**Recommendations**

- (a) That the Treasury Management Annual Report for 2015/16 be received.**
- (b) That the actual Prudential Indicators contained within the report be approved.**

**Reasons**

It is a requirement of the CIPFA Treasury Management Code of Practice and its Prudential Code for Capital Finance that an Annual Report is made to the Council in respect of each year's Treasury Management activities.

**1. Background**

- 1.1 The CIPFA Code of Practice on Treasury Management (revised in November 2011) recommends that Members should be informed on Treasury Management activities at least twice a year.
- 1.2 This report therefore ensures that this Council is embracing Best Practice in accordance with CIPFA's recommendations in the CIPFA Code of Practice.
- 1.3 The Audit and Risk Committee monitor and oversee the delivery of the Treasury Management Strategy. The Treasury Management Annual Report for 2015/16 has already been reviewed by the Audit and Risk Committee at their meeting on 04 July 2016. Any feedback from this meeting shall be provided if necessary.
- 1.4 Treasury Management operations are carried out in accordance with policies laid down in the currently approved Treasury Management Policy Statement, backed up by approved Treasury Management Practices and Schedules thereto, and the Annual Treasury Management Strategy Report for 2015/16 approved by Council on 25 February 2015.

2. **Issues**

2.1 The Treasury Management Annual Report for 2015/16 is attached at Appendix 1. The economic background and economic forecast included in the report has been provided by the Council's Treasury Management Advisors, Sector Treasury Services Ltd.

2.2 **Heritable Bank**

The original investment with Heritable Bank was £2,500,000. Fifteen dividends have been received so far from administrators Ernst and Young representing a return of 98%, compared to their estimated base case return of between 86% and 90%.

3. **Legal and Statutory Implications**

3.1 See Background for details.

4. **Financial and Resource Implications**

4.1 There are no specific financial implications arising from the report.

5. **Major Risks**

5.1 Treasury management is a major area of risk for the Council in that large amounts of money are dealt with on a daily basis and there are a number of limits and indicators, which must be complied with.

5.2 The overriding consideration in determining where to place the Council's surplus funds is to safeguard the Council's capital. Within this constraint the aim is to maximise the return on capital.

5.3 Operational procedures, coupled with monitoring arrangements, are in place to minimise the risk of departures from the approved strategy.
