This committee scrutinises how the council, as a whole, performs. It scrutinises how the council develops and implements its various plans and strategies. It scrutinises how the council plans for and uses its finances (including income generation) and other assets including plant and machinery, equipment, vehicles, land and buildings and staff. In scrutinising the council's performance, it will also consider how the council performs alongside the organisations it works in partnership with.

This Work Programme is set and reviewed at quarterly meetings of the Scrutiny Management Group. The Chair and Vice Chair also meet regularly with the Portfolio Holders to discuss this Work Programme. There is an opportunity for committee Members to discuss the Work Programme at each committee meeting. Part D of the Council's [Constitution](#) governs the scrutiny process.
