# EXECUTIVE MANAGEMENT TEAM'S REPORT TO THE AUDIT & STANDARDS COMMITTEE

#### 25 April 2022

REPORT TITLE Corporate Risk Policy Statement and Strategy 2022/23

**Submitted by:** Executive Management Team

Portfolio: Finance, Town Centres and Growth

Ward(s) affected: All

#### **Purpose of the Report**

To provide Members with the reviewed Risk Management Policy Statement signed by the Chief Executive and Leader, and the reviewed Risk Management Strategy, both of which support the management of the risks identified within the Council.

#### Recommendation

#### The Committee is asked to:-

(a) Note the current Risk Management Policy and Strategy for the 2022/23 year, subject to changes listed in the documents, and note that the Chief Executive and the Leader have agreed and signed the Risk Management Policy Statement.

#### Reason

The risk management process adopted by the Council has been reviewed to incorporate changes in the way the Council works and to provide continuity and streamlined reporting of risks to allow the process to become further embedded at each level of the authority. This will also aid the identification of key risks that potentially threaten the delivery of the Council's corporate priorities. The Risk Management Strategy provides a formal and proportionate framework to manage these identified risks and thus reduce the Council's exposure.
