Good Afternoon,

I trust this message finds you well. I am writing to express my strong support for Wolstanton Social Club in light of the recent review of its premises licence. As a member of the local community for over 30 years, having been a part of the club since the tender age of 2, I feel compelled to highlight the club's invaluable role in fostering a sense of community and providing numerous benefits to its members.

Wolstanton Social Club has not only been a constant in my family's life but has also been a pillar of support and camaraderie for generations of residents. The club's welcoming atmosphere has created a space where friendships are forged, memories are made, and the bonds of community are strengthened.

In a continuation of this tradition, my fiancée and our daughter use the club regularly, marking a new chapter in our family's relationship with Wolstanton Social Club. It brings me joy to see the club play a role in the lives of yet another generation of our family, highlighting the enduring impact the club has on the community.

I personally have been a member of the pool team for over 16 years and owe a massive part of my life to the club.

In response to the review of the club premises certificate, I would like to bring to your attention the proactive steps Wolstanton Social Club has taken to address noise-related issues. The club has implemented measures to reduce noise levels, demonstrating a commitment to being a considerate and responsible neighbour – of which all the clubs' members are fully onboard with. These changes underscore the club's dedication to maintaining harmony with its surroundings and ensuring that the well-being of the community is a top priority.

I understand that there have been concerns raised by a single neighbour, and while it is important to review any legitimate issues, it is equally crucial to recognise the positive impact Wolstanton Social Club has had on the lives of its members, including myself.

The club's commitment to addressing noise concerns is a testament to its willingness to seek improvements.

I kindly urge you to consider the extensive history, positive contributions, and the proactive steps taken by Wolstanton Social Club when conducting the premises review. I believe that with open communication and collaboration, any concerns can be addressed without jeopardising the valuable role the club plays in enhancing our local quality of life.

Thank you for your time and consideration. I hope that Wolstanton Social Club can continue to thrive and serve as a beacon of community spirit for years to come.

Yours Faithfully
