Licensing Sub-Committee - 29/11/24

Relevant representations were received from Staffordshire Police Licensing Team on the grounds of Prevention of Crime and Disorder, Prevention of Public Nuisance and Protection of Children from Harm.

The time that had passed between the application being made and the date of the hearing was due to the matter being adjourned on four separate occasions for a variety of reasons.

The Licensing Sub-Committee carefully considered the application, the officer's report, the Licensing Act 2003, the statutory guidance, and the Council's own Statement of Licensing Policy. They also heard from the Council's Environmental Health Department and the Police Licensing Team as a responsible authority. The Sub-Committee heard responses from the premises licence holder and their legal representative.

When considering the circumstances surrounding the application to revoke the licence and the factual background to the case the Sub-Committee concluded that the respondent had breached their licence and the licensing objectives.

Resolved: That the license be revoked.
