This committee scrutinises how the council, as a whole, performs. It scrutinises how the council develops and implements its various plans and strategies. It scrutinise how the council plans for and uses its finances (including income generation) and other assets including plant and machinery, equipment, vehicles, land and buildings and staff. In scrutinising the council's performance, it will also consider how the council performs alongside the organisations it works in partnership with.

The core Work Programme is determined at the beginning of the municipal year. Issues can be added throughout the year with the Chair's approval or where a new priority area comes to the Committee's attention.
