

2025/26

**Quarter Two
Financial
Performance**

1. Background and Introduction

- 1.1 In accordance with the Council's Financial Procedure Rules and recommended good practice, a quarterly financial report is presented to Members. This is the second report for 2025/26.
- 1.2 The report summarises overall financial performance for 2025/26 with particular emphasis on the key sources of financial risk to the Council. Specific considerations are as follows:
- **General Fund Revenue Account (Section 2)** – considers budgetary performance on the General Fund Account by looking at variations in income and expenditure and the funding received by the Council.
 - **Efficiency and Savings Plan (Section 3)** – considers progress in achieving the efficiency and savings forecast for 2024/25.
 - **Capital Programme (Section 4)** – provides an update to Members on progress against the Council's Capital Programme and major project funded through the Town Deal Funds and Future High Street Fund.
 - **Treasury Management (Section 5)** – sets out the key statistics in terms of investments and borrowings;
 - **Collection Fund (Section 6)** – considers progress to date in collecting the Council Tax, Business Rates and Sundry Debts.

2. General Fund Revenue Budget

- 2.1 This section of the report considers the financial performance of the General Fund Revenue Account against budget by setting out variations in income and expenditure and funding received by the Council.

- 2.2 The Council approved a General Fund Revenue Budget of £19.730m on 12 February 2025 for 2025/26. The actual and forecast position compared to this budget is continuously monitored by Budget Holders, the Corporate Leadership Team and Portfolio Holders in order to detect any significant variances of expenditure or income from the approved amounts contained in the budget.
- 2.3 The table above shows how this budget has been allocated.

- 2.4 At the close of quarter two a positive variance of £0.069m has been achieved. The projected outturn on the General Fund Revenue Account for the year is £19.711m. This represents a positive outturn of £0.019m for the year.
- 2.5 The adverse variances that have occurred at the close of the second quarter of 2025/26 include:
- a. Income shortfalls at the close of quarter two from car parking (£0.104m), trade waste (£0.048m) and bereavement services (£0.096m). It is forecast that these will total £0.398m for the financial year.
 - b. Use of overtime, casual and agency staff within the Waste and Recycling Service along with increased contractor disposal payments has resulted in an overspend of £0.147m at the close of quarter two. It is forecast that this will amount to an overspend of £0.294m for the financial year.
- 2.6 These adverse variances have been offset in full by the following favourable variances:
- a. Income from planning applications at the close of quarter two amounts to £0.452m more than budgeted, it is anticipated that income for the remainder of the financial year will remain in line with that budgeted and that the variance for the financial year will stay at £0.452m.
 - b. Interest receivable on cash that the Council holds in terms of Town Deal funding totals £0.123m at the close of quarter two. It is forecast that interest receivable will amount to £0.144m for the financial year.
 - c. Interest payable on borrowing has not been incurred due to the cash that the Council holds in terms of Town Deal funding, this has saved £0.302m. It is anticipated that borrowing may commence during the third quarter, as such is it estimated that this saving may amount to £0.352m for the financial year.

3. Efficiency and Savings Plan

- 3.1 This section of the report considers the financial performance of the Council's Efficiency and Savings Plan in 2025/26.
- 3.2 The Council's Medium Term Financial Strategy (approved in February 2025) identified pressures amounting to £5.275m for the period 2025/26 to 2029/30.
- 3.3 The Efficiency and Savings Plan to address these pressures aims to both reduce expenditure and increase income. The need to grow income continues to be a priority as the Council moves towards becoming self-financing. The plan has been developed with the underlying principles of protecting frontline service delivery. It is also intended that the plan is a tool to enable the Council to ensure that its service spending is determined by the established priorities set out in the Corporate Plan.
- 3.4 The 2025/26 budget was set in February 2025 with the assumption of £1.890m of savings in the year. These savings are detailed in the table below:

Category	Amount £'000	Comments
Income	235	Additional sources of income generation and an increased demand for services that the Council charges for
Staffing Related Efficiencies	156	No redundancies are anticipated to arise from these proposals
Good Housekeeping/More Efficient Processes	167	Various savings arising from more efficient use of budgets
Tax Base Increase	425	Increased in Council Tax and Business Rates tax base
Council Tax Increase	175	An assumed 1.99% per Band D equivalent increase in Council Tax
Government Reimbursement	732	Grant in respect of Extended Producer Responsibility
Total	1,890	

- 3.5 At the end of quarter two, all savings have been achieved or are on target to be achieved throughout the remainder of the financial year.

4. Capital Programme and Major Projects

- 4.1 This section of the report provides an update to Members on the Council's Capital Programme and major projects funded by the Town Deal Funds and Future High Street Fund.
- 4.2 The table below shows a high level (service) summary of the General Fund Capital Programme position at 30 September 2025.

