

Cabinet Forward Plan

This plan gives notice of decisions that [Cabinet](#) is expecting to take over the next few months. It also gives, except in cases of urgency, at least 28 days notice of all “Key Decisions” that will be taken. “Key Decisions” are decisions about “executive” functions that will:-

- A) result in the Council incurring expenditure or making savings of £100,000 or more (revenue), and/or £250,000 or more (capital); and/or
- B) be significant in terms of the effects on communities living or working in an area comprising two or more wards of the Borough.

We have to take some Cabinet decisions in private because they deal with confidential or “exempt” information. That is information described in one or more of the following categories set out in Schedule 12A of the Local Government Act 1972.

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority holding that information).
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under the authority
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals an authority proposes;
 - a. to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - b. to make an order or direction under any enactment
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of a crime

If we intend to take a decision in private, we will tell you why in the plan below. If you disagree with our reasons, you can tell us why using the contact details below. We will respond to you directly and will publish our response in the meeting agenda. If we have published the meeting agenda before we can respond, we will respond verbally at the meeting and record the response in the minutes.
