4. UPDATE FROM THE CHAIR OF THE COMMITTEE

The Trustees received an update from the Chair regarding activities over the past year.

For various reasons, the residents had not received their Christmas gifts last year. Therefore a proposal was made to give the ladies double this time.

The gas fires were to be removed and replaced with electric ones before Christmas.

A site visit had not been undertaken this year as yet, therefore this would be done before Christmas.

Resolved:-

- (i) That the information be received.
- (ii) That the residents receive £40 Christmas gifts (cheques) this year.
- (ii) That a site visit be arranged before Christmas

5. REPORT OF THE TREASURER

Consideration was given to the Financial Report of the Almshouse Charity.

The Trustees were advised that there was funding available and that if there were any projects which required doing, they could be considered.

A couple of years ago, electric fans in the kitchens had been requested by the residents but this had not been possible due to there being gas fires in the properties. However, with electric fires now being fitted, this could be revisited.

In addition, external planters had also been considered, this too could be looked at again.

Resolved:- (i) That the financial report be received.
(ii) That the two projects outlined above be revisited.

6. VACANCIES FOR TRUSTEES

Notification was given of two vacancies for Trustees. Two names were suggested and they would be approached to see if they were interested.
