

**DECISIONS OF THE BOROUGH COUNCIL ON APPLICATIONS WHICH
HAVE PREVIOUSLY BEEN CONSIDERED BY THE WORKING PARTY**

For reports on all committee decisions, please follow the minutes and agendas search on the Council's website or refer to your copy of the Planning agenda for the permitted date. Reports for delegated items can be found in the public access section of the Council's website and a direct link to the application is provided in the last column.

Reference	Location and Applicant	Development	Working Party Comments	Planning Decision
21/00039/FUL & 21/00040/ADV	Adjacent to 23 Ironmarket, Newcastle	Installation of freestanding digital display unit providing passenger transport information using digital advertisement to be displayed on a 300 second loop	The group felt that two totems along Ironmarket was excessive but the general consensus was that they were a valuable installation. They objected to the location outside Wilkinsons being directly in the centre of the space. In addition any installation and connections should replace the hard landscaping with appropriate surfacing. Classification: NULBC **UNCLASSIFIED**

21/00064/FUL & 21/00065/LBC	Church School Woore Road, Madeley	Installation of biomass boiler and associated fuel store adjacent to existing boiler room to rear of building	The group felt that the store was particularly large and exacerbated the number of utilitarian structures which have already been introduced into the former playground. It was felt that the store should make better use of the brickwork wall, that it should be smaller and more recessive.
