Recommendation

That the report be noted.

1. **Background**

1.1 Attached as an Appendix is the health and safety report submitted to the council. It covers the period 1st April 2017 to 31st March 2018.

2. **Legal and Statutory Implications**

2.1 The council is required to comply with all relevant Health and Safety legislation.

3. **Equality Impact Assessment**

3.1 Our health and safety policy and procedures apply equally to all employees. Training is available to all employees as required.

4. **Financial & Resource Implications**

4.1 The majority of health and safety training courses are carried out in-house. On occasions, external providers are required to conduct specialist training courses i.e. First Aid. The cost of this is met from within the existing Corporate Training budget.

5. **Risks**

5.1 Failure to adopt best practice health and safety standards could result in wastage of council resources and the provision of an inefficient service.

6. **Issues**

6.1 There is considerable progress to report, including the delivery of training, fire evacuation drills and the revision of several health and safety policies.

6.2 Work continues with the use of Target 100, in particular the focus has been on risk assessments and ensuring that they are regularly monitored and reviewed to ensure that they remain suitable and sufficient.
