

**LAND AT DODDLESPool, BETLEY reference 17/00186/207C2**

The purpose of this report is to provide Members with an update on additional alleged activities at this site and on the progress of the works being undertaken following a planning application for the retention and completion of a partially constructed agricultural track, reference 18/00299/FUL, which came before the Planning Committee on the 6<sup>th</sup> November 2018.

**RECOMMENDATION**

**That the information be received.**

Latest Information

It appears that the works to the track, granted under planning permission 18/00299/FUL, have recommenced and your officers are monitoring the activities closely to ensure that the works are in accordance with the approved plans and the planning conditions of that permission.

A site visit with the owner has been arranged for the 28<sup>th</sup> September and he will be reminded of condition 6 of the planning permission which prevents the importation of all material associated with the construction and completion of the track within 24 months from the date of the decision i.e. by the 8<sup>th</sup> November 2020.
