulative Impact Assessment as there is not currently evidence to support one.

#### **6. Legal and Statutory Implications**

- a. To maintain cumulative impact controls as part of its licensing policy it is necessary to look afresh at the evidence to establish whether there is an evidential basis for the publication of a CIA.

#### **7. Equality Impact Assessment**

- a. Not applicable.

#### **8. Financial and Resource Implications**

- a. There are no financial impacts identified arising from this report.
- b. Licensing resources will be required to produce a Cumulative Impact Assessment document, and circulate and publish accordingly. The CIA would require regular review at least every 3 years. Those resources currently exist and can be deployed on these tasks.

## **9. Major Risks & Mitigation**

- a. There are risks to the control of the number and type of licensed premises in the town centre associated with the Council not reviewing the evidential basis for a CIA.

## **10. UN Sustainable Development Goals (UNSDG)**

a.

## **11. Key Decision Information**

- a. Not applicable

## **12. Earlier Cabinet/Committee Resolutions**

- a. The Committee's determined to publish a CIA in March 2021, and prior to that published CIPs from 2013 – 2020.

## **13. List of Appendices**

- a. Appendix A – Current CIA – 2021-2024
- b. Appendix B – March 2024 Consultation Paper
- c. Appendix C – Environmental Protection Consultation response
- d. Appendix D – Environmental Protection proposed area map
- e. Appendix E – Environmental Protection Town Centre Property Details
- f. Appendix F - Environmental Protection Type of Property Map
- g. Appendix G - Police Licensing Consultation response
- h. Appendix H - Neighbourhood Policing Consultation response

## **14. Background Papers**

- a. Section 182 Statutory Guidance for Licensing Act 2003
- b. Licensing Act 2003

## Cumulative Impact Assessment

Author: Licensing Administration Team Manager

Appendix A – Plan of Area	5
Appendix B – Town Centre Data	6
Appendix C – Whole Borough Data	8

### **What is Cumulative Impact?**

Cumulative impact is “*the potential impact on the promotion of the licensing objectives of a number of licensed premises concentrated in one area.*” For example where there is a high density of licensing premises selling alcohol that give rise to crime and disorder or nuisance.

### **Background**

The concept of “Cumulative impact” has been described within the s.182 Licensing Act 2003 Guidance and used by licensing authorities within their statements of licensing policy (SLP) since the commencement of the 2003 Act. ‘Cumulative impact assessments’ were introduced in the 2003 Act by the Policing and Crime Act 2017, with effect from 6 April 2018. In general terms and effect they replace Cumulative Impact Policies (CIP), however there is no statutory transition or conversion process.

A cumulative impact assessment (CIA) may be published by licensing authorities to help them limit the number or types of licence applications granted within a specified area. They can do this where there is an evidential basis that the number or density of licensed premises in the area is having a cumulative impact and leading to problems which are undermining the licensing objectives. CIAs relate to applications for new premises licences and club premises certificates and applications to vary existing premises licences and club premises certificates in a specified area.

Before adopting a CIA the authority must establish the evidential basis that one is required, and consult upon its scope and extent with the same persons that must be consulted over the SLP.

### **Cumulative Impact Assessment Details**

A consultation was undertaken in early 2021 and at a meeting held on 16<sup>th</sup> March 2021 the Council’s Licensing & Public Protection Committee (the Committee) , determined that there was an evidential basis to implement a CIA to ‘replace’ the existing CIP on a like for like footing.

The area covered by the existing CIP has been retained as the area to be covered by the CIA (plan attached at **Appendix A**). The assessment will relate to all premises and business types within the specified area that have a premises licence or a club premises certificate which will be carrying on or proposing to carry on the following licensable activities:

- The sale or supply of alcohol on or off the premises

The assessment does not relate to any applications within the specified area that propose to carry on:

- The provision of late night refreshment
- The provision of any regulated entertainment

The Committee came to this decision following statistical data provided by Staffordshire Police showing that levels of crime and Anti-Social Behaviour remained high throughout the Borough but specifically in the areas covered by the existing CIP, known as the ‘Town Centre’. Whilst figures have decreased across the Borough as a whole there has been an increase in the ‘Town Centre’ in relation to incidents around violence, ASB and Public Order and predominantly in the times associated with the night time economy. The data provided covered the three periods detailed below. The data that

relates to the 'Town Centre' is attached as **Appendix B**, and the data for the Whole Borough is attached as **Appendix C**:

- April 2018-March 2019
- April 2019-March 2020
- April 2020-November 2020

The Council decision was that to grant any further premises licences or club premises certificates, or variations of existing permissions, within the area detailed in Appendix A, would be inconsistent with the authority's duty to promote the licensing objectives.

The evidence underpinning the publication of this CIA will generally be suitable as the basis for a decision to refuse an application or impose conditions. However it does not change the fundamental way that the Council must make decisions under the 2003 Act. Therefore, each decision subject to the CIA still needs to be made on a case-by-case basis and with a view to what is appropriate for the promotion of the licensing objectives. Importantly, the publication of this CIA does not remove the Council's discretion to grant applications for new licences or applications to vary existing licences, where they are considered appropriate in the light of the individual circumstances of the case.

In publishing this CIA the Council is setting down a strong statement of intent about its approach to considering applications for the grant or variation of premises licences or club premises certificates in the area described. The Council must have regard to the assessment when determining or revising its SLP. It is therefore expected that, in respect of each relevant application in the area concerned, the licensing authority will be considering whether it is appropriate to make a representation to its committee as a responsible authority in its own right. As stated above, the CIA does not change the way that licensing decisions are made. It is therefore open to the licensing authority to grant an application where it considers it is appropriate and where the applicant can demonstrate in the operating schedule that they would not be adding to the cumulative impact. Applications in areas covered by a CIA should therefore give consideration to potential cumulative impact issues when setting out the steps that will be taken to promote the licensing objectives. Where relevant representations are received and a licensing authority decides to grant an application it will need to provide the applicant, the chief officer of police and all parties who made relevant representations with reasons for granting the application and this should include any reasons for departing from their own policy.

This CIA does not relieve responsible authorities (or any other persons) of the need to make relevant representations where they consider it appropriate to do so for the promotion of the licensing objectives. Anyone making a representation may base it on the evidence published in the CIA, or the fact that a CIA has been published. It remains incumbent on all responsible authorities and other persons to ensure that their representations can withstand the scrutiny to which they would be subject to at a hearing. As with all licensing applications under the 2003 Act, if there are no representations, the licensing authority must grant the application in terms that are consistent with the operating schedule submitted.

Whilst this CIA does not apply directly to Temporary Event Notices, the Secretary of State's Guidance to the Licensing Act 2003 states that it is open to the police and Environmental Health officers to refer to this assessment and the evidence contained within it when objecting to a TEN. The authority believes this is a right and proper approach as extension of hours within the Cumulative Impact Area can have a direct impact on the promotion of the licensing objectives.

### **Review of the CIA**

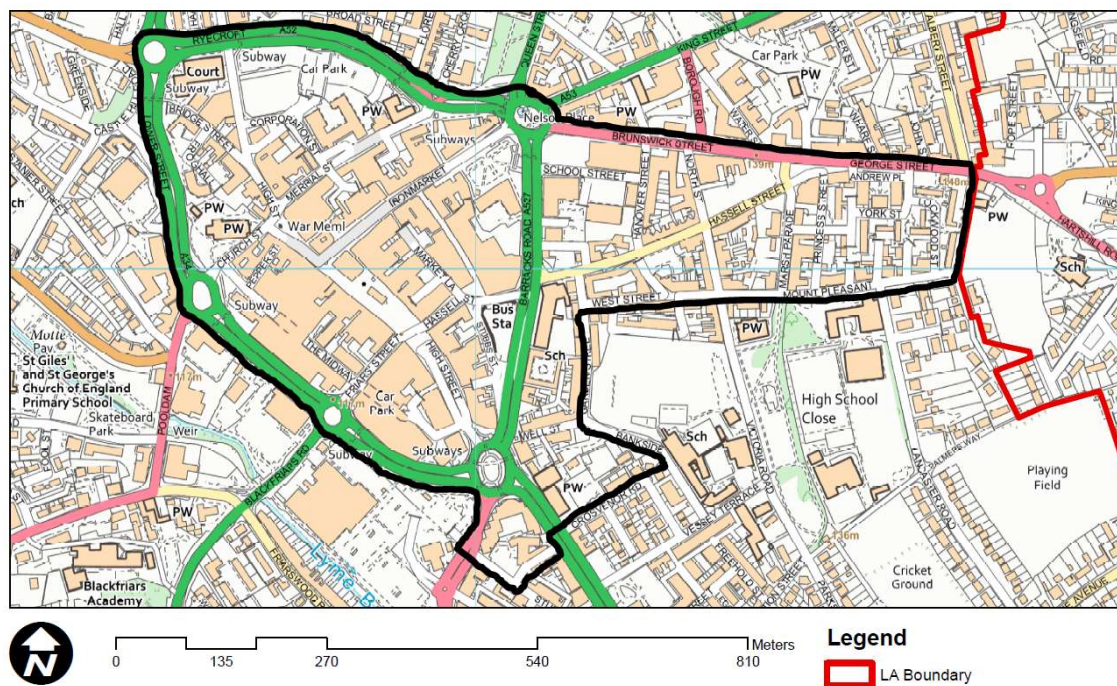

This CIA is a standalone live document and is capable of being amended, following the required consultation process and without the need for the Council to review and consult upon the SLP document.

