

## **QUESTIONS TO THE MAYOR, CABINET MEMBERS AND COMMITTEE CHAIRS**

### **To the Leader of the Council:**

1. The Leader will be aware that residents have been complaining about the poor standard of Highway grass verge cutting across the Borough by the County Council's contractor. The frequency and quality of the cuts this year has been abysmal.

Is there anything the Borough council can do about the situation?

**Cllr Andrew Parker**

### **To the Leader of the Council:**

2. All wards across the borough have seen vital bus services reduced or removed. Local affordable public transport is vital for the economy, work, medical access and social isolation. Can the borough prosperity fund explore subsidising money for local transport to get the people of the borough moving again?

**Cllr Joel Edgington-Plunkett**

### **To the Leader of the Council:**

3. On the 15th of June, Lord Giedt was forced to quit as the Prime Minister's Ethics Advisor, the second to do so after Alex Allan quit in November 2020. On Monday, Lord McDonald was forced to write to the Parliamentary Commissioner for Standards Kathryn Stone over No 10's statements on MP Chris Pincher "to ensure confidence is not eroded in our local democratic process". Does the Leader condone the behaviour of the Prime Minister or does he think that the Seven principles of public life are to be ignored like the Prime Minister?

**Cllr Mike Stubbs**
