**Submitted by:** Chief Internal Auditor, Clare Potts

**Portfolios:** Finance, Town Centres and Growth

**Ward(s) affected:** All

**Purpose of the Report**

To consider the annual report of the Internal Audit activity for the financial year 2021/22 enclosed as Appendix A.

**Recommendation**

That

**1. The Internal Audit Annual Report for 2021/22 be noted.**

**Reasons**

In accordance with the Internal Audit Charter objective to report progress against the plan to the Audit & Standards Committee on a quarterly basis and to provide an annual opinion on the Authority's control environment.

**1. Background**

- 1.1 The primary purpose of an Internal Audit service is to provide an independent, objective assurance and consulting service to the organisation; and through the efficient delivery of this service seeks to add value and improve the organisation's operations and controls to effectively deliver the council's Strategic Priorities. Internal Audit assists the organisation to accomplish its objectives by bringing a systematic, disciplined approach to evaluating and improving the effectiveness of risk management, control and governance processes. Internal Audit is an independent appraisal function within the Borough Council under the control of the Head of Finance (and Section 151 Officer).
- 1.2 Internal Audit also provide a service to management by giving assurance that there are adequate internal controls in operation, ensuring the proper economic, efficient and effective use of resources, to include the security of assets and data and to assist management in preventing and detecting fraud. This is achieved by the completion of routine system and regularity audits and under a wider remit by value for money and special audits.
- 1.3 2021/22 is the second year that a full internal audit service was planned to be delivered by Stoke-on-Trent City Council including undertaking the role of Chief Internal Auditor as defined by the PSIAS (Public Sector Internal Audit Standards).

- 1.4 During 2021/22, the service continued to utilise specialist external IT audit support for work originally planned to be undertaken during 2020/21 to Information Security Advice Limited.
- 1.5 As required by the Public Sector Internal Audit Standards, an Internal Audit Charter is required in respect of delivering the Internal Audit Service. The internal audit charter is a formal document that defines internal audit's purpose, authority and responsibility. The charter establishes Internal Audit's position within the organisation, including the nature of the Chief Internal Auditor's functional reporting relationship with the Audit Committee; authorises access to records, personnel and physical properties relevant to the performance of engagements; and defines the scope of Internal Audit's activities. It provides a framework for the conduct of the service. The latest version of the Charter has been approved by the Council's Executive Management Team and the Audit and Standards Committee in April 2021.
- 1.6 The Internal Audit year-end report also builds upon the assurance given by the section in support of the Annual Governance Statement on internal control. The planning and delivery of a robust audit plan ensures that an annual opinion and overall level of assurance can be provided by the Chief Internal Auditor to those charged with governance, thereby complying with constitutional requirements and sector standards. This opinion is one of the elements of the assurance framework which is reported in the annual governance statement.

## 3. Proposal

- 3.1 Not applicable.

## 4. Reasons for Proposed Solution

- 4.1 Not applicable.

## 5. Options Considered

- 5.1 In considering the resourcing of the Internal Audit Section consideration is given to the skills required and those that are available internally. The provision of IT Audit skills is a specialist area and one that is constantly changing particularly given the change in working practices of the last two years. The provision of IT Assurance Audit work for 2021/22 was therefore allocated to specialist external IT Audit support.

## 6. **Legal and Statutory Implications**

- 6.1 The Accounts and Audit (England) Regulations 2015, state that “A relevant authority [the Council] must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.” (para 5(1)).
- 6.2 Section 151 of the Local Government Act 1972 states that every local authority should make arrangements for the proper administration of their financial affairs and shall secure that one of their officers has responsibility for the administration of those affairs’. CIPFA has defined ‘proper administration’ in that it should include ‘compliance with the statutory requirements for accounting and internal audit’.
- 6.3 The activities of Internal Audit are planned in accordance with the Accounts and Audit Regulations which place a duty upon the Chief Internal Auditor to report to members on a regular basis. By acting upon recommendations within internal audit reports, the council is demonstrating its commitment to maintain an adequate and effective system of internal control, as required by these regulations. Satisfactory delivery of the audit plan assists the Head of Finance (and Section 151 Officer), in discharging her duties under section 151 of the Local Government Act 1972.

## 7. **Equality Impact Assessment**

- 7.1 There are no equality impact issues identified.

## 8. **Financial and Resource Implications**

- 8.1 The work undertaken during 2021/22 was provided through a service agreement by Stoke-on-Trent City Council. . The financial implications resulting from the recommendations made within audit reports is highlighted within individual reports wherever possible. It is the responsibility of managers receiving audit reports to take account of these financial implications, and to take the appropriate action.

## 9. **Major Risks**

- 9.1 The key risk to be considered in noting the attached report is that the independent and objective assurance provided by Internal Audit is, or is perceived to be, compromised. The consequence of which is that opportunities to improve the Authority’s system of internal controls, governance framework and the delivery of its objectives are not identified or acted upon. This risk is managed through a combination of the governance and reporting frameworks within which Internal Audit operates and the overview carried out by this Committee. No risks have been identified that are not within acceptable tolerances and the independence of the internal audit function is confirmed.

## 10. **UN Sustainable Development Goals and Climate Change Implications**

- 10.1 The Internal Audit and Counter Fraud Arrangement via Stoke-on-Trent City Council and the Fraud Hub supports UNSG and Climate Change objectives in a number of ways. Principally, through partnership working and supporting sustainable cities and communities via the correct use of public monies. The following UNSGs are supported.
