I object to this application as the farm has a really bad track record when holding events. None us will forget the carnage that happened at the first music festival with drunken people in the village throwing rubbish into peoples gardens and people fighting. Also the village road is too small to host big events. Every year when there is the Betley bonfire , the roads are jammed for hours before and after the event. In my opinion 'the farm' does everything it can to earn money without a thought for the people who live here Mark Sutherland-Gray
