### GUIDANCE NOTES

#### NATURAL JUSTICE AND FAIRNESS

These are the principles used in the determination of just or fair processes and stem from the common law legal system.

According to Roman law, certain basic legal principles were so obvious that they should be applied universally without the need to be enacted into the law.

The rules of natural justice are now regularly applied by courts in both common law and civil law jurisdictions.

Natural justice operates on the principles that man is basically good, that a person of good intent should not be harmed and one should treat others as they would like to be treated.

Natural justice includes the notion of procedural fairness and may incorporate the following guidelines:-

- A person accused of a crime, or at risk of some form of loss, should be given adequate notice about the proceedings (including any charges);
- A person making a decision should declare any personal interest they may have in the proceedings;
- A person who makes a decision should be unbiased and act in good faith. He therefore cannot be one of the parties in the case, or have an interest in the outcome. This is expressed in the Latin maxim, *nemo iudex in causa sua*: “no man is permitted to be judge in his own cause”;
- Proceedings should be conducted so they are fair to all the parties – expressed in the Latin maxim, *audi alteram* : “let the other side be heard”;
- Each party to a proceeding is entitled to ask questions and contradict the evidence of the opposing party;
- A decision-maker should take into account relevant considerations and extenuating circumstances, and ignore irrelevant considerations;
- Justice should be seen to be done. If the community is satisfied that justice has been done they will continue to place their faith in the courts.

Where a person’s legal rights are concerned, the principles of natural justice are bolstered by Article 6 of the European Convention on Human Rights which is now incorporated into domestic law.

#### THE RULE AGAINST BIAS

It is elementary to the rules of natural justice that the deciding body is to be free from bias.

The rule is that the body must be and be seen to be impartial, independent and disinterested.

There are two broad categories of bias:

- (a) Actual Bias: when the decision-maker has an economic interest in the outcome of the case (also known as a material or pecuniary interest) subject to the De Minimum doctrine;
- (b) Reasonable Apprehension: unbiased appearance is an essential part of procedural fairness. The test is whether, having regard to the circumstances, a well informed person (“reasonably informed bystander”) would consider that the interest might have an influence on the exercise of the decision-maker’s duties.

### **GUIDANCE NOTES**

#### **HUMAN RIGHTS ACT 1998**

In considering allegations against Members you should have regard to the provisions of the Human Rights Act 1998 which embody the rules of natural justice.

#### **Rights and Freedoms to be considered when determining matters**

##### ARTICLE 6: RIGHT TO A FAIR TRIAL

1. In the determination of his civil rights and obligations or of any criminal charge against him, everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law. Judgement shall be pronounced publicly, but the press and public may be excluded from all or part of the trial in the interest of morals, public order or national security in a democratic society, where the interests of juveniles or the protection of the private life of the parties so require, or to the extent strictly necessary in the opinion of the court in special circumstances where publicity would prejudice the interests of justice.
2. Everyone charged with a criminal offence shall be presumed innocent until proved guilty according to law.
3. Everyone charged with a criminal offence has the following minimum rights:
  - (a) to be informed promptly, in a language which he understands and in detail, of the nature and cause of the accusation against him;
  - (b) to have adequate time and facilities for the preparation of his defence;
  - (c) to defend himself in person or through legal assistance of his own choosing or, if he has not sufficient means, to pay for legal assistance, to be given it free when the interests of justice so require;
  - (d) to examine or have examined witnesses against him and to obtain the attendance and examination of witnesses on his behalf under the same conditions as witnesses against him;
  - (e) to have the free assistance of an interpreter if he cannot understand or speak the language used in court.

##### ARTICLE 8: RIGHT TO RESPECT FOR PRIVATE AND FAMILY LIFE

1. Everyone has the right to respect for his private and family life, his home and his correspondence.
2. There shall be no interference by a public authority with the exercise of this right except such as is in accordance with the law and is necessary in a democratic society in the interests of national security, public safety or the economic well being of the country, for the prevention of disorder or crime, for the protection of health or morals, or for the protection of the rights and freedoms of others.