Total	7,816	7,855	39

- 4.3 A Capital Programme totalling £23.731m was approved for 2025/26, excluding contingency. In addition £23.553m was brought forward from the 2024/25 Capital Programme, including projects planned under the Town Deals funds that will continue to be progressed during 2025/26 (£18.354m), resulting in a total Capital Programme of £48.233m for 2024/25 (including a top up of £0.949m to re-establish a £1.000m contingency).
- 4.4 The expected total capital receipts due to be received this year following the sale of assets amount to £1.530m. A summary of the expected income is shown in the table below.

Funding	Amount
Proceeds from Right to Buy sales	£0.500m
Asset sales	£1.030m
Total	£1.530m

Major Projects Funding

- 4.5 The Council was awarded Future High Streets Fund funding in June 2021 of £11.0m to progress projects to help future economic growth. The full £11.0m has been received, all of which has been spent at 31 March 2025.
- 4.6 £23.6m was awarded to the Council via the Town Deals Fund for Newcastle to enable a vision to improve communications, infrastructure, and connectivity in Newcastle-under-Lyme to become a reality. All £23.6m has been received, of which £12.1m has been spent as shown below:

- 4.10 Several projects within the Town Deals and Future High Streets Fund (e.g. Ryecroft Development, York Place and Chatterley Valley) require further funding from the Council in addition to the government grants, this will include the Council borrowing to fund these projects.
- 4.11 The Public Works Loan Board (PWLb) borrowing rate is subject to change daily and could have a significant impact on the financial viability if increases in interest rates are forthcoming or may result in considerably less costs in the instances of lower rates being obtained when borrowing is required. Additionally, the level of inflationary demands is also considered on a project-by-project basis.
- 4.12 Rigorous financial challenge and monitoring of each project's expenditure will be required in both the interim and during subsequent construction phases. Financial monitoring will continue to be reported as part of the scrutiny process and will also form part of the quarterly financial report to Cabinet.

5. Treasury Management

- 5.1 This section of the report sets out the key treasury management statistics in relation to the Council's investments and borrowings. This report comprises a high level treasury management summary. The Audit and Standards Committee receives detailed operational updates on treasury management.

Investments

- 5.2 Investments and cash held at the bank on the 30 September 2025 amounted to £4.199m. Interest earned amounted to £0.123m at the close of quarter two. The average level of funds available for investment between 1 April 2025 and 30 September 2025 was £6.416m.
- 5.3 The Council has not budgeted to receive investment income in 2025/26. However, due to projects being delayed for a number of reasons, funding has remained in the Council's bank account and in turn generated interest.

Borrowing

- 5.4 External borrowing has not yet been required during 2025/26 to fund the capital programme, it is anticipated that this will be required.
- 5.5 Although not utilised in recent years, the Council has previously considered the option of long-term borrowing from the PWLB. After the utilisation of capital receipts and internal borrowing, the Council will look to borrow short term from other local authorities in the first instance and will then review any other sources of funding if required.
- 5.6 Advice from the Council's Treasury Management Advisors, Arlingclose, is to continue to utilise internal funding whilst it is available as opposed to external borrowing. This approach also reduces the need to place funding in long term deposits, whilst minimising any potential investment risks.

6. Collection Fund

- 6.1. This section of the report details progress in collecting the Council Tax, Business Rates and Sundry Debt.
- 6.2 Local tax income is collected by billing authorities and paid into local 'collection funds' (the Council is a billing authority). Where there is a shortfall in tax receipts (compared to expected levels), this leads to a deficit on the collection fund. Billing and major precepting authorities are usually required to meet their share of any deficit during the following financial year.
- 6.3 The quarter two collection rate was as follows:
- Council Tax – 52.0% of Council Tax was collected by 30 September 2025, compared to a target at the close of quarter two of 48.75%.
 - Business Rates – 56.9% of Business Rates was collected by 30 September 2025, compared to a target at the close of quarter two of 48.75%.
- 6.4 The current forecast of Council Tax and Business Rates receipts and Section 31 grant is shown below:

Tax	(Surplus)/Deficit at 30.9.25	Council's Share
Council Tax	£1.207m	£0.131m (11%)
Business Rates (2025-26 only)	£0.458m	£0.183m (40%)
Business Rates (2024-25 balance)	£2.291m	£0.916m (40%)
Business Rates Section 31 Grant	(£0.159m)	(£0.064m) (40%)
Total	£3.797m	£1.166m

- 6.5 The deficit position on the Council Tax collection fund will improve during the remainder of the financial year to reflect the inclusion in the tax base of properties being built throughout the Borough.
- 6.6 The Business Rates deficit in relation to 2024/25 reflects a change between the estimated surplus declared in January 2025 and the actual position calculated at 31 March 2025, largely relating to significant changes in rateable value agreed by the Valuation Office during the interim period. An amount to compensate for this is held in the Business Rates Reserve.