The licensing authority must, within three years, consider whether it remains of the opinion set out in this assessment. In order to decide whether it remains of this opinion it must again consult the appropriate persons. If having consulted the Council decides that it is no longer of the opinion set out in the CIA, it must publish a statement to that effect. The statement must make clear that any reference to the CIA in its licensing policy statement no longer applies. The licensing authority should remove any reference to the CIA within its SLP at the earliest opportunity.

If having consulted the Council decides that it remains of the opinion set out in the assessment, it must revise the CIA to include a statement to that effect and set out the evidence as to why it remains of that opinion. It will be important for any evidence included in the revised CIA to be robust and relevant to the current problems described. This will likely involve the collation of fresh or updated evidence of cumulative impact. The Council must also at this stage publish any other material change to the assessment. For example if the types of premises or area described in the assessment have changed due to a shift in the nature of the problems being experienced, or where there is evidence of the emergence of a new type of problem.

In each case the three year period for reviewing a CIA begins with the original date of the publication of the CIA or the date that a CIA was last revised. Where the SLP as a whole is due for review, under the five year review period under the Act and this occurs before the end of the three year CIA review period, the Council may use this as an opportunity to carry out a review of the evidence in support of the CIA. However, the Council is free to carry out consultations and reviews of the CIA (and/or SLPs) at more regular intervals if considered appropriate.

## **Consultation for Publishing a Cumulative Impact Assessment**

### **Introduction**

The Council are undertaking a four (4) week consultation exercise to determine whether a Cumulative Impact Assessment (CIA) should be published to help it limit the number or types of licence applications granted in areas where there is evidence to show that the number or density of licensed premises in the area is having a cumulative impact and leading to problems which are undermining the licensing objectives:

- The prevention of crime and disorder;
- The prevention of public nuisance;
- Public safety; and
- The protection of children from harm.

Through this consultation the Council are seeking to identify whether there is a sufficient evidential basis to publish a CIA and if so the area and types of applications that should be included. In particular we are seeking information, and supporting evidence, in respect of:

- Crime and Anti-social behaviour (ASB) statistics;
- Health related statistics, such as alcohol related hospital attendances and admissions;
- Complaints that relation to nuisance, such as litter and noise;
- Complaints raised by local residents or residents' associations;
- Resident feedback;
- Elected Member (local or parish) feedback;
- Other evidence that could be attributed to the Cumulative Impact of Licensed premises.

### **Background**

Cumulative Impact Assessments were introduced to the Licensing Act 2003 by the Policing and Crime Act 2017. In general terms they replaced Cumulative Impact Policies (CIP). Before adopting a CIA the authority must establish the evidential basis that one is required, and consult upon its scope and extent with the same persons that must be consulted over the Statement of Licensing Policy (SLP).

Since July 2013 the Council have had a CIP detailed within our SLP. The CIP was originally requested by Staffordshire Police and has been renewed annually until 2021 when the current CIA was introduced. The CIP covered an area known as the 'Town Centre' and which overlapped two distinct Police reporting areas, but did not incorporate all of the two areas. The current CIA, which can be found at: <https://www.newcastle-staffs.gov.uk/downloads/download/550/cumulative-impact-assessment>, was based upon the same area and a plan can be found at **Appendix A**.

The Council's Licensing Committee last reviewed the evidence and determined that there was an evidential basis in March 2021. The current CIA was published on 14<sup>th</sup> July 2021 and must be reviewed within a 3 year period from its inception.

The provisions of publishing a CIA state that a CIA may relate to all premises licences (PL) and club premises certificates (CPC), or only those described within the assessment. For

example a CIA could apply only to all PLs and not to CPCs. Or it could apply to both PLs and CPCs but not to specific types of business e.g. a CIA could be published that does not include a PL that is for a cinema, or late night takeaway business but does relate to pubs, restaurants and nightclubs. The current CIA relates to all premises applications, new and variations, that authorise or propose to authorise the sale or supply of alcohol for consumption on or off the premises. It does not relate to premises applications that only authorise, or propose to authorise, the provision of late night refreshment and/or regulated entertainment.

Further information can be found at Chapter 14 of the Licensing Act 2003 Statutory Guidance: <https://www.gov.uk/government/publications/explanatory-memorandum-revised-guidance-issued-under-s-182-of-licensing-act-2003>

### **Consultation:**

The Council are requesting views and evidence from any person, body or party that may have an interest in the matter of whether the Council should publish a new CIA. Points that you may wish to consider include:

1. Whether there remains an evidential basis to retain the CIA as it is;
2. If so, then on what basis;
3. If not, then whether there a basis to publish a CIA with a different scope;
4. If the area needs amending then propose a new area or the removal of the existing area with evidential basis for doing so;
5. If the type of activities need amending then provide an evidential basis as to the licensable activities to be added or removed;
6. If the nature of the businesses or type of premises that should be included, or excluded from any CIA if published.

The above points are not exhaustive and the Council welcome any comments with supporting evidence regardless of view point. However it should be noted that we cannot accept and consider comments on whether there is a 'need' for more/less premises.

### **Summary**

The Council are seeking views, representations in support or objections against, and supporting evidence in relation to whether a new CIA should be published.

To submit a written response please email [licensing@newcastle-staffs.gov.uk](mailto:licensing@newcastle-staffs.gov.uk) or by letter to:

Good afternoon

On behalf of the Service Director – Regulatory Services, I make the following comments in respect of the consultation.

I refer you to the attachments Town Centre March 2024 - Map of Property Types Pdf and the Excel Spreadsheet, the details of which have been populated from the Council's GIS database utilising information from a number of sources, including Council Tax and Business Rates.

- a. It will be seen that there are a number of existing residential premises of various types within the town centre, some of which are in close proximity to existing or former licensed premises.
- b. The Borough Council, through its plans to revitalise the town centre has aspirations to introduce a significant amount of residential accommodation on a number of sites across the town centre. These locations include the current Ryecroft site, Midway Multi Storey Car Park, Astley Arcade / York Place. There is also significant private sector interest and investment in sites such as Morston House, Sky Building, Newcastle Library and buildings on the Midway and Hassell Street and former Zanzibar site.
- c. Changes to the planning system introduced in 2021 by the General Permitted Development etc. (England) Order 2021 allow uses such as retail, restaurants, professional services, offices, gyms, surgeries, nurseries and a host of other high street uses to change to a residential end use under Planning Use Class E. This expanded the range of premises granted a right to convert to residential which previously allowed limited office to residential PD rights.
- d. The purpose of the new PD rights is to allow for new homes in sustainable locations, close to businesses and other amenities. The measures are intended to remove eyesores and to transform unused buildings into high quality residential units on brownfield land.
- e. The new PD rights came into effect on 1<sup>st</sup> August 2021 and allow unused commercial buildings to be granted permission for residential use via a fast track prior approval process. Councils can only take account of the following when considering if prior approval is required flooding, noise from commercial premises and adequate light to habitable rooms. Other site-specific issues that Councils can take into consideration include: the impact of the loss of a health service and in conservation areas the impact of the loss of a ground floor Class E residential use. Accordingly, it is not possible to consider other aspects associated with licensed premises such as patron noise, litter, light, odours.

