

Part E – Officers
Section E3 – Employment Procedure Rules

In Part E:-

Section E1 of the Constitution explains the role of the authority’s officers in general and the role of certain key and “statutory” or “proper” officers. It sets out the officer management structure and explains how the authority’s functions are grouped together under Services and Directorates.

Section E2 contains the Officer Scheme of Delegation that sets out how Council has delegated powers to officers and how officers are to use those powers. In summary, with the exception of matters that are specifically reserved to Members by law or in this Constitution, such as adopting strategic policy and taking certain types of regulatory decisions, all of the other functions are delegated to officers. Officers may enter into contracts and incur expenditure but must do so within financial limits and procedures set out in the Finance and Contract Procedure Rules (Section F5).

This Section (E3) contains the Employment Procedure Rules.
