Reference	Location and Applicant	Development	Working Party Comments	Planning Decision
20/00506/FUL	The Hawthorns, Keele	Conversion of existing building to 5 apartments including alterations to and additional windows and two storey extension.	The Working Party supports the principle of the extension and feels that it is modest but that the proposed windows do not work well with the existing side elevation on the main house and should be reconsidered and simplified. They generally supported the use of an unpainted red brick finish but wanted to ensure that the brick matched brickwork on the porch. They supported a better design for the new entrance door including the lintel style of door and door furniture.