##### ARTICLE 10: FREEDOM OF EXPRESSION

1. Everyone has the right to freedom of expression. These rights shall include freedom to hold opinions and to receive and impart information and ideas without interference by public authority and regardless of frontiers. This Article shall not prevent States from requiring the licensing of broadcasting, television or cinema enterprises.

2. The exercise of these freedoms, since it carries with it duties and responsibilities, may be subject to such formalities, conditions, restrictions or penalties as are prescribed by law and are necessary in a democratic society, in the interests of national security, territorial integrity or public safety, for the prevention of disorder or crime, for the protection of health or morals, for the protection of the reputation or rights of others, for preventing the disclosure of information received in confidence, or for maintaining the authority and impartiality of the judiciary.

### ARTICLE 14: PROHIBITION OF DISCRIMINATION

The enjoyment of the rights and freedoms set fourth in this Convention shall be secured without discrimination on any ground such as sex, race, colour, language, religion, political or other opinion, national or social origin, association with a national minority, property, birth or other status.

NB This is not a substantive right, but comes into play if other rights are likely to have been infringed. The prohibition is wide, but not exhaustive

### ARTICLE 1: OF THE FIRST PROTOCOL PROTECTION OF PROPERTY

Every natural or legal person is entitled to the peaceful enjoyment of his possessions. No one shall be deprived of his possessions except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

The preceding provisions shall not, however, in any way impair the right of a State to enforce such laws as it deems necessary to control the use of property in accordance with the general interest or to secure the payment of taxes or other contributions or penalties.

NB Possessions, in this context, includes the right to apply for a licence, the right to hold and retain a licence and the goodwill of a business.

NOTE In this context it is also particularly important for members to observe the rule against bias.

## **PROCEDURE TO BE FOLLOWED BY THE LICENSING SUB-COMMITTEE – NEW AND VARIATION APPLICATION HEARINGS**

All hearings will normally be held in public, however, the Licensing Sub-Committee may exclude the public from all or part of a hearing where it considers that the public interest in so doing outweighs the public interest in the hearing or that part of the hearing taking place in public. A party or that party's representatives may be treated as a member of the public and therefore excluded from the meeting for all or part of the hearing, and all parties have the right to be represented and to call witnesses.

The Clerk or Legal Advisor to the Sub-Committee will have the right to ask questions on behalf of the Sub-Committee of any party to the proceedings.

### **PROCEDURE:**

1. The Chair of the Sub-Committee will open the meeting and introduce the members of the sub-committee and call upon the parties to identify themselves and their representatives and to identify any witnesses they intend to call.
2. The Chair of the Sub-Committee will either call upon the Licensing Officer or themselves explain to the parties the procedures which will be followed at the hearing. Unless the Chair directs otherwise, each party will normally have a maximum period of one hour in which to state their representations and call any witnesses in support of their case. In every case, all parties will have an equal maximum period.
3. The applicant will then have the opportunity to outline why they have made the application and any conditions they are proposing to put in place to uphold the licensing objectives.
4. The Sub-Committee and other parties through the Chair will have an opportunity to clarify any points made by the applicant.
5. Any person or organisation who has made relevant representations will then outline their concerns in relation to the licensing objectives mentioned in 2.1 of the report. (This and point 6 will repeat for all representations made).
6. The Sub-Committee and other parties through the Chair will have an opportunity to clarify any points made by the person or organisation making the representation.
7. All parties will be given the opportunity to sum up their case and respond to any matters that have arisen since they made their representations. This will finish with the applicant summing up.
8. The Sub-Committee will normally make their determination at the conclusion of the hearing, but when this is not possible, will make its determination within the period of five working days beginning with the day on which the hearing was held.
9. The Council will provide a written notice of the decision to all parties forthwith and in any event before the end of the fifth working day after the conclusion of the hearing.