- f. The PD rights include a requirement that a building needs to have been vacant for minimum of 3 months prior to the date of the application, in order to protect successful business in existing use.
- g. The building must also have been in a commercial, business, or service use for at least two continuous years previously. A size limit of 1,500 sqm of floorspace will also apply, to avoid the loss of larger units.
- h. The announced measures support a series of other measures previously announced by the government including relaxation of planning rules allowing pubs and restaurants to operate as takeaways, the erection of outdoor marquees, longer opening hours for retail units, temporary pavement licences and other developments.
- i. These changes do not override the legal requirement for business operator to hold the appropriate Licence or to make a Temporary Event Notification (TEN) from the Local Licensing Authority.
- j. There have also been recent moves to expand hot food takeaway provision to the wider town centre, with attempts by business owners to cater for not only the pre 11pm trade but also the late night /early hours trade. Business operators have also sought to use some of the larger floorspace along Liverpool Road and London Road for dark kitchens and late night takeaways operating principally on a delivery only model after a certain time in the evening
- k. Some of the vacant retail / commercial floor space has seen operators utilise Ten's to provide late night entertainment into the early hours in areas of the town which are predominantly residential.
- l. Recent licence reviews brought to the Licensing Committee by Environmental Health and Staffordshire Police, also show the negative effects of traditional town centre activities taking place close to residents outside of the core town centre covered by the current saturation policy. These recent cases serve to demonstrate the significant impact that the broad range of licensed premises can have on the lives of residents and their health and wellbeing and ability to use their home in a normal reasonable manner without being subjected to public nuisance.
- m. It is considered that the full range of licensable activities, including those which could take place under a TEN need to be considered alongside the existing and future aspirations for The Town, especially as it continues to evolve away from a retail offering to a mixed offering involving the provision of significant residential accommodation for all ages and tenures.
- n. I would therefore ask that the saturation policy is updated to include

- i. the following locations as indicated on the suggested extension plan
  - a. the north east of the town centre upto the Borough / City Boundary (Borough Road, King Street, Etruria Road, Albert Street, George Street, Brunswick Street, York Place and streets in between
  - b. east of the town centre to the Borough City Boundary (A34 London Road and Barracks Road, Garden Street, Hassell Street, School Street and streets in between
  - c. north of the town centre to include the Ryecroft
  - d. South of the town centre to include the Pooldam area
  - e. South west of the town centre to cover the A34 Liverpool Road upto the Milehouse Lane roundabout
- ii. that all licensable activities including TEN's are covered.

Kind regards

**Darren Walters (Team Leader - Environmental Protection)

### Consultation Response for Cumulative Impact Assessment

The provision of the Cumulative Impact Assessment Policy for the specified area has been relied upon when appropriate to prevent a further rise in alcohol related crime and disorder in relation to licensed premises.

This has only been used when relevant and has not been utilised to prevent economic growth within the town. In addition, when the Police use or reference to the policy has been challenged by the legal profession representing the licensing trade, the Police have been able to demonstrate that it has been proportionate in the circumstances to cite it.

The Police continue to assess all applications on their own merits and there have been a number of licensed premises, that through engagement with the applicant have been granted a Premises Licence without the need for a hearing before the licensing subcommittee.

In normal times these businesses continued to flourish, largely with no calls for service to the Police, which shows an operational demonstration that the licensing objectives are not being undermined.

There is a variant of licensed premises situated within the town centre that due to a number of factors around them that do bring the need for a policing response whether that be from those operationally policing the locality or the Police Licensing Team, and it is premises of this nature where this policy is recognised as being relevant whether it be a new application or a variation to an existing one.

It is appropriate to highlight that it is not just premises that are licensed to sell alcohol that can contribute to incidents of crime and disorder, but also those that are authorised to carry out the provision of late-night refreshment. These premises by the nature of their operation, usually being busiest at the end of a trading night at weekends are focal points for persons already intoxicated to gather which can then and often does lead to incidents of violence and/or disorder. This is referenced in the Revised Guidance issued under section 182 of the Licensing Act 2003, specifically Ch 14, para. 21:-

*In some areas where the number, type or density of licensed premises, such as those selling alcohol or providing late night refreshment, is high or exceptional, serious problems of nuisance and disorder may arise outside or some distance from those premises. Such problems generally occur as a result of large numbers of drinkers being concentrated in an area, for example when leaving premises at peak times or when queuing at fast food outlets or for public transport.*

The Police are also aware that some local authorities nationally previously removed their respective CIA zones due to the Covid pandemic, however there were also a high proportion who retained them as did this authority and it is contended that Newcastle CIA policy should remain. It is also worthy of note that

some authorities that removed their respective CIA policies have since reintroduced them as with the correct usage, and also with the scrutiny of the licensing subcommittee should a matter be brought before them, each application can still continue to be viewed on its own merits with the authorities still having the ability where appropriate to utilise the CIA to keep communities safe from an increase in violence and disorder.

This balanced approach is shown by the Police allowing for both businesses to come to the town centre and prosper without impacting on the already existing issue of violence and disorder, and those which can be shown to have a detrimental impact are prevented when appropriate from further negatively contributing.

It is recognised that with the revision of the policing model there is now better coverage of the borough by Staffordshire Police and it is with these many factors that generally crime is down as per the local policing document produced by Sgt Henshall. However, all these factors play an integral part in maintaining and even further improving crime reduction therefore it is considered that the removal of one of these strands, in this case the CIA policy will have a damaging effect on the others and wider detrimental consequences.

It is requested that the Cumulative Impact Assessment be retained as published, with the addition of late-night refreshment being added to the sale of alcohol for the relevant area of Newcastle-under-Lyme, as it is an appropriate element contained within the wider Licensing Policy.

# NEWCASTLE UNDER LYME

## CUMULATIVE IMPACT ASSESSMENT

### REPORT

## TOWN CENTRE

Author: Sergeant 0980 Henshall  
Date: March 2024  
Version: 1/24

- The information and data used within this report have been taken from Staffordshire Police recording systems.

## **INTRODUCTION**

Newcastle under Lyme town Centre is the focal hub of both the day and night time economies within the Borough. There are a number of satellite parishes including Madeley, Audley and Kidsgrove, including the student / business community of Keele University contained within the footprint of Newcastle under Lyme Borough.

Newcastle under Lyme town centre is the busier area - both from a retail / footfall perspective, and also crime / disorder associated with day and night economy.

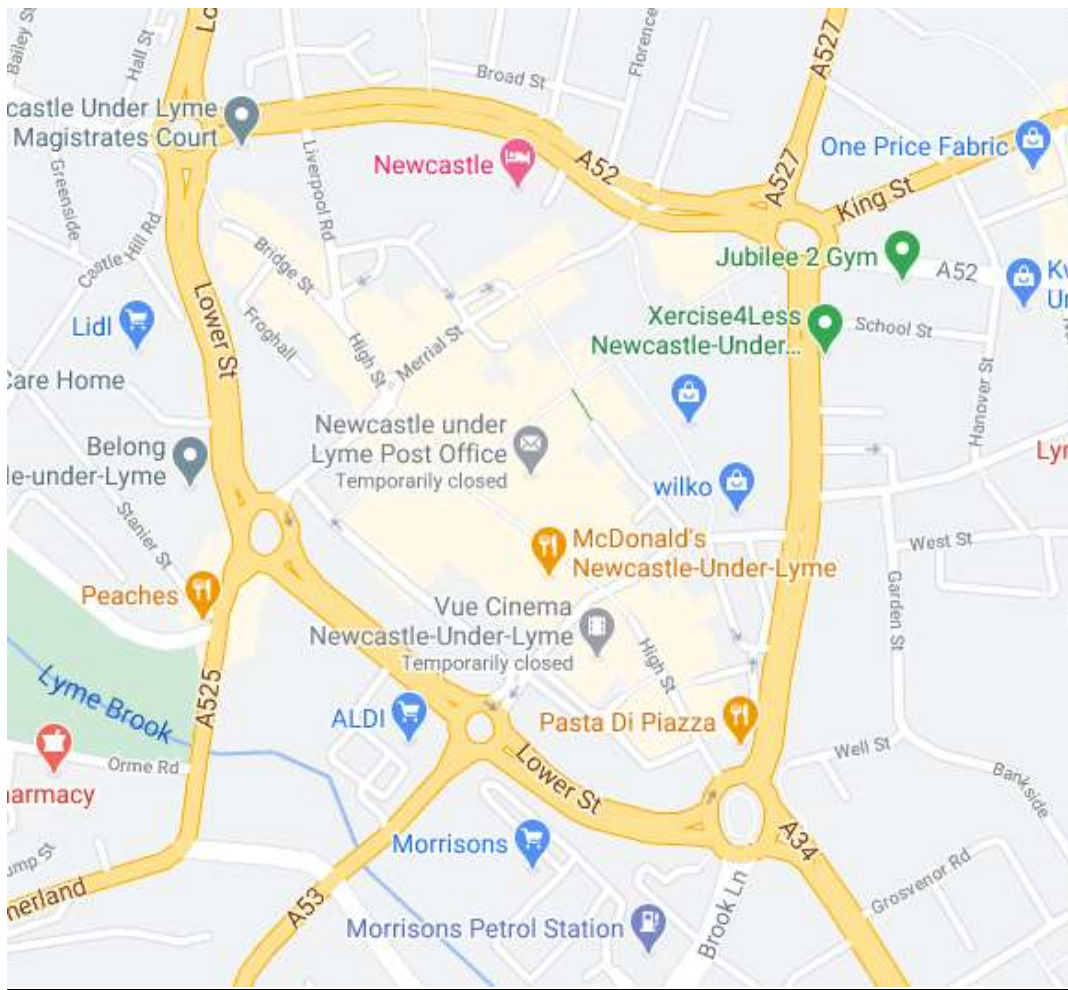

Statistics provided are correct as Month to date [MTD] April 2021 to April 2024 [unless stated].

