

2015-16 Action Plan: Compliance with the Public Sector Internal Audit Standards and the Local Government Application Note Self-Assessment 2014-15

This action plan has been produced following the completion of the checklist that was developed to satisfy the requirements set out in PSIAS 1311 and 1312 for periodic self-assessments and externally validated self-assessments as part of the Quality Assurance and Improvement Programme. The action plan identifies those areas where at present Internal Audit do not fully meet the requirements of the standards and as such a programme of work is now required to ensure compliance.

	Is feedback sought from the chair of the audit committee for the CAE's performance appraisal?			N	The Executive Director (Resources and Support Services) will consult with the Chair of the Audit and risk Committee prior to the Audit Managers next performance appraisal	March 2016
	Do internal auditors have sufficient knowledge of key information technology risks and controls?		P		<p>This has been identified as an area of weakness within the team as it is such a specialist area of work. The size of the audit team does not justify a FTE Computer Audit Specialist therefore the Audit service currently buys in 30 days specialist computer audit work as part of the annual audit plan.</p> <p>In addition to this the Staffordshire Chief Auditors Group are trying to develop the IT skills within our own teams through an IT Sub Group which comprises auditors with some IT awareness – the aim of the group is to share best practice in order to enhance the skills in this area.</p>	<p>The SCAG IT group is currently looking at various training courses that will help to improve these skills.</p> <p>March 2016</p>
	Do internal auditors have sufficient knowledge of the appropriate computer-assisted audit techniques that are available to them to perform their work, including data analysis techniques?		P		<p>This is an area that needs to be developed further and is an area of work being considered by the Staffordshire Chief Auditors IT Sub Group</p> <p>In addition to the work of the SCAG IT group we are currently exploring these methods internally with some assistance from ICT Services</p>	March 2016

	Do internal assessments include on-going monitoring of the internal audit activity, such as:- a) Routine quality monitoring processes? b) Periodic assessments for evaluating conformance with the PSIAS?	Y	P		All reports are reviewed at the draft stage by the Audit Manager before they are issued. In addition a further review is made of the final report once the findings and recommendations have been discussed and agreed. Working papers are reviewed – however given that they are stored as word/excel documents within Microsoft office – it is not practical for the Audit Manager to go in and sign off every WP. The introduction of a fully integrated audit management system would assist with this process A new software system is currently being configured.	September 2015
	Has the CAE discussed the proposed form of the external assessment and the qualifications and independence of the assessor or assessment team with the board?			N	A report will be submitted to the Audit and Risk Committee with regards to the proposals for an external assessment	November 2015
LGAN	Has the CAE agreed the scope of the external assessment with an appropriate sponsor, such as the chair of the audit committee, the CFO or the chief executive?			N	The scope of the assessment will be discussed and agreed with S151 officer who attends SCFOG. A specification for the assessment will be presented to SCFOG for approval in September 2015	September 2015

	Has the CAE agreed the scope of the external assessment with the external assessor or assessment team?			N	The external assessment programme that is being looked at with SCAG will define the scope of the assessment. This will be reviewed at the July 2015 meeting of SCAG with a view to this then going to SCFOG in September for final approval.	September 2015
	Has the assessor or assessment team demonstrated its competence in both areas of professional practice of internal auditing and the external assessment process? Competence can be determined in the following ways: <ul style="list-style-type: none"> a) experience gained in an organisation of similar size b) complexity c) sector (i.e. the public sector) d) industry (i.e. local government), and e) technical experience Note that if an assessment team is used, competence needs to be demonstrated across the team and not for each individual member.			N	Assessment has not yet been undertaken. These issues will be incorporated into the scope of the external assessment. It is proposed that the assessment will be completed in the 2016/17 financial year.	March 2017

	Does the risk-based plan include the approach to using other sources of assurance and any work that may be required to place reliance upon those sources?		P		<p>A folder is maintained electronically of all Audit Documentation – this contains audit briefs and programmes.</p> <p>CIPFA Audit Manual is available for all auditors</p> <p>Audit Protocol sets out procedures for auditors to follow – this document is also circulated to EMT, HoS & Business Managers as well as being available on the intranet.</p> <p>The audit documentation folder needs further development – this would be assisted with a fully integrated audit management system.</p> <p>Work is still on going in relation to the production of an audit manual</p>	<p>.</p> <p>March 2016</p>
LGAN	Has the CAE carried out an assurance mapping exercise as part of identifying and determining the approach to using other sources of assurance?			N	An assurance mapping process needs to be developed	March 2016
	Does the internal audit activity evaluate and contribute to the improvement of the above using a disciplined and systematic approach and is this evidenced?			N	An assurance mapping process needs to be developed	March 2016
	For significant consulting engagements, has this understanding been documented?			N	Evidence of the assurance mapping process will be documented.	March 2016

Ref	Conformance with the Standard	Y	P	N	Action Required	Target Date
	Where significant consulting opportunities have arisen during an assurance engagement, was a specific written understanding as to the objectives, scope, respective responsibilities and other expectations drawn up?		P		<p>This would normally be in the form of email correspondence.</p> <p>A formal process will be defined along similar lines to the audit briefs that are produced for the audit areas contained within the audit plan.</p> <p>This will be looked at as par to of the new audit system</p>	March 2016
	Do internal auditors report that engagements are “conducted in conformance with the PSIAS” only if the results of the QAIP support such a statement?		P		<p>Where additional issues arise that require consideration – Audit Manager will consult with management – dependent upon the issues that have been identified these will either be reviewed at the time as an additional piece of work or will be included in next year’s audit plan. Resources within a small team do not allow every issue to be reviewed.</p>	March 2016
				N	<p>Internal Audit reports do not state that they have been conducted in accordance with the PSIAS standards. The audit manager will review the report template and look to include a suitable form of words that will cover this.</p> <p>This will be considered with the implementation of the new system.</p>	March 2016
