**Report Title:** Audited Statement of Accounts 2021/22

**Submitted by:** Head of Finance (Section 151 Officer)

**Portfolios:** Finance, Town Centres and Growth

**Ward(s) affected:** All

**Purpose of the Report**

To receive the final accounts and audit findings report for the financial year 2021/22.

**Recommendation**

1. **The final accounts for the financial year 2021/22 be received and approved.**
2. **The audit findings report for the financial year 2021/22 be received.**

**Reasons**

The Council is required to publish its audited accounts for the financial year 2021/22 by 30 November 2022, or where circumstances dictate, as soon as reasonably practicable after this date.

1. **Background**

- 1.1 The Accounts and Audit Regulations (Amendment) 2022 require that for the 2021/22 accounting period the publication of authority accounts and supporting documents (together with any certificate or opinion of the local auditor) shall be no later than 30 November 2022 if the audit has been concluded. This deadline will revert back to 30 September for following accounting periods.
- 1.2 The Accounts and Audit Regulations govern the way in which a local authority should present its financial affairs. The regulations require the Council to produce a statement of accounts for the financial year detailing its financial transactions for the year and its position at the year end and that this Statement be scrutinised and approved by an appropriate committee, in this case the Audit and Standards Committee. The Statement is produced in a standardised form in line with CIPFA (the Chartered Institute of Public Finance and Accountancy) guidelines. They set out procedures which must be followed with regard to public inspection rights, audit, approval and publication of the statement.
- 1.5 The Regulations require the draft Statement of Accounts to be certified by the responsible financial officer, the Head of Finance (Section 151 Officer), as presenting a true and fair view of the Council's financial position by 31 July and this was done on 20 June 2022. During the period 4 July 2022 to 15 July 2022, the public had the right to inspect the accounts. No objections to the draft accounts were received.
- 1.6 The Council's external auditors Grant Thornton have advised that they expect to issue their Audit Findings Report and opinion on the financial statements during the first two weeks of November and this will follow as soon as it is received.

## 2. **Issues**

- 2.1 Since the last meeting of this Committee officers have continued to work closely with the external auditors to complete the audit.
- 2.2 Grant Thornton have advised that they expect to issue their Audit Findings Report including their opinion on the financial statements during the first two weeks in November. The accounts will be recertified by the Council's Head of Finance (Section 151 Officer) and be made available for Members to inspect at this point.
- 2.3 The Committee are now asked to formally receive the audited accounts and the final audit findings report. The annual audit letter will be presented to the Committee at the February meeting.
- 2.4 The National Audit Office has updated its guidance to auditors to allow them to postpone completion of their work on arrangements to secure value for money and to focus resources on the delivery of opinions on the financial statements. As a result the Auditor's Annual Report, including commentary on arrangements to secure value for money will be published no later than 3 months of the accounts opinion and will be reported to the Audit and Standards Committee on 6 February 2023.