For the most part crime and disorder attributed to the night time economy takes place as bordered within an area known as the ring-road consisting of the A34, A52, Lower Street & Ryecroft.

For the purposes of this report 'licensed premises' relates to premises licensed to carry out any licensable activity, including the sale of alcohol for consumption on or off the premises and the provision of late-night refreshment. This includes late night food outlets which are not licensed to sell alcohol.

Since the implementation of the last Cumulative Impact Assessment (CIA), in 2022, Staffordshire Police changed its policing model and reverted back to having officers based 24/7 at the 10 local policing stations. This has supported a renewed focus on local matters and a more intensive problem solving approach in line with our partner agencies and shared objectives.

The area defined as the town center is illustrated on the map below.

## **Overview**

Newcastle town has a mixture of business premises, some of which are licensed to sell food and or liquor and residential premises mainly in the form of multi-storey flats, self-contained apartments and residential properties above or connected to business premises.

Supporting the town centre functions are a host of local authority partner agencies, charities and other marshals.

Recent years have seen business changes with small companies relocating, choosing to invest into the local economy of Newcastle town centre, and some businesses either cease trading or relocate elsewhere.

There are two main hotels which offer overnight accommodation in the area – both within relative walking distance of the town centre.

Keele University is a short drive from the town center and hosts around 3,000 students in term time.

## **Licensed Premises**

There are currently 78 licensed premises on Staffordshire Police's Innkeeper system within the areas referred to as Newcastle Town 1 and Newcastle Town 2, and classed as having either a Premises Licence or Club Premises Certificate. This includes all pubs, clubs, micropubs, off-licences and other retail premises where alcohol is sold. The majority of these are within the area of the CIA but this figure also includes those in the outlying areas that have an impact on the Town Centre. This number includes a varied mix of businesses involved within both the daytime and night time economy. The vast majority of venues close between 2300 – 0200hrs with 3 regular premises making use of an extended 0300hrs license on a Friday and Saturday evening. The total number of licensed premises and those with late opening hours can vary as new premises open, current premises close or there is a change of ownership though the figure has consistently sat around the same number.

It is observed through discussion with premise managers that licensed premises will employ discretion and close earlier than their normal licensing hours where it is financially advantageous for them to do so.

Friday and Saturday nights traditionally see the most patrons attending the town with average numbers beginning to increase steadily from 8pm and peaking around 2230 - 2300hrs.

Venues that close between 0200 – 0300hrs will see exiting patrons often gathered in number on both The High Street, Ironmarket, Bridge Street and Hassell Street due to the late hours fast food businesses located nearby. Moving forward into 2024 and beyond, the prospect of large crowds gathering will be an extra factor to consider both from a public order point of view, but also from any resurgence of transmittable diseases. While it is unlikely we will see any future outbreaks leading to lockdown periods such considerations will reflect guidance provided by government.

Popular bars which attract greater number of patrons during evening hours are commonly:

The Kiln, High Street

Reflex, Ironmarket

The Foyer, Hassell Street

Yates, Ironmarket

The Old Brown Jug, Bridge Street

The Arnold Machin - Wetherspoons, Ironmarket

Representations have been made via the support of Staffordshire Police Licensing in recent years to a number of premise owners, and Designated

Premise Supervisors (DPS) relating to poor license observations, drunkenness of patrons, drug possession / supply, violence and related criminality.

Any new or updated applications would be subject to very close scrutiny and liaison with Staffordshire Police Licensing and Local Authority Licensing teams.

As part of Newcastle Borough's Town Centre Policing Plan officers consistently engage with the local Pubwatch group where we are able to share certain information, obtain intelligence, provide relevant support and make any necessary representations to those involved in the scheme.

### **Public / Private Transport**

With the support of the local authority, both private hire and hackney carriage services are pooled at agreed locations on Hassell Street / High Street and Newcastle under Lyme bus station during closing hours during the night. Daytime provisions operate within agreed bus routes, and taxi ranks.

### **Policing**

Night time economy is policed by a small team of officers, complemented by a number of Special Constables based at Castle House, Barracks Road and will offer a combination of high visibility and plain clothes foot patrol of the town center area from 2000 – 0300hrs.

Officers operate a *meet and greet* theme to ensure patrons and premises staff are reassured by an early policing presence when visiting, with this presence continuing into the night.

Police make frequent use of relevant legislation to prevent, detect and deter crime with the focus of promoting a safer environment for businesses and visitors of the town centre.

Temporary highway closures are enacted which are generally with the support of businesses to moderate vehicle / pedestrian access during peak evening and daytime hours. This allows safer passage of pedestrians throughout the busier areas and offers a more controlled and efficient traffic flow.

Structured licensing checks feature as a regular method of monitoring and supporting licensed premises to ensure a safe environment for staff and patrons.

### **CCTV**

The majority of local businesses offer their own private and independent CCTV systems in addition to a system of CCTV cameras owned by Newcastle Borough Council.

50 x cameras provide both police and the local authority safe, secure and compliant coverage of public areas.

The provision of a monitoring terminal for Newcastle under Lyme policing team

within Castle House is used daily for both live and evidential reviewing for investigative purposes.

The CCTV coverage is complemented by an arboricultural plan to make best use of the technology whilst keeping established green areas, plants and trees healthy and intact.

### **Crime (Newcastle Town)**

The following comparative reports of crime are summarised.

Information is taken from The Brain police recording system 01/04/2021 – 01/04/2024. This information covers the area of Newcastle Town NB61.

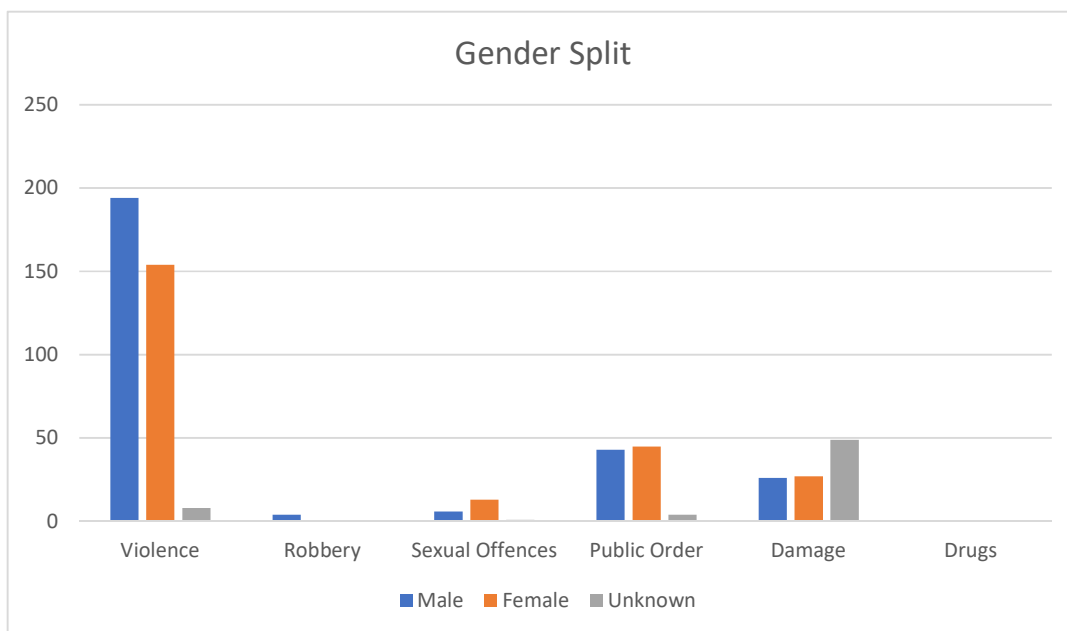

<b>CRIME</b>	<b>2021-2022</b>	<b>2022-2023</b>	<b>2023-2024</b>	<b>+ / - (Compared to previous 12 months)</b>	<b>+ / - % (As a percentage)</b>

### **Anti-Social Behavior (Newcastle Town)**

Information is taken from The Brain police recording system 01/04/2021 – 01/04/2024. This information covers the area of Newcastle Town NB61.

