

UPDATE ON LOCAL PLAN OPTIONS

The report is to provide Planning Committee with an update on the review of the options for preparing a Local Plan for the needs of the people and businesses of the Borough

RECOMMENDATION

That the information be received.

The attached report has been prepared for the Cabinet meeting of the 13th January. It follows on from an earlier report of the 9th December.

At the meeting last year, members of Cabinet resolved to undertaken consultation on the options for either proceeding with the current Joint Local Plan with Stoke on Trent or starting work on a new Borough Local Plan independent of the City Council.

The attached report updates on the findings of the consultation and presents an option for proceeding with a Borough Plan and how that may be progressed.

Members are asked to consider the attached report. Any comments will be conveyed to Cabinet for consideration.
