18/00089/FUL	Kidsgrove Scout Association, The Avenue, Kidsgrove	Demolish existing sectional garage and replace with brick garage.	The WP welcomed removal of existing building but feel that as building will be higher, the rear roof should also be hipped. Brick banding is unnecessary and darker brick would be more appropriate for canal side setting. It was also noted that downspouts had been omitted and should be located on side elevation to building away from the canal for maintenance and that they should be matt black colour.