## NEWCASTLE-UNDER-LYME BOROUGH COUNCIL

### CORPORATE LEADERSHIP TEAM'S REPORT TO

#### Licensing Sub-Committee Date 12 July 2024

**Report Title:** Variation Premises Licence Application that has received a relevant representation.

**Submitted by:** Service Director – Regulatory Services

**Portfolios:** Finance, Town Centres and Growth

**Ward(s) affected:** Wolstanton

#### **Purpose of the Report**

To inform the sub-committee of an application to vary the premises licence received from a premises licence holder which has received three relevant representations on the grounds of Prevention of Public Nuisance.

#### **Recommendation**

That Sub-Committee:

In accordance with the Licensing Act 2003, the statutory guidance and the Council's own Statement of Licensing Policy the Sub-Committee must consider the Premises Licence and have regard to the four licensing objectives, as below, when making its decision:

- (i) The Prevention of Crime and Disorder
- (ii) Public Safety
- (iii) The Prevention of Public Nuisance
- (iv) The Protection of Children from Harm

#### **Reasons**

A variation application was received and accepted on 26 April 2024 from Hop Back Brewery PLC in relation to The Archer of 21 Church Lane, Wolstanton, ST5 0EH asking to vary the licensable hours of the licence and amend the conditions. Within the consultation period three relevant representations were received from members of the public in relation to the licensing objective of Prevention of Public Nuisance.

#### 1. **Background**

1.1 The licence information relating to this application is as follows:

Premises:	The Archer
Location:	21 Church Lane, Wolstanton, ST5 0EH
Licence Number:	3341
Premises Licence Holder:	Hop Back Brewery PLC
Designated Premises Supervisor:	Miss Gemma Ridgway

1.2 This matter was originally due to be heard on the 14 June 2024 however due to a lack of availability of a legal advisor for the Council the matter was deferred until 12 July 2024.

- 1.3 This premises licence was converted on 24 November 2005 from the previous licensing regime retaining its opening and licensable hours. On the 24 July 2006, Hop Back Brewery PLC took over as premises licence holders and on 7 December 2022, Gemma Ridgway took on the position at designated premises supervisor. There have been no complaints relating to noise recorded against the licence. The current premises licence and plan is attached as **Appendix A**.
- 1.4 Up until 2023, there are no records for Temporary Event Notices (TEN) and then in 2023 the premises licence holder applied for two music nights on the 27 August until midnight and on the 11 November until 00:30am on the 12 November 2023. Then, a TEN was given for New Year's Eve 2023 until 01:30am on New Year's Day and on the 31 March 2024 for Easter Sunday a further TEN was given finishing at 01:30am.
- 1.5 An application to vary the licence was made on the 26 April 2024 following discussion with the licensing department as the premises wished to have the opportunity to hold events without the need to give temporary event notices. The application, attached as **Appendix B**, details a request to extend the hours for recorded music, alcohol and opening, and to add the licensable activities live music and late night refreshment. It also requests to removal of the embedded conditions and proposes new conditions relating to CCTV, measures to reduce public nuisance and the Challenge 25 scheme. The proposed conditions are attached as **Appendix C**.
- 1.6 During the consultation period four representations were received from members of the public in relation to the licensing objective of prevention of public nuisance and in particular in relation to concerns over an increase in noise problems from the premises. Following confirmation that the contact details of the person making the representation would be shared with the applicant one representation was withdrawn. The remaining three representations are attached as **Appendices D to F**.
- 1.7 There were no representations from the responsible authorities consulted as part of the application process.
- 1.8 A copy of the location plan of the premises and its local surrounds is attached as **Appendix G**. There are several households around the premises and it is located next to the entrance to a primary school and local community centre. It is located in the Wolstanton ward.

