

## **5 BOGGS COTTAGE, KEELE, reference 14/00036/207C3**

The purpose of this report is to provide Members with an update, in accordance with the resolution of Planning Committee at its meeting of 3<sup>rd</sup> January 2019 (since repeated), of the progress in relation to the taking of enforcement action against a breach of planning control at this location.

### **RECOMMENDATION**

**That the information be received.**

As previously reported, the Planning Inspectorate has allowed the appeal and the enforcement notice has been quashed. Therefore, planning permission has been granted for the use of a mobile home on the land as a dwelling, subject to a number of conditions that now need to be complied with.

Conditions 3 & 4 of the appeal decision required information to be submitted to the Local Planning Authority for approval within three months of the date of the decision i.e. by the 20<sup>th</sup> March 2023. This information relates to drainage details, provisions for facilities for water and sewerage, provision of parking spaces (Condition 3) and details of a scheme to restore the land to its condition before the development took place (Condition 4).

Details to discharge conditions 3 and 4 were subsequently submitted in accordance with the agreed timeline. Whilst approval was given to Condition 4 site restoration, the drainage details were refused following consultation advice received from Severn Trent Water.

A copy of the appeal decision can be viewed via the following link; <https://www.newcastle-staffs.gov.uk/BoggsCottage>

Recently, the existing mobile home on the site has been demolished and the site cleared. Dialogue continues with the owner of 5 Boggs Cottages regarding occupation of the site and other potential works/development. Officers have met with the owner and emphasised that the occupation of a new mobile home would require full compliance with the conditions attached to the appeal decision i.e. drainage matters to be addressed to the satisfaction of the Council.
