Subject: FW: Offley Arms, Poolside, Madeley, Newcastle Under Lyme. Application to vary a premise license. Licensing Act 2003

Dear Licensing,

[Application to vary a Premises Licence to be granted under the Licensing Act 2003 - Offley Arms, Poolside, Madeley, Newcastle Under Lyme, CW39DX](#)

Staffordshire Police wish to make representations concerning the licence application on the basis that it is considered that the application in its current form would not promote the licensing objectives.

Staffordshire Police have consulted with the Applicant and have agreed amendments to the operating schedule, as outlined in the below email, which it is believed will promote the objectives. As the Applicant and Staffordshire Police are in agreement, subject to there being no representations from other parties, it is respectfully considered that, as this application is now uncontested and both the Applicant and Staffordshire Police agree that a hearing is unnecessary, the Licensing Authority dispense with a formal hearing on the basis of the agreement.

If you have any queries, please do not hesitate to contact me.

Regards

Clive

Dear Beckie Thackeray, below are the proposed amendments to the premises licence. **Please could you advise, by return email**, if you are in agreement with the conditions (below) being incorporated into the Premises Licence and replacing those in your application?

To amend and incorporate conditions contained in section M (b) The prevention of crime and disorder and (e)The protection of children from harm:

Prevention of Crime and Disorder

- 1) CCTV must be installed and cover all internal areas, including all public entry and exit points and any areas where smokers are allowed to congregate. The CCTV unit must be positioned in a secure part of the licensed premises and not within any private area of the location. Access to the system must be allowed immediately to the Police, Trading Standards or an authorised officer of the Licensing Authority in accordance with the Data Protection Act where it is necessary to do so for the prevention of crime and disorder, prosecution or apprehension of offenders or where disclosure is required by law.
The time and date must be set to the correct time relating to BST/GMT
- 2) A competent trained person in the use of and operation of the CCTV must be in attendance at the premises at all times that licensable activities take place and be able to fully operate the CCTV system to be able to download at the time of the visit/upon request onto a CD/DVD/USB stick any information requested by any Responsible Authority.
- 3) All CCTV images must be retained for a period of not less than 31 days.
- 4) Clear signage must be displayed at all entrance and exits indicating that CCTV is operating.
- 5) An incident register of all occurrences and ejections from the premises must be maintained at the premises and any details of any incidents of crime or disorder must be recorded. The register must be produced and made available at the time of the visit/upon request to any responsible authority.
- 6) There shall be placed at all exits from the premises in a place where they can be seen and easily read by the public, (or members and their guests) notices requiring customers to leave the premises and the area quietly.
- 7) The licence holder shall ensure that no outside drinking shall take place after 23:00 hours.

Protection of children from Harm

- 1) A Challenge 25 policy must be adopted and enforced at the premises where all persons who appear to be under the age of 25 must be challenged for acceptable identification to prove they are over the age of 18 prior to the purchase of alcohol.
- 2) The only acceptable forms of identification are a valid photo driving licence, valid passport or a valid PASS approved proof of age card.
- 3) Challenge 25 posters must be displayed at all entrances to the premises, all areas where alcohol is displayed and at the cash till payment area.
- 4) Posters must be displayed prominently and in sight of customers and staff.
- 5) A refusals register with details of all refusals must be maintained at the premises. The register may be contained on the till but must contain details of the staff member refusing the sale and must be checked on a monthly basis by the Designated Premises Supervisor and signed and dated by the Designated Premises Supervisor.
- 6) The refusals register or when on the till a print out of refusals must be produced and made available for inspection at the time of the visit/upon request by any Responsible Authority.
- 7) Both initial and subsequent refresher training in relation to the sale of alcohol will contain a written or electronic test to be undertaken by the staff member and this record must be signed and dated by both the member of staff and the Designated Premises Supervisor.

If you have any queries please do not hesitate to contact me.
