

## **REPORT OF THE CHAIR OF THE ECONOMY, ENVIRONMENT AND PLACE SCRUTINY COMMITTEE**

The last meeting of EE&P Scrutiny was held on 29th September 2021, the following items were reviewed and resolutions made -

1. Sustainable Environment Strategy Update - report accepted and supported
2. Environmental Health Performance and Enforcement Report - report accepted and committee thanks sent to all officers and colleagues for their hard work during a very challenging time
3. Streetscene Position Statement - report received and a request to Cabinet was made to have a strategy put in place which will future proof the department for the predicted increase in domestic and commercial premises over the next 10 years - to ensure there is a viable plan and succession planning strategy in place for colleagues as well as a replacement programme for plant and equipment to at least maintain the current levels of service.
4. Future High Street Fund for Newcastle and Town Deals for Kidsgrove and Newcastle were reviewed and accepted.

It was agreed for the next meeting in December The BID manager would be asked to attend to update on their progress, there would be an update on the Borough Local Plan following its consultation period and the regular items of Town Deals and FHSF would be reviewed.
