<b><u>Purpose of the Report</u></b>	<b><u>Key Decision</u></b>	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
To recommend that the Annual Governance Statement for 2023/24 be approved for inclusion in the financial statements.			
<b><u>Recommendation</u></b>			
<b>That Committee</b>			
1. Approve the Annual Governance Statement for 2023/24.			
<b><u>Reasons</u></b>			
To seek members approval of the Annual Governance Statement for 2023/24 based upon their satisfaction that the information contained in the Statement is relevant and reliable.			

**1. Background**

- 1.1 Members and senior officers are responsible for putting in place proper arrangements for the governance of the Council's affairs and the stewardship of the resources at its disposal.
- 1.2 The Council has approved and adopted a Code of Corporate Governance. A copy of the Code is on our website.
- 1.3 Under the Accounts and Audit Regulations 2015 the Council is required to publish an Annual Governance Statement (AGS) with the financial statements and emphasise the importance of embedding internal control, including the process of risk management throughout the Council. In response the Council produced an AGS for 2023/24 covering corporate governance, financial and other key control issues (the statement is provided as Appendix A).
- 1.4 The AGS is published with the financial statements. In considering the approval of the AGS Members should satisfy themselves that the statement is based upon

relevant and reliable evidence. Details of the evidence relied upon when collating the AGS can be made available by contacting the Service Director for Finance (S151 Officer).

1.5 The AGS includes the following headings:

- Scope of responsibility,
- The governance statement,
- The governance framework,
- The principles of good governance,
- Annual review of the effectiveness of the governance framework
- Looking ahead

## 2. **Issues**

2.1 In preparing the AGS officers have considered the Chartered Institute of Public Finance (CIPFA) 'Delivering Good Governance Framework' guidance document.

2.2 The AGS has been produced combining findings from Assurance statements from the Chief Executive, Service Directors and Business Managers, the work of Internal Audit and various corporate working parties and comments from external auditors and other review agencies.

2.3 The 'Looking Ahead' Section of the AGS identifies those areas, following the review of internal controls for the financial year 2023/24 that needs addressing. Action plans where not already in place will be drawn up by officers to address the issues highlighted.

2.4 Not to complete an AGS would be in breach of the legislation already outlined in the background. Completion of the statement is best practice and demonstrates the transparency of the Council's Governance arrangements for 2023/24.

## 3. **Recommendation**

3.1 That the Committee approve the Annual Governance Statement for 2023/24.

## 4. **Reasons**

4.1 Regular reporting of the Council's financial position is a key discipline supporting sound financial management and corporate governance.

## 5. **Options Considered**

5.1 Completion of the statement is best practice and demonstrates the transparency of the Council's Governance arrangements for 2023/24.

## 6. **Legal and Statutory Implications**

## 7. **Equality Impact Assessment**

7.1 There are no differential equality issues arising directly from this report.

## **8. Financial and Resource Implications**

- 8.1 There are no specific financial implications arising from the AGS, resource requirement linked to action plans will be brought to members as separate projects if required.

## **9. Major Risks & Mitigation**

- 9.1 If internal controls are not managed effectively and within the law, public resources will not be safeguarded from waste or property accounted for.