Anti-social behavior is classified into three collective groups:

#### **Community**

Likelihood of a general and nonspecific effect on an area whether towards businesses, visitors, or residents. Likely to be more than one person / group effected.

Examples of which are begging, street drinking, littering, etc

#### **Personal**

Direct, Indirect or intended effect on an individual or business

Examples of which – Foul / abusive language, drunken behavior, behavior causing harassment, alarm or distress.

#### **Environmental**

Likelihood of impact on environmental issues.

Examples such as – excessive noise, fly-tipping, burning of waste.

<b>ASB</b>	<b>2021-2022</b>	<b>2022-2023</b>	<b>2023-2024</b>	<b>+ / - (Compared to previous 12 months)</b>	<b>+ / - % (As a percentage)</b>
ASB (includes community nuisance, personal nuisance and environmental)	463	390	320	-70	-19%

ASB	57	89	60	71	80	77

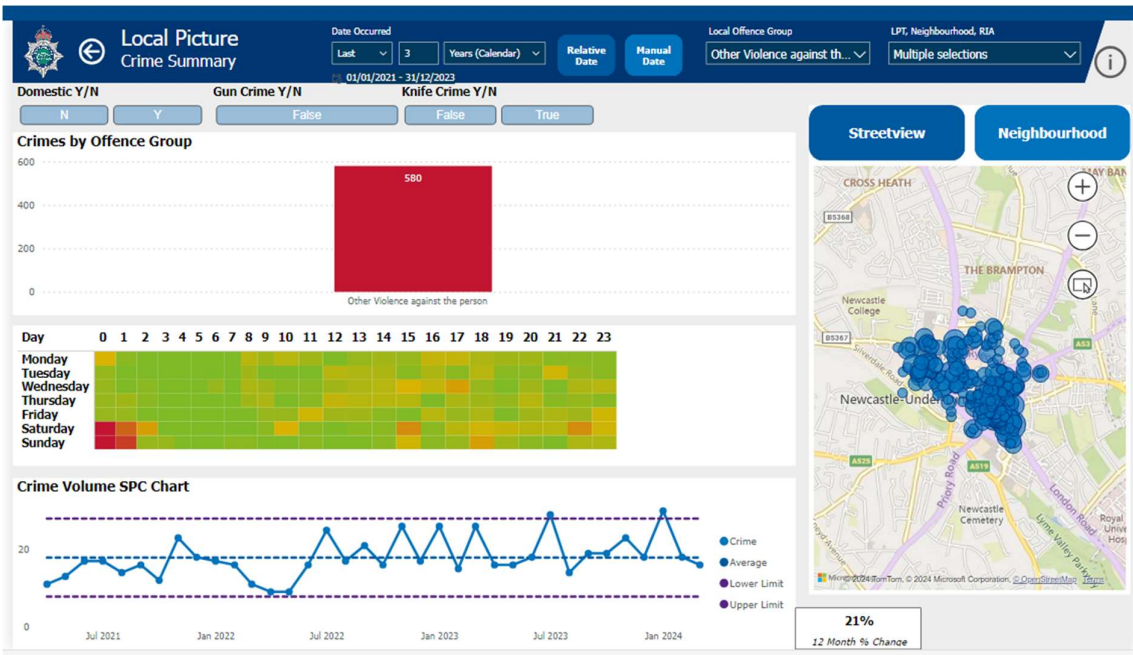

**CRIME HEAT MAPS**

This information is taken from Staffordshire Police recording system PowerBI. This system breaks down the umbrella offences which have multiple sub-categories for example, under the above violence data there are the three sub-categories of other violence against the person, more serious violence and less serious violence. The below chats provide maps of where the offences were committed, a heat map of the times and days of offences and a three year graph showing the volume.

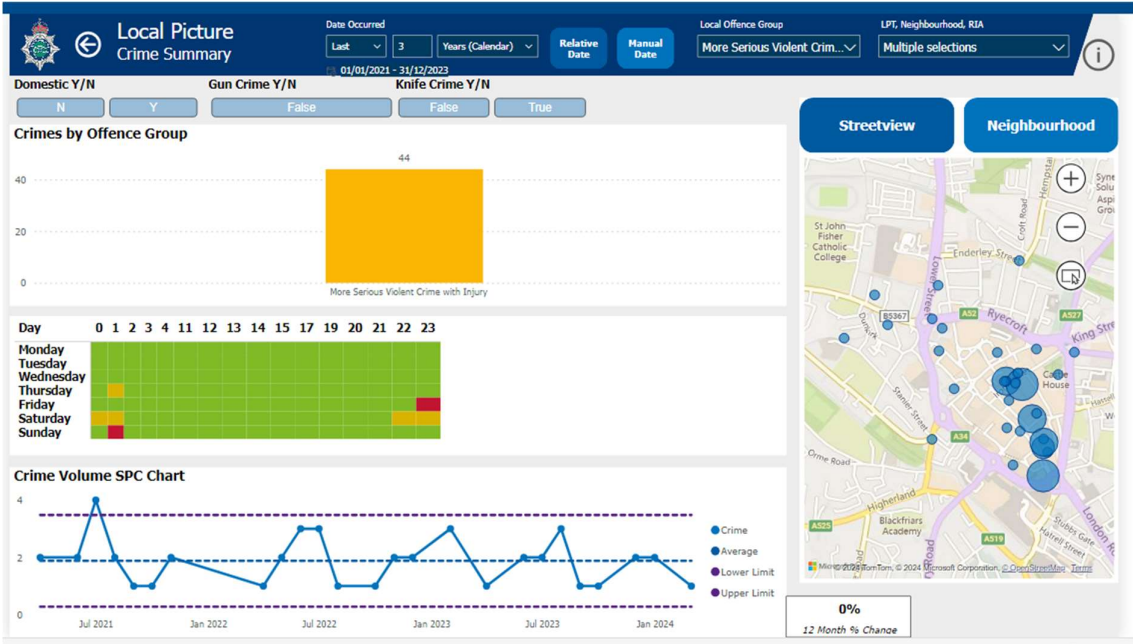

Information has been provided for both the area of the CIA (NB61) and the whole of the Borough to give a comparative.

## Drug Offences

## Conclusion and recommendations

The continuance of publishing a Cumulative Impact Assessment to limit the number and type of licenses within the Newcastle Town area is key in supporting the licensing objectives and helping keep the area a safe place to live, work or visit.

From the above data there is a consistent theme of crime and anti-social behavior impacting on both daytime and nighttime economies and the achievement of the Licensing Objectives;

The prevention of crime and disorder;

The prevention of public nuisance;

Public safety;

and the protection of children from harm.

When considering the data for the Town Centre alone, and thus the area of the CIA, we can see that while all crime categories have shown a reduction, with the exception of robbery, they are still significant in volume and in excess of the figures recorded in 2021-2022. Violence and public order stand out from the other categories as having the greatest impact. The same is true when we look at the comparative data of crime and ASB recording across the entire Borough for the same period. There are reductions from the previous 12 months (2022-2023) and this can likely be attributed to the change in the policing model, with greater local focus, partnership working and problem solving but the volume is still high in most categories.

When looking at the data regarding age and gender split it shows there is a fairly even split amongst victims and that the higher number of victims span across the

age ranges of 18 to 50. This might well be attributable to equal attraction of Newcastle's nighttime economy to both genders and to a younger to middle age groups. In contrast to the relatively equal gender split of victims on the Town Centre the stand out figure for the Borough as a whole is in relation to violence and sexual offences which clearly shows far more females are victims than males. This may be attributable to the type of offences, such as domestic abuse, which predominantly tend to occur within the home and residential areas.

When considering the data provided by the crime heat maps, particularly in the crime categories with the greatest volume, we can see that there is clearly a correlation between the nighttime economy and the peak times for offences.

Without a CIA we are likely to see a similar expansion in licensed premises as we have with Vape Shops and that is highly likely to have a detrimental impact on the safety of the Town Centre leading to an increase in crime and anti-social behavior.

When looking at the statistics around ASB it is apparent that the new local policing model and renewed focus on problem solving is having a positive impact in the reduction of such incidents as this is replicated across both the Town Centre alone and the Borough as a whole. The CIA can only complement these reductions and assist with our work in targeting such problems.

Newcastle-under-Lyme has seen a further increase in both student and affordable accommodation in the form of newly built high-rise apartments within the footprint of the town center. The face of the town centre continues to change, and a new norm brings with it, new challenges.

As the local police force we will continue to robustly police the Town Centre in conjunction with our partners and local communities

New businesses are warmly welcomed by the local policing team and will be afforded equal levels of support and intervention where needed to tackle crime and disorder.