- 3.2 For this purpose the conditions of the licence are modified if any of them are altered or omitted or any new condition is added.
- 3.3 The Sub-Committee are asked to note that they may not modify the conditions or take any other steps merely because they consider it desirable to do so. Any action taken must be appropriate in order to promote the licensing objectives.

Hi

I would like to oppose the late licence application for The Archer pub in Wolstanton. I think that the extended hours will add to increasing antisocial behaviour seen along the high street of Wolstanton since the extra pubs have been added. There is now 4 pubs within a very short space and often from 9pm onwards people can be seen smoking outside, becoming increasingly noisy and even arguing.

It's has created almost a pub crawl along the high street in a highly residential area.

I have concerns that if The Archer was granted a permanent late licence this would exacerbate the problem and merely turn it into a final destination for those working their way along the pubs. I am concerned that a late licence would lead to increased public disorder into the early hours, we are already frequently disturbed by loud/argumentative people walking home along our street, I fear that if the licence was extended and people had even longer to drink this behaviour would just shift to even later in the night (early hours of the morning) and could potentially be worse due to the additional drinking hours available.

I do not see a reason other than convenience for the landlords that this be granted as they are currently suggesting that the late licence is only to prevent them having to request individual late licence applications when required and they will be keeping to their usual opening hours the rest of the time. If this is truly the case I cannot see the reason to grant a late licence and would feel much more reassured of only an occasional late finish rather than the ability to open late whenever they wish. I am not reassured that these events would stay to a minimum as they have stated themselves it would be for numerous types of events including parties/gigs etc.

If you require any further information please don't hesitate to contact me

Kind regards

Amy Shirley

**Subject:** Objection to application by Hop Back Brewery plc for a variation to the licence for the Archer at 21 Church Lane, Wolstanton, ST5 0EH

**Categories:** Mel

CAUTION: This email originated from outside of Newcastle-under-Lyme Borough Council. Do not click links or open attachments unless you recognise the sender and know the content is safe.

We live at 20 and 22 Lane respectively, opposite the Archer pub. Having read the details of Hop Back Brewery's application we are extremely concerned about the effect the proposed changes to licensing hours would have on local residents.

Church Lane is a generally quiet residential area, at certain times during the day it can be quite busy with two primary schools in the immediate area, but in the evening and at night it is very quiet.

This whole application for extended opening hours and the extensions for live and recorded music would be excessive for a city centre bar and is entirely inappropriate for a small public house in a residential area. Pubs and bars in the centre of Newcastle under Lyme appear to close at 11 pm weekdays and many have an extension at weekends until 12 midnight.

If this application were granted there would inevitably be an increase in noise levels from music on the premises and for longer periods of time, More customers would mean more noise at closing time which at weekends could be as late as 1am. Noise during summer months would increase further with open windows and customers sitting outside.

The effect on residents quality of life or quality of sleep(!) would be entirely negative and we therefore object to any variation to the current licence arrangements for the Archer pub.

**Subject:** Premises licence The Archer Wolstanton

Hello

We had a letter through the door re The Archer ad them wishing to extend their licence hours to 1230am during the week and 1 am on a Sunday.

