

**FIRST SUPPLEMENTARY REPORT**  
**TO THE PLANNING COMMITTEE**  
**16<sup>th</sup> July 2024**

**Agenda Item 6**

**Application Ref. 24/00202/FUL**

**Morston House, The Midway, Newcastle**

Since the publication of the agenda report, one **representation** has been received stating that it would be beneficial to the development and the town if the spaces on The Midway marked for ambulances were altered to disabled bays.

**Officer's comments**

Two disabled parking bays were originally proposed on The Midway but the Highway Authority did not consider it necessary or appropriate for this development and therefore the bays have been omitted.

The recommendation remains as set out in the agenda report