The Neighborhood Policing Team continue to be key partners in reviewing license applications providing a practical and informed insight to recommendations based on operational policing experience. Additionally, an agreed partnership approach will be considered under the umbrella theme of "banned from one, banned from all" to discourage repeat issues and robustly address crime and disorder.

Staffordshire Police as a responsible authority respectfully submit this report as a relevant representation.

Sgt 0980 Henshall

## NEWCASTLE-UNDER-LYME BOROUGH COUNCIL

### CORPORATE LEADERSHIP TEAM'S REPORT TO LICENSING AND PUBLIC PROTECTION COMMITTEE

12<sup>th</sup> June 2024

**Report Title:** Proposed Consultation on Public Space Protection Order – Car Cruising

**Submitted by:** Service Director – Neighbourhood Delivery

**Portfolio:** Community Safety and Wellbeing (PH briefed 14/05/2024)

**Ward(s) affected:** ALL WARDS

<b><u>Purpose of the Report</u></b>	<b><u>Key Decision</u></b>	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
<p>This report is to;</p> <p>Inform members of historical and current issues in relation to ‘car cruising’, methods that have been used to prevent this behaviour and the proposals to deter this behaviour in future. The report also seeks approval to conduct a 6 week public consultation on a proposed Public Space Protection Order (PSPO) before returning to the committee to feedback results.</p>			
<p><b><u>Recommendation</u></b></p> <p>That Committee considers the content of this report and gives approval for Officers of the Council to conduct a 6 week public consultation for a proposed PSPO for the Borough of Newcastle under Lyme.</p>			
<p><b><u>Reasons</u></b></p> <ul style="list-style-type: none"> <li>Following ongoing reports of car cruising in identified locations across the Borough, the Council is seeking to use its powers to impose prohibitions to restrict car cruising.</li> <li>The Committee is required to consider agreeing to the conditions of the order so that a formal consultation can be initiated.</li> </ul>			

## 1. **Background**

- 1.1 A Public Space Protection Order is an order made under the Anti-Social Behaviour, Crime and Policing Act 2014 whereby this legislation allows for an order to identify a particular space or area to which it will be applied; and can make requirements, or prohibitions, or both within that space or area. This means that the Local Authority can, by virtue of the order, require people to do, or not to do specific things in that space or area. The Local Authority has the powers to grant the prohibitions/requirements where it believes that they are reasonable in order to reduce or prevent the unwanted issues. The order can be applied to specific people or everyone within an area and can apply at all times or within specific times. The

order can apply for a maximum of 3 years upon which the process of reviews and consultation must be repeated to check whether the issues are still occurring and the order is having the required effect. After the initial 3 years, the order can be extended for a further 3 years, and upon further reviews and consultation, can be extended more than once for further periods of 3 years.

- 1.2 This is the first application for a Public Space Protection Order in relation to 'car cruising'. The application comes from persistent issues of 'car cruising' behaviour across the Borough despite alternative enforcement techniques being utilised. The Order replicates a similar PSPO implemented by Stockport Metropolitan Borough Council which looks to address car cruising behaviour. The draft order as shown in Appendix 1 to this report, shows the proposed area to be covered by the Public Space Protection Order.
- 1.3 Failure to comply with either a prohibition, or requirement stated within the order is a Level 3 offence. Upon summary conviction (offences heard within the Magistrates Court) defendants can face a fine. The defendant cannot be found guilty of an offence under a prohibition/requirement where the Local Authority did not have the power to include it in the order. The authority has the option to either prosecute or issue an FPN to discharge liability to convict (s67 & 68 of the ASB, Crime and Policing act).

## 2. Issues

### 2.1

The above chart shows how partnership enforcement action had led to a downward trend in the number of incidents occurring, however it is clear that that incidents are once again on the increase.

The below table (2.1.1) shows the breakdown of incidents by policing area. We are now seeing increases in incidents in Chesterton and Holditch, Kidsgrove, Newcastle South (Clayton area) and also Madeley, Keele and Loggerheads.

Table 2.1.1

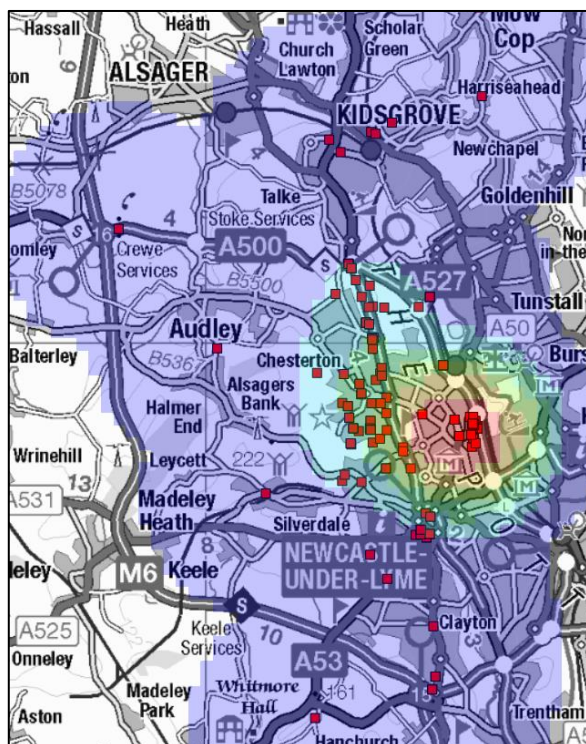

Neighbourhood	May 2022 - April 2023	May 2023 - April 2024	Total	% Change	Numerical Change
NB4 Newcastle North	141	30	171	-78.72%	-111
NB3 Chesterton & Holditch	24	59	83	145.83%	35
NB6 Newcastle Town	6	6	12	0.00%	0
NB5 Newcastle West	5	4	9	-20.00%	-1
NB0 Kidsgrove Parish	2	5	7	150.00%	3
NB7 Newcastle South	2	5	7	150.00%	3
NB1 Audley & Halmerend	2	1	3	-50.00%	-1
NB2 Madeley Keele & Loggerheads	0	1	1	100.00%	1
<b>Total</b>	<b>182</b>	<b>111</b>	<b>293</b>	<b>-39.01%</b>	<b>-71</b>

Table 2.1.2

Breakdowns the incidents by road/ area which demonstrates how this type of behaviour can occur across the whole of the Borough.

LOOMER RD	2	1	3
MILLENNIUM WAY	3	0	3
REGINALD MITCHELL WAY	0	3	3

Map 1 – highlights visually how these are mapped across the Borough.

## 2.2 The proposed prohibitions are as follows:

- To participate in 'Car Cruising' anywhere in the geographical area within Newcastle-under-Lyme outlined in the map named Annex A. Participating in 'Car Cruising' means being the registered keeper or driver of, or being carried in or on a motor vehicle, when two or more vehicles (including motorbikes) being on a highway, or a publicly accessible place, at which any such vehicle, or occupant of a vehicle, performs any of the activities listed in the Schedule below.
- Schedule: The prohibited activities referred to in Clause 1 are:
  - Causing a danger to other road users including pedestrians or causing a significant risk of damage to property by either speeding or racing.
  - Driving in convoy while car cruising
  - Performing stunts while car cruising
  - Repeatedly sounding horns (as to cause significant public nuisance)
  - Playing music excessively loud (as to cause significant public nuisance)
  - Using foul or abusive language
  - Using threatening, intimidating behaviour towards another person, or
  - Causing obstruction on public highway, or a publicly accessible place, whether moving or stationary.
- To promote, organise, or publicise, via email, the internet, Facebook, Twitter or similar social media, or any publication or broadcast any 'car cruising' within the defined geographical area (as delineated on the map marked Annex A)
- Attending any meeting of two or more vehicles in a public space either as a vehicle owner, driver, passenger, or spectator and engaging in any activity that a reasonable person would consider to be 'car cruising'.

## 3. **Recommendation**

- 3.1** That the Public Protection and Licensing Committee considers the content of this report, and approves for Officers at the Council to initiate the 6 week public consultation for a proposed PSPO for the Borough of Newcastle-under-Lyme.

## 4. **Reasons**

- 4.1** Over the past few years we have seen a continual increase in 'car cruising' related issues. Places such as Asda Wolstanton, Lymedale Industrial Estate and A34 have all be subject to car cruising issues.

## 5. **Options Considered**

- 5.1** Do nothing – this option would not address the car cruising behaviour. We may also see an increase in problems due to other neighbouring authorities taking effective enforcement action.
- 5.2** Reduce the scale of the order – the proposed order would cover the whole of Newcastle-under-Lyme. This is a similar approach that has been adopted in other areas. Reducing the scale of the order may lead to car cruising in other areas.

