22/00923/FUL & 22/00924/LBC	Congregational Chapel, Chapel Lane, Ashley	Conversion of existing chapel to single residential unit.	The group were generally satisfied with the change of use to the chapel as a practical and modest scheme. Internally, the group considered the lowering of the ceilings regrettable and was harmful to the overall experience of the space. There was much discussion over the graveyard about existing and future use of the graveyard. If all this was investigated they felt that parking area was acceptable.