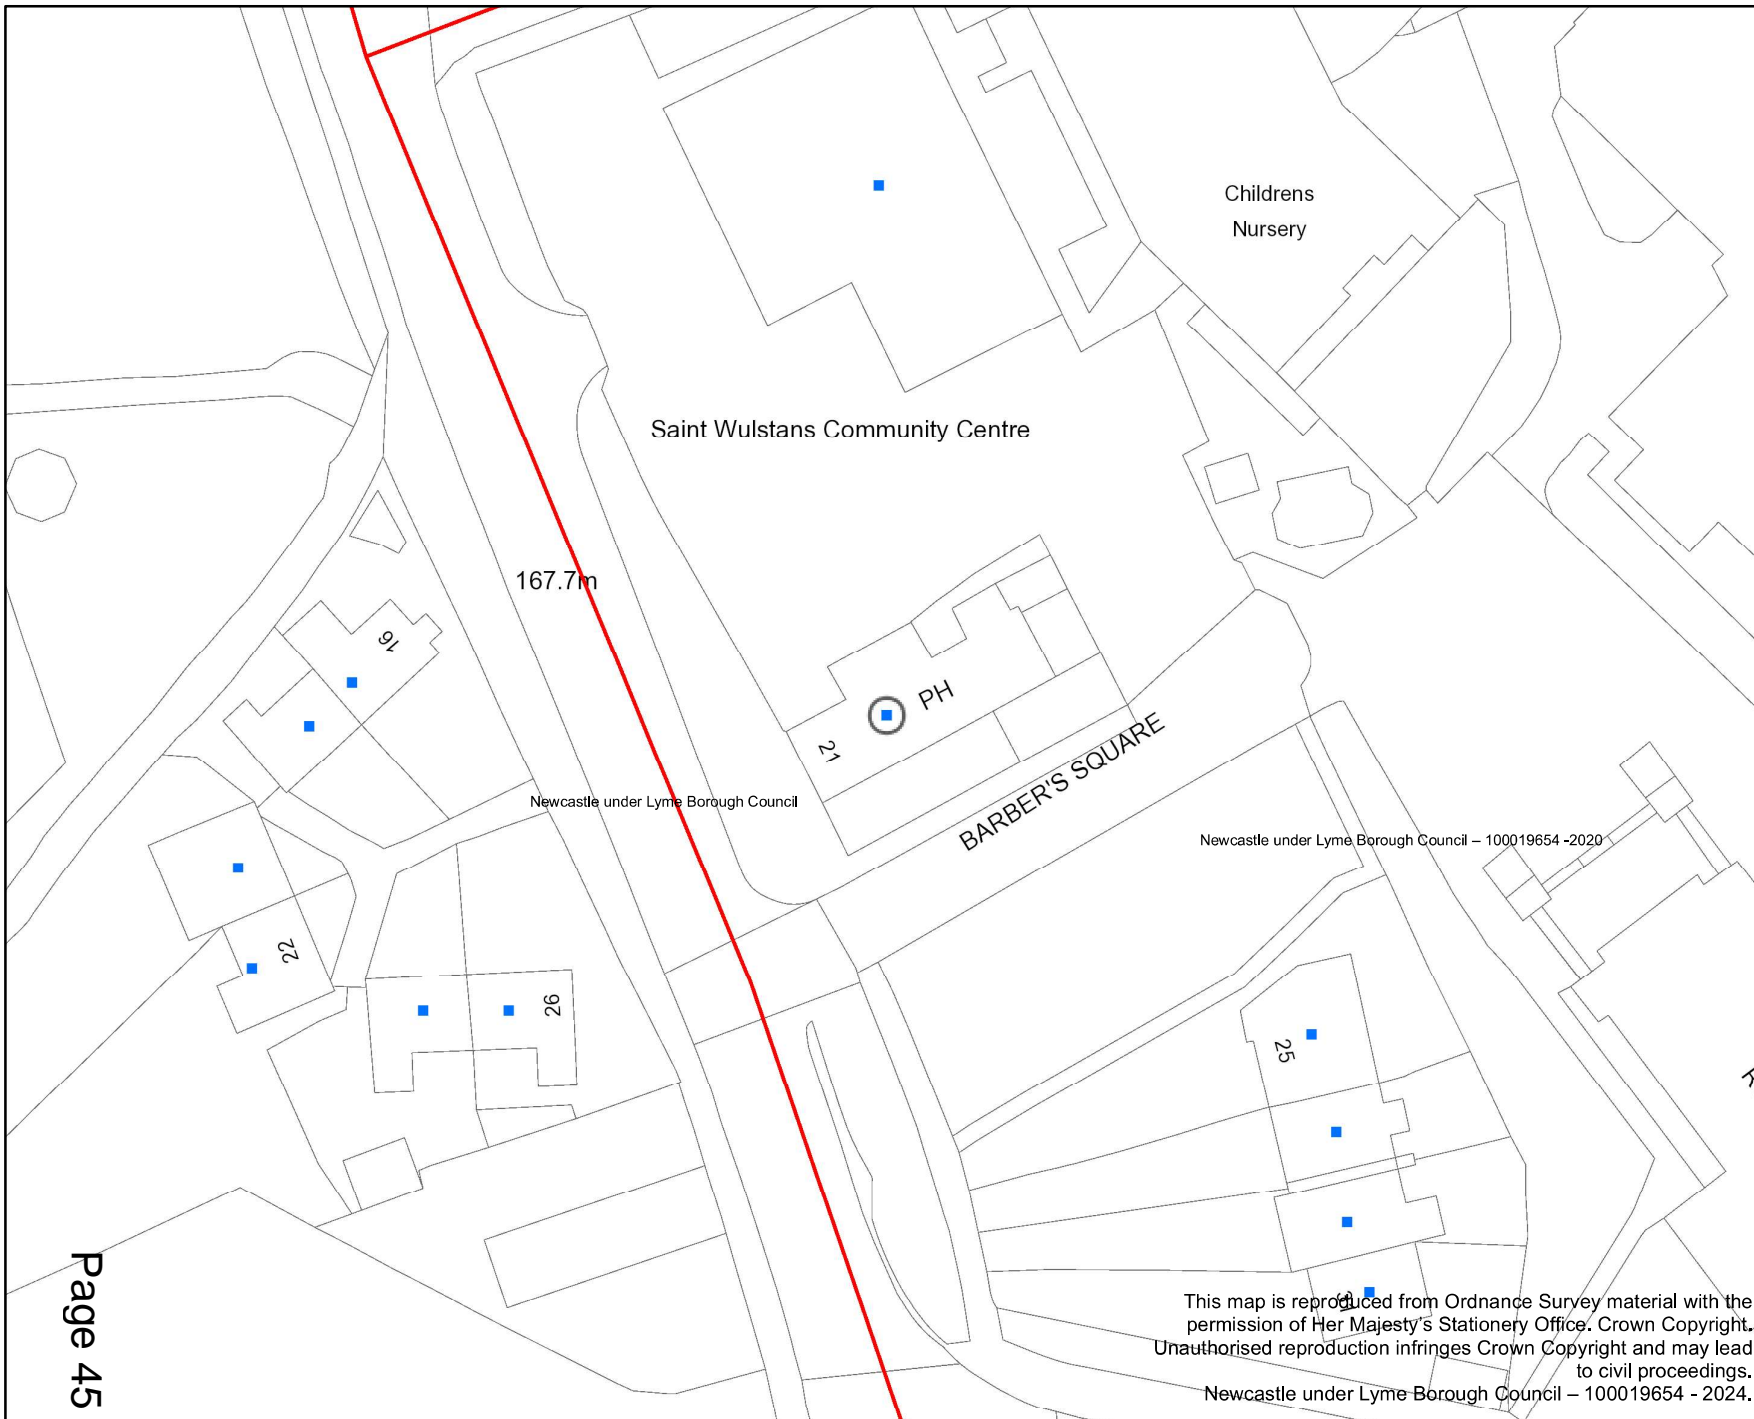

I strongly object to this we live only 2 doors away from The Archer and when they have had loud music playing it has been so loud that we have not been able to have our windows open and this has stopped us from sleeping if this was until 0100 in the morning it would be impossible to sleep i am a nurse and have to be up for 0600 in the morning this leaving me 5 hours of sleep.

Wolstanton is a quiet village area and does not require music blaring out until 0100hrs it is not a town and if people want to stay up until this time that thy can go to Newcastle. I did not include my address in this if you require this please let me know

Kind Regards

Louise Harvey
