### **Background**

**At a meeting of the Cabinet on 19 September 2018 consideration was given to a report of the preferred options put forward by a cross party Cabinet Panel Task and Finish Group for the introduction of a new kerbside recycling service and an affordable garden waste collection service. A copy of this report is attached to the Committee papers.**

#### **Cabinet resolved:**

- (i) That the Cabinet agrees a preferred option for the introduction of a new kerbside recycling service which makes it easier for residents to recycle, and is simpler to operate.**
- (ii) That the Cabinet agrees a preferred option for the future provision of garden waste collections following the withdrawal of recycling credits paid by Staffordshire County Council.**
- (iii) That Officers are authorised to undertake further detailed planning and modelling work to develop the Cabinet's preferred options and report back to Cabinet on detailed project costs and timescales.**
- (iv) That Cabinet thanks the Task and Finish Group for their work in putting forward their preferred options.**

### **Recommendation**

**That following consideration of the call-in the Economy, Environment and Place Scrutiny Committee may either:**

- a) Choose to reject the call-in and note the original decision;**
- b) Accept the proposal set out in the call-in form and refer back to Cabinet with any additional comments to be considered by Cabinet at its next scheduled meeting when Cabinet may amend the decision or not before adopting the final decision;**
- c) Accept the proposal set out on the call-in form and refer the matter to Full Council if the decision is deemed to be outside the budget and policy framework.**

**If the call-in is rejected then the original decision takes effect from the date of this meeting.**