- 5.3 Agree the order for consultation – this will allow effective enforcement from the Community Safety Partnership who will be able to enforce for a number of prohibitions associated with car cruising behaviour.

## 6. Legal and Statutory Implications

- 6.1 PSPOs can be challenged on the grounds that the Local Authority, under the legislation, did not have the power either to make or vary the Order or include particular prohibitions or requirements, or that proper processes had not been followed (as prescribed by the legislation). Challenges must be made to the High Courts within 6 weeks of the Order being made/varied and by an individual who lives in, regularly works in, or visits the restricted area. The High Court can quash, uphold or vary the PSPO and may decide to suspend the operation of the PSPO pending the verdict.

## 7. Equality Impact Assessment

- 7.1 An Equality Risk Assessment has been refreshed detailing how the PSPO will impact the community.

## 8. Financial and Resource Implications

- 8.1 Signage will be required on key entry points in and around the Borough. Signs will also be installed at hotspot locations.

## 9. Major Risks & Mitigation

- 9.1 We are aware that neighbouring authorities are exploring their own legal options around this problem. If we fail to put in our own appropriate measures to tackle the issue, then we may see an increase in this area as we see other areas initiating enforcement.

## 10. UN Sustainable Development Goals (UNSDG)

## 11. Key Decision Information

- 11.1 Not applicable.

## 12. Earlier Cabinet/Committee Resolutions

- 12.1 This is the first application for a PSPO in relation to 'Car Cruising'.

**13. List of Appendices**

**13.1** Appendix 1: Draft Public Spaces Protection Order

**13.2** Appendix 2: Map of proposed PSPO order.

**14. Background Papers**

**14.1** None.

# Newcastle-under-Lyme Borough Council Public Space Protection Order 1 of 2024 ('Order')

## Anti-social Behaviour, Crime and Policing Act 2014

### Section 59

1. This order shall come into Operation on [INSERT DATE] and shall have an effect for 3 years, thereafter, unless extended by further orders under the Council's statutory powers.
2. This order relates to the Borough of Newcastle-under-Lyme edged in red on the attached map (the Restriction Zone)
3. The Council is satisfied that the conditions set out in Section 59 (2) of the Act have been met, namely that activities carried on in a public place within the authority's area have had a detrimental effect on the quality of life of those in the locality.
4. The Council is also satisfied that the conditions set out in Section 59 (3) of the Act have been met. Namely, that the effect or likely effect of the activities is, or is likely to be of a persistent or continuing nature and that these activities are unreasonable and justify the restrictions imposed by this order and that it is in all the circumstances expedient to make this order for the purpose of reducing crime and/or anti-social behaviour in a public place.

Newcastle-under-Lyme Borough Council in its exercise of its powers under Section 59 of the Anti-social Behaviour, Crime and Policing Act 2014 (the Act) and under all other enabling powers, having consulted as required by Section 72 of the act, hereby makes the following order.

The effect of the Order is to restrict persons within the highlighted area from carrying out the following **Prohibited Activities**, at all times.

1. To participate in 'Car Cruising' anywhere in the geographical area within Newcastle-under-Lyme as outlined in the map named Annex A. Participating in 'Car Cruising' means being the registered keeper or driver of, or being carried in or on a motor vehicle, when two or more vehicles (including motorbikes) being on a highway, or a publicly accessible place, at which any such vehicle, or occupant of a vehicle, performs any of the activities listed in the **Schedule** below.

SCHEDULE: The prohibited activities referred to in Clause 1 are:

- a. Causing a danger to other road users including pedestrians or causing a significant risk of damage to property by either speeding or racing.
- b. Driving in convoy while car cruising
- c. Performing stunts while car cruising

