

**5 BOGGS COTTAGE, KEELE, reference 14/00036/207C3**

The purpose of this report is to provide Members with an update, in accordance with the resolution of Planning Committee at its meeting of 3<sup>rd</sup> January 2019 (since repeated), of the progress in relation to the taking of enforcement action against a breach of planning control at this location.

**RECOMMENDATION**

**That the information be received.**

As previously reported, the Planning Inspectorate has allowed the appeal and the enforcement notice has been quashed. Therefore, planning permission has been granted for the use of a mobile home on the land as a dwelling, subject to a number of conditions that now need to be complied with. In particular conditions 3 & 4 are outstanding.

Conditions 3 & 4 of the appeal decision required information to be submitted to the Local Planning Authority for approval within three months of the date of the decision i.e. by the 20<sup>th</sup> March 2023. This information relates to drainage details, provisions for facilities for water and sewerage, provision of parking spaces and details of a scheme to restore the land to its condition before the development took place.

The information was submitted and further to comments from Severn Trent Water, the drainage condition has been refused. Your officers are progressing appropriate enforcement action in respect of the breach of that condition.
