Portfolio: Policy, People and Partnerships

Ward(s) affected: All

Purpose of the Report

To inform Members of the progress made by the Council in enhancing and embedding risk management for the period January to March 2015, including progress made in managing identified corporate risks.

Recommendations

The Committee is asked to:-

- (a) Scrutinise the progress that has been made in managing the risks identified within the Strategic, Operational, Project and Partnership Risk Registers, where applicable**
- (b) Note the new risks that have been identified between January to March 2015**
- (c) Identify, as appropriate, individual risk profiles to be scrutinised in more detail at the next meeting of the Committee**
- (d) Note the point 2.1.1 showing no overdue risk reviews.**
- (e) Note the report showing risk rating changes**

Reasons

The risk management process previously adopted by the Council has been reviewed to incorporate changes in the way the Council works and to provide continuity and streamlined reporting of risks to allow the process to become further embedded at each level of the authority. This will also aid the identification of key risks that potentially threaten the delivery of the Council's corporate priorities. The Risk Management Strategy provides a formal and proportionate framework to manage these identified risks and thus reduce the Council's exposure.

1. Background

- 1.1 The Council monitors and manages all its risks through the various risk profiles contained within GRACE (Governance Risk and Control Environment) – the Council's software used to record and manage risks.**

- 1.2 The Council currently reviews its high (red 9) risks at least monthly and its medium (amber) risks at least quarterly.
- 1.3 The last review of these risks was reported to the Council's Audit & Risk Committee in February 2015.
- 1.4 Risk owners are challenged by the Council's Risk Champions in respect of the controls, further actions, ratings and emerging risks related to their risks, and are also challenged on the reasons for inclusion or non-inclusion and amendment of these.
- 1.5 Projects are managed to a high level in relation to risk and are reviewed in accordance with the Risk Management Strategy (i.e. monthly).

2. **Issues**

- 2.1 Further to an Audit Assurance recommendation, your officer has been asked to report on overdue risk reviews that are 6 months out of date.
 - 2.1.1 At the time of the running report, there were NO overdue risks.
- 2.2 Following a further meeting with the Chair, a request was made that a report was produced to show any risks where the risk level has increased.
 - 2.2.1 Your officer can report that there have been no risk level increases during the period January to March 2015.
 - 2.2.2 There were 52 new risks added to the system that fell into the Medium Amber ratings and can be categorised as follows: 7 x medium amber 6 rating; 10 x medium amber 5 rating and 35 x medium amber 3 rating.
 - 2.2.3 Should there be any increase during April to June 2015 these will be reported to the next Committee meeting.

3. **Strategic, Operational, Project and Partnership Risk Registers (Appendices)**

- 3.1 The Council regularly reviews and refreshes its risk registers in accordance with the Risk Management Strategy.
- 3.2 These reviews are co-ordinated by the Strategic Risk Champion who works closely with Directors, Operational Risk Champions and Risk Owners.

3.3 The risk map below shows the descriptions of the ratings, for ease of use.

L I K E L I H O O D	High 3	7 Amber	8 Amber	9 High Red
	Medium 2	4 Green	5 Amber	6 Amber
	Low 1	1 Green	2 Green	3 Amber
		Low 1	Medium 2	High 3
IMPACT				

3.4 During this quarter there has been one additional risk added of a final rating of medium amber 8 in relation to the council's communication strategy for 2015-2018, where the risk is highlighted as failure to engage or consult with key stakeholders.

3.5 Appendix A now highlights the risks that fall into the top line of the above risk map.
