

### Appendix C - Suitability Guidelines responses

<b><u>Response</u></b>	<b><u>Responder</u></b>	<b><u>Comments</u></b>
1	Licensed driver	As if the job isn't tough enough .. you should give it a go yourselves
2	Local Authority Officer	<p>Not sure if you picked up, but it proposes mandatory drugs testing of any applicant with any possession offences.</p> <p>I wouldn't simply replace the guidelines, I would adopt them in part and have your own policy, because they say an act of violence should be ten years, but they are happy for people who are in possession of a firearm to have a licence at 7 years?!</p>