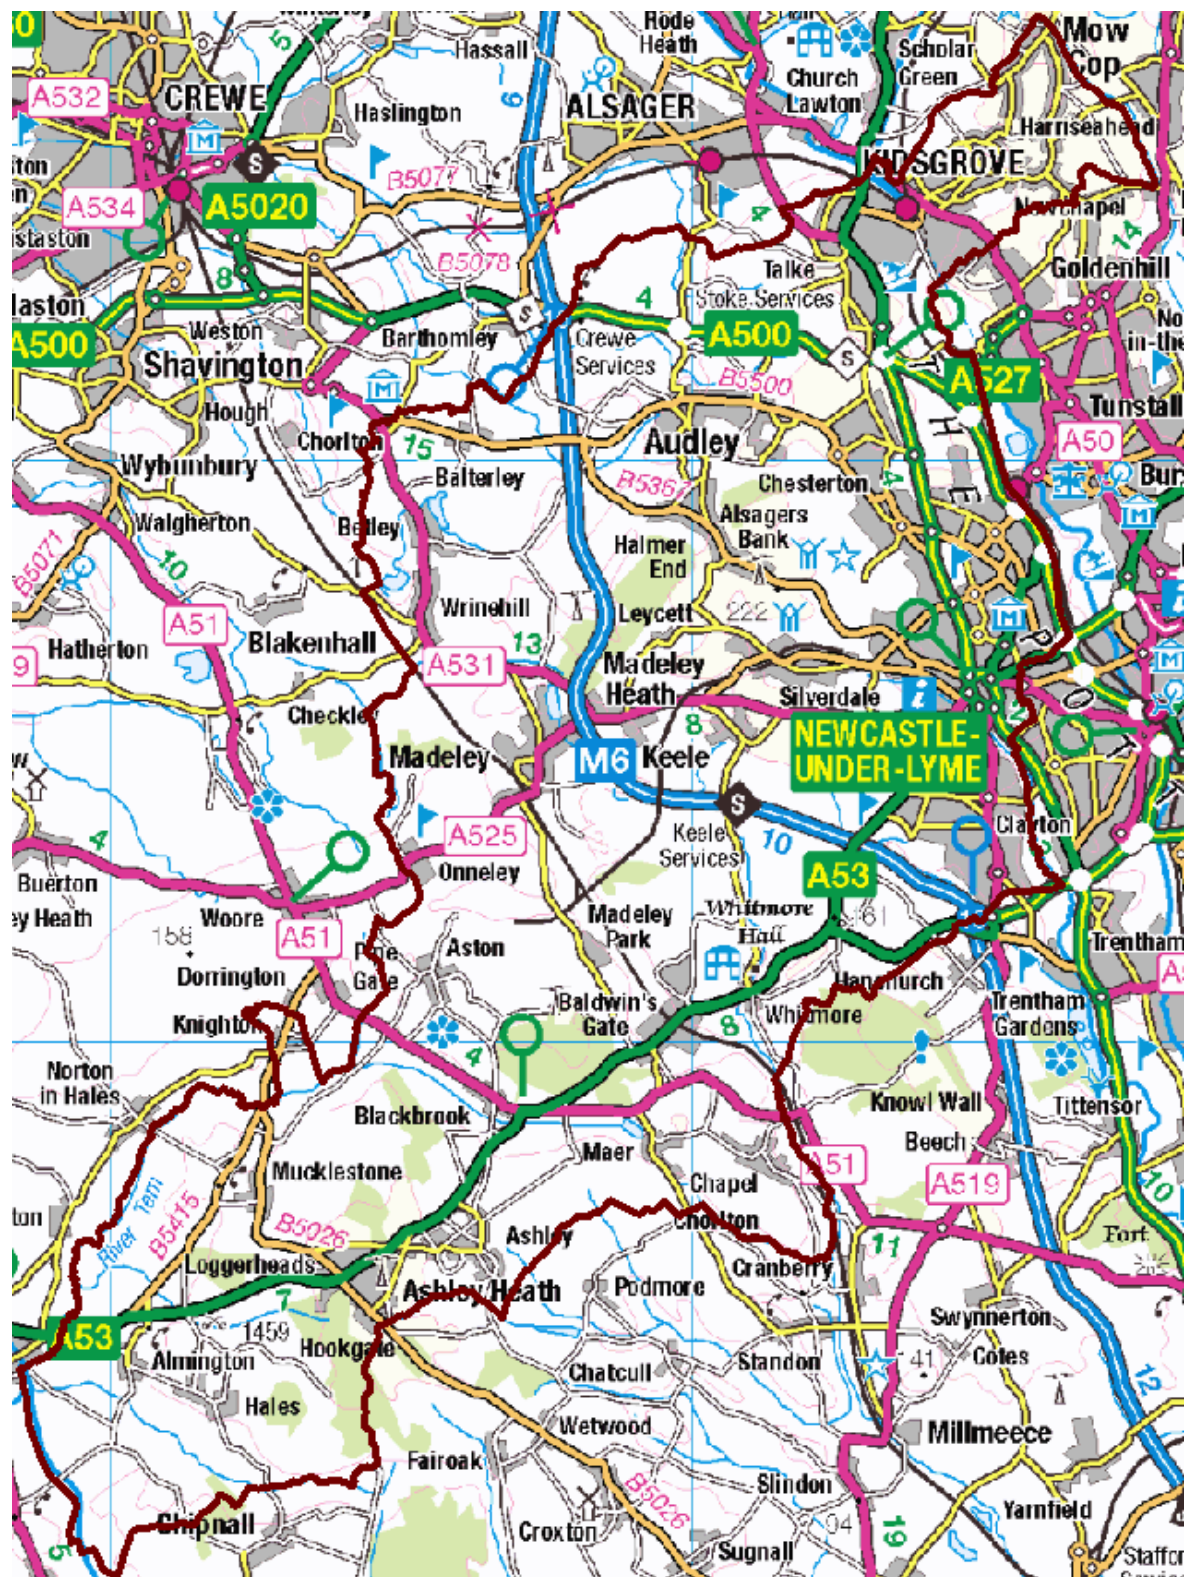

- d. Repeatedly sounding horns (as to cause a significant public nuisance)
  - e. Playing music excessively loud (as to cause a significant public nuisance)
  - f. Using foul or abusive language
  - g. Using threatening, intimidating behaviour towards another person, or
  - h. Causing an obstruction on a public highway, or a publicly accessible place, whether moving or stationary.
2. To promote, organise or publicise, via email, the internet, Facebook, Twitter or similar social media, or any publication or broadcast any 'car cruising' within the defined geographical area (as delineated on the map on Annex A).
  3. Attending any meeting of two or more vehicles in a public space either as a vehicle owner, driver, passenger or spectator and engaging in any activity that a reasonable person would consider to be 'car cruising'.

### **Offences and Penalty**

1. It is an offence for a person without reasonable excuse to engage in any activity that is prohibited by this order.
2. In accordance with Section 67 of the act, a person found to be in breach of this order is liable on summary conviction to a maximum penalty of a level 3 fine or to a Fixed Penalty Notice of £100.

### **Appeals**

In accordance with Section 66 of the Act, any interested person who wishes to challenge the validity of this order on the grounds that the Council did not have the power to make the order, or that the requirement under the Act has not been complied with may apply to the High Court within six weeks from the date upon which the order is made.

This page is intentionally left blank

## **PUBLIC PROTECTION SUB-COMMITTEE**

Wednesday, 22nd May, 2024  
Time of Commencement: 2.15 pm

[View the agenda here](#)

**Present:** Councillor Andrew Parker (Chair)

Councillors: Brown Heesom Sweeney

Officers: Anthony Harold Service Director - Legal & Governance / Monitoring Officer  
Julie Moore Licensing Enforcement Officer  
Claire Ryles Licensing Enforcement Officer

Also in attendance: The applicants

1. **APOLOGIES**
2. **DECLARATIONS OF INTEREST**
3. **DISCLOSURE OF EXEMPT INFORMATION**

**Resolved:** That the public be excluded from the meeting during consideration of the following matter because it was likely that there would be disclosure of exempt information as defined in paragraphs 1, 2 and 7 contained within Part 1 of Schedule 12A of the Local Government Act, 1972.

4. **LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT - 1976 - APPLICANT 1**

The Sub-Committee considered a relevant matter which fell outside of Council Policy in the presence of the applicant.

After careful consideration of the officers' report, the Department for Transport's Statutory Standards and the Council's policy and guidelines, the Sub-Committee agreed as follows.

**Resolved:** That the Dual Driver Licence and Private Hire Vehicle Licence be suspended for a 21 day period.

That the request received from the applicant to be exempt from displaying external plates and private hire operator door signs on his vehicle be refused – the applicant may wish to apply again in the future.

5. **LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT - 1976 - APPLICANT 2**

The Sub-Committee considered a relevant matter which fell outside of Council Policy in the presence of the applicant.

***Public Protection Sub-Committee - 22/05/24***

After careful consideration of the officers' report, the Department for Transport's Statutory Standards and the Council's policy and guidelines, the Sub-Committee agreed as follows.

**Resolved:** That a final warning be issued.

**6. URGENT BUSINESS**

**Councillor Andrew Parker**  
**Chair**

Meeting concluded at 4.15 pm

## NEWCASTLE-UNDER-LYME BOROUGH COUNCIL

### CORPORATE LEADERSHIP TEAM'S REPORT TO LICENSING & PUBLIC PROTECTION COMMITTEE

11 June 2024

**Report Title:** Relaxation of licensing hours for the 2024 UEFA European Championships

**Submitted by:** Service Director - Regulatory Services & Licensing Administration Team Manager

**Portfolios:** Finance, Town Centres & Growth

**Ward(s) affected:** All

<b><u>Purpose of the Report</u></b>	<b><u>Key Decision</u></b> Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>
<p>To inform the Committee of the result of a Home Office consultation to allow certain licensed premises to open later than their normal hours. It is in relation to the semi-final and final matches of the 2024 European Championships, should a 'Home Nations' team progress to that stage.</p>	
<p><b><u>Recommendation</u></b></p> <p><b>That Committee/Council:</b></p> <p><b>1.    Note the contents of the report</b></p>	
<p><b><u>Reasons</u></b></p> <p>The Home Office held a consultation on whether to allow a relaxation of licensing hours during the semi-final and final stages of the 2024 European Championships, should a 'Home Nations' team progress to that stage.</p>	

#### **1.    Background**

- 1.1    Section 172 of the Licensing Act 2003 allows the Secretary of State for the Home Department to make a Licensing Hours Order ('Order') relaxing opening hours for licensed premises (any premises with a premises licence or a club premises certificate) in England and Wales to mark an occasion of 'exceptional international, national or local significance'.
- 1.2    Past national occasions where the government has extended licensing hours have included the late Queen's platinum jubilee in 2022, the Royal Weddings in 2018 and 2011, the late Queen's ninetieth birthday celebrations in 2016, the late Queen's diamond jubilee in 2012, and the Kings Coronation in 2023. The power was also used during the World Cup in 2014 and the 2020 UEFA European championship final.

## **2. Issues**

- 2.1** In February to March 2024 the Home Office consulted upon whether it was appropriate to make an Order to extend the times for licensed premises to be open during the semi-final and final stages of the UEFA 2024 European Championships, should a 'Home Nations' team progress to that stage. Unfortunately due to the short duration and time of the consultation, and the Committee meeting dates, it was not referred to this Committee.
- 2.2** The Government received 65 complete responses with a majority response in favour of the extension being implemented and it applying to the semi-finals (9-10th July 2024) and the day of the final (14th July). On 8th May 2024 the draft order was laid before the two houses and on 24th May it was approved with a commencement date of 25th May 2024.
- 2.3** The Order authorises all licensed premises that are already permitted to sell/supply alcohol for consumption on the premises until 11pm to operate until 1am the day after. This allows for these premises to carry out late night refreshment during these times. It should be noted that this Order will only have effect should either the England team, Scotland team or both teams progress to the semi-final and/or final stages, and will only take effect on the date that they are playing. For example if one of the teams played in the semi-final on 9th July, it would only be 9th July that would benefit from the relaxation. The licensable hours for 10th July would be the normal hours.
- 2.4** The relaxation does not apply to the sale of alcohol for consumption off the premises, regulated entertainment, late night refreshment premises or unlicensed premises.

## **3. Recommendation**

- 3.1** That Members note the content of the report.

## **4. Reasons**

- 4.1** To inform Members of amendments to the Licensing Act 2003 and matters of local and national significance.

## **5. Options Considered**

- 5.1** Not applicable.

## **6. Legal and Statutory Implications**

- 6.1** Not applicable.

## **7. Equality Impact Assessment**

- 7.1** Not applicable.

**8. Financial and Resource Implications**

- 8.1 It is unlikely to cause any resource implications however if there was to be complaints and incidents as a result of the extended hours then it would require investigation by the appropriate officers. It is not anticipated to be the case but the resource would be covered by existing staff members.

**9. Major Risks & Mitigation**

- 9.1 Not applicable.

**10. UN Sustainable Development Goals (UNSDG)**

**10.1**

**11. Key Decision Information**

- 11.1 Not applicable.

**12. Earlier Cabinet/Committee Resolutions**

- 12.1 Not applicable.

**13. List of Appendices**

- 13.1 None

**14. Background Papers**

- 14.1 [The Licensing Act 2003 \(UEFA European Football Championship Licensing Hours\) Order 2024](#)
- 14.2 [Explanatory Memorandum to the above Order](#)
